

Chapter 821

“That’s right! Shameless, this yard is ours too, but Young Master Gao paid a big price! If you don’t leave, then it’s breaking our money!”

“Humph! Brother Feng! What can I do with them? Scratch the face of that little girl in the film, and then throw the old and the young to the mass graves, let them fend for themselves!”

“...” I have to say!

The words of these people are extremely vicious.

It seemed to them that the lives of the blind mother-in-law and Xun’er were cheaper than grass.

especially!

The wicked young man named the head took out a dagger from his arms, and then walked towards Xun’er with a grinning face.

Da da da!

The sound of his footsteps, like the sound of a demon approaching, changed the face of the blind woman.

“No! Xun’er, run! Run! This beast will ruin you! You run!” The blind mother-in-law guarded Xun’er as if she was protecting a chick, and kept her leaving quickly.

just!

Although Xun’er was full of horror on her face, she still didn’t want to leave the slightest:

“Mother-in-law, Xun’er ca n’t leave ! If I leave , these beasts will kill you! What are they crazy about this yard? Do it all!”

Kaoru was scared!

She was not only afraid of being hurt, she was also afraid that her mother-in-law would be killed by the lives of her.

If weren’t for her these few days, she would rather suffer the pain of being scratched on her cheeks rather than leave, for fear that the blind woman would have passed away long ago and died in the hands of these unscrupulous children and grandchildren.

“Hey! Damn girl, you dare to scold me when you are now!”

“Okay! In that case, I will put a few more scars on your face today! Let you be nosy!”

said!

The evil young man has already come to the side of the old and the young.

He stretched out his palm and grabbed Xun'er's thin arm, and the dagger in his back hand slashed towards Xun'er's scarred face.

“No...”

Xun'er screamed in horror, resounding.

Her eyes were as clear as water, and there was deep fear and despair.

I could only watch, the sharp dagger struck my cheek.

Do you want to add new scars again?

The corner of Xun'er's mouth was full of bitterness.

There are new scars every day. She is afraid that in this life, she will never have the face to meet her big brother who worships like a god.

Huh!

In an instant, the dagger had already been drawn in front of Xun'er.

Even Xun'er could already feel the sharp chill of the dagger, as if to cut the skin on her face again.

But at this moment!

Ok?

Xun'er closed her eyes but frowned.

Because she just felt the chill of the dagger, but she didn't have the slightest pain from cutting her skin.

This...what is going on?

Chapter 822

Thought of this!

Xun'er quickly opened her eyes.

However, when she saw the scene before her clearly, she was completely stunned.

The dagger had reached her cheek, only an inch close.

But this inch, like a moat, is difficult to move forward the slightest.

Because of the sharp dagger, it was firmly grasped by a big hand.

Ok?

Not only Xun'er was stunned.

Even the wicked young man was slightly startled, and he realized that he didn't know when, there was an extra young man in front of him.

especially!

The dagger he stabbed was actually caught by the young man , this...

"Boy, who are you?" The evil young man's pupils shrank slightly, but he could clearly see that the young man's palm was grasped. It is the blade of a dagger.

However, such a sharp blade did not cut through the palm of this young man.

It seemed that the palm of this young man was like steel and iron bones, which made the evil young man unable to believe his eyes.

"Big...Big brother!"

After seeing Lin Fan, Xun'er was equally stunned.

She never thought that this big brother would appear here, especially when she was most dangerous again, as if she appeared like a god.

Looking at the scars on Xun'er's little face, Lin Fan's complexion almost dripped water.

He finally understood the origin of these scars.

It is the evil young man in front of him.

"Xun'er! You should have told Big Brother!"

Lin Fan looked at Xun'er with a bit of blame.

And heard this.

Xun'er's eye sockets flashed red in an instant, she couldn't help lowering her little head in shame, and tears fell from her eyes:

"Yes...I'm sorry, big brother! Xun'er doesn't want to cause trouble for you!" The little girl's heart, Full of endless guilt.

She already owed Lin Fan too much.

She didn't want to cause trouble or danger to Lin Fan anymore.

And at the moment!

After hearing Lin Fan and Kaoru children even recognize his face villains that were young, suddenly flashed a deep sense of grim:

"Well I did not think that this dead girl, actually also brought help!!"

Having !

The evil young man stared at Lin Fan, fiercely flickering:

"Boy, I advise you not to be nosy! This is our family affair, and it has nothing to do with you! If you don't know each other, don't blame us for being polite!!!"

Following this sentence of the evil young man.

Hoop!

The young men and women in the back also took out a dagger from their pockets and stared at Lin Fan with unkind faces.

just!

calm!

The evil young man and the others saw that Lin Fan's delicate little face was calm, as if an abyss, making it impossible to see his emotions at all.

Chapter 823

"Are you the mother-in-law's family?" Lin Fan asked indifferently.

"Yes!" The evil young man said without concealing the slightest,

"She is my grandmother! And this dead girl is just a stray dog adopted by my grandmother!"

"What? My grandmother's matter? , Neither you nor this dead girl have the right to be in charge !" The evil young man's words were extremely arrogant.

In his eyes, it seemed that even if he killed the blind mother-in-law, he had nothing to do with other people.

And heard this.

Lin Fan did not refute, but looked at the scar on Xun'er's face, and then coldly asked,

"What about the scar on her face?"

Huh?

The evil young man was taken aback, then the corner of his mouth grinned, and his face fiercely said:

"So what do I do! This dead girl eats my grandma and drinks my grandma! I scratched her face with a few scars. You shit!"

"Boy, I advise you to get out of here!"

Finished!

Evil young man's palm!

Suddenly, several young men and women with fierce faces next to them also took daggers and surrounded them.

however!

Lin Fan seemed to ignore these people.

He looked at the densely spreading knife marks on Xun'er's face, and said sharply:

"A total of sixteen scars!"

"You scratched sixteen scars on a little girl's face! If so, then Don't ask for your face! "

What!

Lin Fan's words stunned the young evil man.

However, he hadn't waited until he realized what it meant.

Huh!

He just felt that his palm was suddenly empty.

Only then did he realize that the dagger in his hand had been snatched by Lin Fan.

It's more than that!

Bang!

Lin Fan's feet rose and fell, and then severely kicked the evil young man to the ground.

Just when the evil young man was about to struggle to get up.

Lin Fan threw a fist.

He smashed the evil man's face fiercely, causing the evil man's head to be stunned, and he fell to the ground fiercely.

This scene greatly changed the complexions of the surrounding young men and women.

However, just when they were about to step forward to stop them, a scene that made their souls

embarrassed appeared.

“Xun’er, close your eyes!”

Lin Fan’s indifferent voice came.

When she heard this, Xun’er was stunned. Although she didn’t know what her elder brother was going to do, she obediently closed her eyes quickly.

Pouch!

Just as Xun’er’s eyes closed, a dull voice suddenly came.

The several ferocious men and women around were all dumbfounded.

They clearly saw that the dagger in Lin Fan’s hand had pierced the evil young man’s cheek fiercely.

“Ahhhhh! My face!!!” The evil young man suddenly screamed with pain all over his body.

He could clearly sense that Lin Fan had completely pierced the skin of his face with the sharp blade of the dagger.

Chapter 824

The majestic pain made him tremble all over.

The evil young man wanted to struggle, but he was surprised to find that Lin Fan’s big hands were like iron tongs, pressing his head against the ground so hard that he couldn’t move the slightest.

But there is more to it!

Shit!

The evil young man could hear a clear tearing sound.

He suddenly felt that the dagger was placed on his cheek and swiped suddenly.

Tick!

Tick!

Scarlet blood flowed down from the face of the evil man in an instant.

's voice was full of crying, and he was obviously scared to cry by Lin Fan.

Chapter 825

“! Revenge of Mary, I want revenge !!!”

mouth villains youth, issued a roar as if the beast Jingnu:

“Give high call Master, today he is in God the dog there!!”

“Let He's here to take revenge, hurry up!!!”

This sentence of the evil young man instantly reminded several people around him.

Their eyes lit up in an instant.

Then one of the young people quickly took out his cell phone, found a phone number, and dialed it.

And at the moment!

The blind mother and Xun'er, although they did not see the hideous and terrifying faces of the evil young man, they had already heard what had happened from their words.

When they heard that these people were looking for Young Master Gao to come, their expressions changed drastically.

“Young man, run away! That young master is someone we can't afford to offend! Go ahead and leave us alone!”

The face of the blind woman was as ugly as dead gray.

And Kaoru children, but anxious tears crackling, continue to fall:

“Big brother, I'm sorry, but gave you the trouble, here we are, you quickly go that high that we can not provoke the young master!!!”

Blind mother He Xun'er was extremely worried about Lin Fan at this moment.

just.

Lin Fan did not answer.

Instead, he squatted down, with a big hand, gently brushing the small face bag full of scars on Xun'er.

"Big...Big brother!"

Xun'er's small body trembled slightly.

A deep sense of inferiority and panic appeared in her eyes.

As if, for fear that his ugly face would scare Lin Fan.

"Don't be afraid!"

Lin Fan smiled slightly and said softly.

This sound, as if the breeze was blowing, suddenly calmed Xun'er's panic.

As if these words contained magical powers, all her fears and low self-esteem had disappeared.

At this moment, she only felt Lin Fan's palm lightly passing over her face.

A hint of refreshing breath began to penetrate into his skin from above Lin Fan's palm.

Let Xun'er's delicate body tremble slightly.

"This is true energy, it can help you relieve the pain in your face!"

Lin Fan's eyes showed deep sorrow.

He couldn't imagine that a five or six-year-old girl would bear the horror of scars and pain on her cheeks.

This is definitely more uncomfortable than killing Kaoru.

And at this moment.

The words of the evil young man and several men and women next to him came again.

"Little beast, you have cut off Lao Tzu's face, you have a kind of don't go! Master Gao will be here soon, and then you will be better off dead!"

“Asshole, you wait! This matter belongs to Master Gao. If you block it, you are offending Young Master Gao, and he will definitely not let you go!”

“...”

In the mouths of these people, the Young Master Gao seemed to be a big and powerful man.

It seems that as long as the opponent appears, then Lin Fan’s end must be extremely miserable.

Chapter 826

Hum!

And just after the words of a few people fell.

Suddenly, the hum of an engine suddenly resounded from the front.

Then everyone saw that a green convertible sports car, with billowing smoke and dust, quickly came from the front.

This is more than that.

Behind this sports car, followed by Toyota overbearing.

There are as many as ten cars.

Creak!

Soon, when these cars came to the front, they made rapid braking sounds and stopped.

“Ma’s! Which bastard dare to ruin my Gao Shengyuan’s good deeds?”

“Is this broken yard so hard to chew?” A grim voice came from the sports car.

I saw the car door opened.

Then came down from above, a young man in a floral shirt wearing sunglasses, and a hot sexy girl.

Not only them!

Hoop!

From above the Toyota overbearing behind, the same doors opened, and then the burly men hulled out and got out of the car.

In each car, three or four strong men walked down.

They held clubs, and in the blink of an eye, there were a total of thirty or forty people, following behind the young Ku Shao, and hooting towards this place.

This scene made the evil man and the others ecstatic.

“Master Gao, here! This is the bastard!”

Hearing this!

Young Master Gao only saw the evil young man, and when he saw the bloody cheeks of the evil young man, he was shocked.

“Wocao! Fengzi, what’s the matter with your face?”

Although Young Master Gao was horrified, he didn’t have the slightest fear, but was full of excitement.

It seems to be the first time that a person’s face can tear the skin off.

“Master Gao, we met a madman, and he...he tore my face off!”

“Please help me take revenge. I will break this bastard’s limbs, and give his face to life. Peel it off!”

The words of the evil young man were extremely harsh.

And after hearing this.

The young master Gao’s eyes turned, and then he locked onto Lin Fan, Xun’er, and the blind mother-in-law.

“It’s you guys! Stop me from buying this dilapidated yard again and again?” There was a deep chill in Young Master Gao’s eyes.

His real estate company took on a big project.

However, almost all the surrounding courtyards were acquired, but only the courtyard of the blind woman in front of him was repeatedly blocked.

This made him lose his patience a long time ago, and he was full of anger.

Finished.

Young Master Gao's eyes stared straight at Lin Fan.

Especially, after seeing Lin Fan's face in one of his hands, his pupils couldn't help but shrink slightly:

"Boy, what's your name?" Mobile phone: At this moment, he became interested in Lin Fan.

After all, it is extremely rare for Jiang Shi to cut off the face of a person, but who is so calm.

"Lin Fan!" Lin Fan looked at Gao Shengyuan indifferently, his voice extremely indifferent.

Lin Fan?

However, after hearing this name, Gao Shengyuan was slightly taken aback, and then said in disbelief:

"Could you be the president of the New Baishi Group, Bai Yi's rubbish husband?"

Chapter 827

what!

New Baishi!

Hearing this, the wicked young man and others next to him, their eyes condensed slightly.

After all, although the new Baishi has not officially opened yet, its popularity is extremely loud, and they have naturally heard of it.

And Lin Fan's name is equally thunderous.

"Hahaha... it really is you!"

After seeing Lin Fan's default, Gao Shengyuan couldn't help but smiled heartily and said:

"Lin Fan, we are a family! Your Xinbai's largest material supplier is our Tiansheng Group ! " "

so, so forget it! you go, then they die !!! "

Archie Kao of this sentence, reveals a deep sense of awe-inspiring intended.

He turned to look at the blind mother-in-law and Xun'er, with chills in his eyes:

"Lin Fan, I am not afraid to tell you, because your Xinbai clan is an important partner of our group, so this time, your recklessness, I am Tiansheng Group's young master, can be forgiven! "

"but the old a little, but it is not! they have a full two weeks of delayed my schedule! so, use life, to compensate my loss!"

Wow ...

A word from Gao Shengyuan changed the complexion of everyone around him.

Especially the evil young man and others.

There was a deep disappointment and anger in each of his eyes.

After all, Lin Fan's methods were too harsh, and they naturally wanted revenge, but since Gao Shengyuan had said that, he obviously didn't want to offend the important partner of the New Bai Group.

And now, all the hatred and anger of the evil young man and others can only be vented on the blind mother and Xun'er.

"Boy, did you hear that? You are lucky today!"

"Get out of here! You tore my face, I count it on this old immortal and dead girl!"

Although the evil young man was full of unwillingness, he could only say in resentment.

Not only them!

At the moment, the faces of the blind mother and Xun'er were pale.

They knew that with Gao Shengyuan's personal arrival, the two of them would end up miserably, so they didn't want to hurt Lin Fan again.

"Big brother, go away! This matter has nothing to do with you, Xun'er please, don't worry about it anymore!" Xun'er's eyes were red.

She is done.

But because of this, she felt even more guilty towards Lin Fan.

“Big brother, for your life-saving grace, Xun’er will repay the grass ring in the next life!”

Finished!

Xun’er had already burst into tears.

And aside.

Blind mother is also the face of the sad, bitter against Lin Fan said:

“Young man, I am an old woman, but thank you, now please leave it if there is an afterlife, and I smoked child will repay you!!!”

Then, blind The mother-in-law held Xun’er in her arms.

The old and the young have cried into tears.

And see this scene!

Whether it is Gao Shengyuan or the evil young man and others, it has long been expected, and Lin Fan will definitely leave.

Chapter 828

after all!

As long as you are not a fool, you will never continue to drip this muddy water, unless it is...finding death!

“I won’t leave!”

What!

At this moment, when Lin Fan’s words came, no matter it was Gao Shengyuan and others, or the evil young man, the blind mother-in-law, and Xun’er, they were all stunned.

Then, Xun’er’s face changed drastically:

“Big brother, what are you talking about! Go! This matter has nothing to do with you, I don’t want you to take care of it anymore!” After Xun’er finished speaking, she thought hard with her small palm To push Lin Fan, let him leave quickly.

However, Lin Fan's figure was as stable as Mount Tai, even if Xun'er used all his strength, he couldn't push Lin Fan the slightest.

Depressed!

At this moment, the atmosphere here is dull and depressed to the extreme.

Everyone can clearly feel that the smile on Gao Shengyuan's face gradually disappeared, and a trace of cold and cold air diffused from him:

"Lin Fan, don't be shameless!"

"The reason why I let it go You are just looking at the cooperative relationship between the New Bai Group and our group! If you don't know what is good or bad, then don't blame me for being cruel!"

Gao Shengyuan's eyes were gloomy, staring at Lin Fan, as if looking at an idiot.

And aside.

The evil young man and others were extremely ecstatic.

moron!

In their eyes, Lin Fan is definitely an idiot.

Could it be that this guy didn't see the thirty or forty big men brought by Young Master Gao?

Obviously there is a chance to leave, now she is purely looking for death by herself.

just!

Lin Fan didn't care about Gao Shengyuan's threat at all, but said with gloomy eyes:

"Could it be that in your eyes, two lives are so simple?"

Lin Fan's voice was filled with sorrow.

Although he had killed countless people and had many corpses, he never killed innocent people.

And the Gao Shengyuan in front of him had already broken through Lin Fan's bottom line.

“Cut! Lin Fan, you don’t pretend to be a saint here!”

Gao Shengyuan smiled gloomily, and glanced at the blind woman and Xun’er, with the look like looking at two ants:

“In this world, people are dead every day! And if you get in my way, you will die!”

“They are like this, and so are you!”

Finished!

Gao Shengyuan waved.

Hoop!

Suddenly, the thirty or forty brawny men behind him stepped forward.

The baseball bats in everyone’s hand were all waiting, as if only a word from Gao Shengyuan, they would wave the stick in their hands and smash this ignorant boy into mash.

“More than people?”

Lin Fan glanced at Gao Shengyuan playfully and asked indifferently.

Ok?

Obviously, Lin Fan’s calmness caused Gao Shengyuan to be taken aback.

However, after he confirmed that Lin Fan had no help, the hideous and cruel expression on Gao Shengyuan’s face instantly appeared:

“More than people, so what!”

“Boy, I have more people than you. Today, since you don’t know what is good or bad, Then I will teach you a profound lesson!”

Chapter 829

Finished!

Gao Shengyuan waved his hand, and his smile became more and more grim:

“Go! Go and interrupt this kid’s hands and feet!”

Wow!

Following Gao Shengyuan’s words fell.

The thirty or forty brawny men around suddenly surged wildly.

One by one, like a vicious tiger, they wanted to wave the baseball bat in their hands and rush towards Lin Fan.

The densely packed baseball bats are simply overwhelming.

Not to mention a person, even a rough-skinned fierce beast would be instantly smashed into flesh.

See this scene!

Xun’er’s complexion changed drastically, and she immediately wanted to rush towards Lin Fan.

Even if she died by herself, she wanted to protect her elder brother behind her.

And the evil young man and others, the hideous color on his face became more and more intense:

“Hahaha...idiot, die! Kill him!”

“Hey, this kid really has a way to go in heaven, and no hell. The door comes! It’s really looking for death!” These people were cruel.

They seemed to have seen the miserable scene of Lin Fan being beaten into a bloody man by a stick.

But at this moment.

Lin Fan’s slow words came again:

“Okay! Since there are more than people, then...more than people!”

What!

Lin Fan’s words made Gao Shengyuan and the others stunned.

However, they had not yet waited for them to understand what Lin Fan meant.

Buzzing!

The same roar of engines, like a roar of a beast, suddenly exploded.

Then, under the incredible sight of everyone, another black car swept in like a speed.

These cars seem to have been lurking in the surrounding alleys a long time ago.

It seems that they have long been waiting for Lin Fan's order.

Until now!

Three!

Five!

Ten!

Twenty!

Wow...

Looking at the black cars that rushed out frantically from the surrounding roads and alleys, the big guys who rushed forward, with pale faces, stopped their movements one after another.

As for Gao Shengyuan, the young evil man, and others, they were as if they had seen a ghost one by one, and they could hardly believe their eyes.

"He... they are the people of Lord Dog?"

Gao Shengyuan is not a fool.

He knew that this was the North District of Jiang City, and he could mobilize so many convoys in one go, so only the Dao's men would lose their dogs!

just.

Gao Shengyuan knows the person "Sanggou".

Just now, he was still at the bereaved dog's house, and even gave the other party a generous gift.

Gao Shengyuan couldn't believe what Gouye and the others were doing here.

"Is it because of me? This guy said that there are more people than people, is it just a coincidence?"

Gao Shengyuan could only think of such a possibility at this moment.

Chapter 830

Wow!

And just when he was in doubt.

Suddenly I saw that the doors of the black cars opened.

A strong man, led by nearly a hundred big men in white clothes, walked down from the car like a tide.

The brawny man headed by him is a bereaved dog!

But there is more to it!

Click!

After Sanggou and others walked down, the front door of the black car also opened.

Then, a middle-aged bald head got out of the car.

See this man.

Gao Shengyuan and the evil young man next to him and the others couldn't believe their eyes one by one.

"Knife... Master Knife!!!"

That's right!

The bald-headed middle-aged man in front of him is the boss of the bereaved dog, and the master of the North District-Lord Dao!

Gao Shengyuan and the others were completely shocked.

They knew that Master Dao hadn't come forward for a long time, and he had almost handed over most of his business to Sango.

And he has been living in simplicity.

Even Gao Shengyuan had visited with generous gifts several times, but was refused tragically.

Gao Shengyuan couldn't believe it, how could Lord Dao appear here.

however!

It's more than that!

Hoop!

At this moment, under the shocking sight of Gao Shengyuan and others.

Master Dao led the mourning dog, as well as a hundred elites from the North District, stepping forward.

Until he walked in front of Lin Fan.

Hoop!

Headed by Master Dao, they all bowed deeply to Lin Fan,

"Mr. Lin!!!"

"Mr. Lin!!!"

"..."

Jing!

When the uniform, deafening and respectful voice resounded, this area fell into a boundless silence.

Gao Shengyuan, the young evil man, and the men and women next to them, couldn't believe their eyes.

bow? Mobile:

Salute?

Especially Dao Ye, the North District system hegemon, with his elite subordinates such as Sanguo, this is so... how is it possible.

“Mr. Lin? No...no! He’s just a door-to-door son-in-law of the New Bai Group! How can he be qualified to let Master Dao come to visit, and even bow to salute?”

Gao Shengyuan seemed to have seen a ghost at this moment, his face was full of With a deep horror.

For him, the scene in front of him was completely incomprehensible.

More than him!

The evil young man and others next to him were completely scared to pee.

“God... my god, this lunatic actually knows... Master Dao?”

“Impossible! Master Dao is not the North District Ruler? What identity does this guy have to pay tribute to Master Dao?”

“...”

Shocked!

For them, the scene before them is almost like a dream.

However, this does not stop there.

Immediately afterwards, words that made them more frightened came into their ears.

“Mr. Lin, we have been waiting for you in silence since you first entered the North District!”

Master Dao said respectfully to Lin Fan.

Wow!

As soon as this remark came out, it shocked Gao Shengyuan and others.
