

## Chapter 831

As soon as Lin Fan entered the North District, he alarmed Master Dao and the others, what kind of identity this guy was, and how could it make them so grand.

Gao Shengyuan and everyone else were unbelievable.

And at the moment!

Lin Fan glanced faintly at Gao Shengyuan and the others, then smiled sharply:

“They want more than people? Dad, what do you say?” More than people!

When he heard these words, Master Dao couldn't help but smile, and then waved his hand:

Wow!

Immediately behind, hundreds of brawny men in white clothes all came surging forward, surrounding everyone including Gao Shengyuan in the center.

The evil spirits boiled, fierce and evil, this scene almost scared Gao Shengyuan and the evil young man to pee.

“Wait...wait!”

Gao Shengyuan was completely panicked at this moment.

He looked at Master Dao and quickly said:

“Master Dao, I am Gao Shengyuan of the Tiansheng Group. I wanted to visit you before!”

“Also, Master Dog, we were drinking tea together just now? Are you now? Just forget me?”

Gao Shengyuan now only wants to get closer to the two of Daoye and Sanggou.

after all!

These two talents are the masters of the North District. Although Gao Shengyuan has dozens of younger brothers, he is not enough to look at him in front of Dao Ye and others.

However, what made Gao Shengyuan stunned was.

Whether it's Master Dao or Lost Dog, they didn't reply at all. The two seemed to not know him, their attitudes were extremely cold, seeing this scene!

Gao Shengyuan finally knew that the key to all this was in Lin Fan's body.

At the moment, he hurriedly said to Lin Fan:

“Mr. Lin Fan, I was wrong before, please see that our Tiansheng Group is the largest supplier of

materials for your New Bai family, forgive me this time!”

“If you have any requirements, please do not hesitate to mention it!” I

’m afraid!

At this moment, Gao Shengyuan was in an unprecedented panic. After all, he was in front of Master Dao and the others. If the other party wanted to kill him, he could only lie down and walk out of here.

Just heard this!

Lin Fan smiled.

“Really, what conditions do you agree to?” Hmm

?

Hearing Lin Fanjian’s words, Gao Shengyuan’s eyes lit up, knowing that his opportunity had come, and he quickly said flatly:

“Lin...Mr. Lin, don’t hesitate to say, whether it’s money or beauty! I am Gao Shengyuan absolutely Will do it for you!”

Gao Shengyuan is very knowledgeable about current affairs.

For him, the most important thing is to leave this place of right and wrong first.

As long as he can pass the blunder, it is not too late to find a way to deal with Lin Fan.

And see this scene!

Lin Fan smiled slightly:

“Actually, my conditions are very simple!” In one sentence, Gao Shengyuan and everyone around him all mentioned his throat.

Chapter 832

The evil young man and others next to him were also full of anticipation. They had been scared to pee by Dao Ye and others, and could not wait to wait for Gao Shengyuan to satisfy Lin Fan, so he and others hurriedly left.

It was just the next sentence that made everyone's heart completely sink into the bottom;

"That is, interrupt all of your hands and feet!"

What!

Lin Fan's words made the expressions of everyone here changed drastically.

Everyone's legs and feet are interrupted!

You know, there are only thirty or forty people brought by Gao Shengyuan here, plus Gao Shengyuan, the evil young man and others.

how can that be!

Gao Shengyuan immediately thought that Lin Fan was joking:

"Lin...Mr. Lin, shall we not make a joke? After all, we and your Xinbai clan are partners, please give me face!"

Gao Shengyuan's words just uttered, making it difficult for him A scene of confidence appeared.

"Go!"

Master Dao did not violate Lin Fan's words in the slightest.

With a wave at the moment!

boom!

The hundred brawny men in white, like evil tigers, rushed towards Gao Shengyuan and the others frantically.

"No!"

"Ah ah ah!"

Road screams in this one area after another, resounded up.

Gao Shengyuan was amazed to see that the group of people brought by Master Dao seemed like a tiger into a flock. Under the swing of a club, the legs and feet of his men continued to crack.

“Really? This... this guy is actually playing for real?”

Gao Shengyuan was completely shocked.

You know, he has brought thirty or forty subordinates. If these people’s legs, feet and hands were interrupted, this would definitely be a sensational event in Jiang City.

but!

Lin Fan’s words seemed like iron orders.

Whether it was Master Dao, or every Master Dao’s subordinate, there was absolutely no violation at all.

Crazy siege!

The dense sound of bone fractures resounded endlessly!

Gao Shengyuan could only look at the subordinates around him, fewer and fewer.

Until Sanggou discounted the legs of his only few men.

Hoop!

A group of brawny men in white, like evil tigers, rushed towards him madly!

“No!!!”

Gao Shengyuan let out a miserable howl, and the whole person was completely overwhelmed by the big men in white clothes.

The battle was fierce and bloody.

For all this, Lin Fan didn’t care at all.

At this moment, he and Master Dao, with Xun’er and the blind mother-in-law, walked to a quiet place next to them.

Listen to the screams one after another.

The blind mother’s face was as pale as paper.

## Chapter 833

The blind woman just came here and said to Lin Fan: "Little...boy, my old woman doesn't know how to thank you anymore, please be respected by me!"

Then, the blind woman wanted to kneel down for Lin Fan. !

Seeing this scene, Lin Fan was shocked, and quickly stopped the old man:

"Mother-in-law, you are welcome! It's a matter of effort!"

Lin Fan looked at the blind mother-in-law and Xun'er at the moment, and a trace of expression appeared in his eyes. Worry.

After all, the old and the young, one has a disability, and Xun'er is too young.

Life in the future is a big problem.

As if seeing Lin Fan's expression, the Dao master next to him hurriedly said:

"Mr. Lin, if you don't worry about my knife! Then please leave this old man and Xun'er to take care of me!"

"Don't worry, As long as I am here, no one will dare to bully him! I will send Xun'er to school and help the elderly find a doctor! "

Huh?

Lin Fan's eyes lit up when he said this.

That's right!

Although Master Dao is a member of the underground, Lin Fan can see that this person is not embarrassed, and Xun'er and the blind woman are taken care of by him, and Lin Fan is naturally relieved.

"Okay!"

Finished!

Lin Fan squatted down and said to Xun'er:

“Little girl, after a while, I will prepare some herbs for this bald uncle to send you to Yifan Chinese and Western Hospital! I will help you and heal the scars on your face!”

what!

Hearing this, Xun'er was stunned.

She could hardly believe her ears:

“Big...Big brother, can my face really be cured?”

A hint of mist filled Xun'er's eyes.

Since having this scar, she is no longer just a little beggar, but an ugly monster.

Wherever you go, you will be laughed at.

Even for this, she was afraid of frightening Lin Fan and didn't dare to recognize each other.

And if it can be cured...

tick!

Tick!

Tears dripped from Xun'er's eyes like a broken string.

When Lin Fan saw this scene, while helping her wipe away the tears, he smiled and nodded:

“Don't worry, there is a big brother, your face is definitely healed!”

Finished!

Lin Fan stopped staying any longer, and asked Xun'er and Master Dao a few words, and then he waved at the three of them and turned away.

Looking at the leaving figure of Lin Fan.

Xun'er's heart was filled with warmth.

In her eyes, this elder brother seemed to be a patron saint bestowed on him by the heavens. He helped

him through every crisis, and he was by his side if the difficulties were insincere.

“Thank you... Big Brother!”

Xun'er stared at Lin Fan's back, as if he wanted to carve this back in his heart for the rest of his life.

Chapter 834

The battle is over soon!

And when Lord Dao and the others had all left, on this piece of ground, there were screaming figures lying on the ground.

Among them, Gao Shengyuan and the vicious youth are included.

“Ahhhhhhhhh!”

Gao Shengyuan's hands and legs were all interrupted by Shengsheng.

That majestic pain. His whole body trembled in pain, especially the hatred on his face, which was so intense:

“Lin Fan! I will retaliate! You wait, I must kill you!!!”

For Gao Shengyuan, he grew up since he was a child. He grew up holding the golden key, especially after setting foot in the business world, with the support of his father and the group, it was smooth sailing.

However, he couldn't imagine that he would be folded in the hands of such a small door-to-door son-in-law like Lin Fan.

Heard this!

The evil young man named 'Fengzi' said to Gao Shengyuan:

“Young Master Gao, I remember it! Jiangshi has been rumored before that the Xinbai clan will be finished before it opens!” “Because this surname is Lin Yes, it not only abolished Grandmaster Leng Aotian's grandson, but also broke the legs of Grandmaster Helan Mountain!”

What!

Hearing this, Gao Shengyuan's screams gave a slight pause.

He did not pay much attention to these rumors.

But now when I heard it, I was suddenly ecstatic:

“You...what you said is true?”

“It’s true!” Fengzi’s face was vicious at the moment.

His face was torn off by Lin Fan, and his hands and feet were also abolished because of Lin Fan.

It can be said that Lin Fan has completely become his nightmare.

The evil young man now, can’t wait for Lin Fan to die right away.

Only in this way can he only hate in his heart.

“Good! Good!”

Gao Shengyuan’s pale face suddenly showed a strong viciousness:

“Since the New Bai family is finished, then I will immediately let our group stop all cooperation with the New Bai family!”

“It’s not just that. We, I want the entire Jiangshi, no other group to provide raw materials to Xinbai’s! I let them die faster! Even worse!!!”

In the eyes of Gao Shengyuan.

There are two great enemies, the grandson of Leng Aotian and the granddaughter of Helan Mountain.

So even if Lin Fan had Master Dao, he would definitely end up miserably.

Naturally, he would not let go of this opportunity to beat the dog in the water.

...

soon!

The news from the North District of Jiangshi seemed to have grown wings and swept the whole Jiangshi.

The young master Gao Shengyuan of the Tiansheng Group, as well as thirty or forty people under him, were all interrupted.

As soon as this news came out, the whole Jiang City was in an uproar again.

after all!

Although Tiansheng Group is only a second-rate chaebol in Jiang City.

But its business spans more than a dozen industries, including real estate and beauty, and has great influence.

And dozens of people, including the young master Gao Shengyuan, were abolished. This is definitely the most serious wounding incident in Jiang City's history.

Chapter 835

The only exception is for everyone.

No matter it was Gao Shengyuan or those subordinates, no one actually said who the murderer was.

Since then!

Who interrupted the hands and feet of Gao Shengyuan and others has almost become one of the most lively topics in the streets and alleys of Jiangshi!

Not only everyone!

Even Bai Yi and Baishan father and daughter of the New Bai Group also got the news.

When Lin Fan returned to the New Bai Group, he saw that the father and daughter and a group of high-level members of the New Bai family had just completed their discussions.

"Huh? Wife, what are you doing?"

Lin Fan saw that Bai Yi, Bai Shan and others were carrying gifts.

This scene stunned Lin Fan.

"The young master Gao Shengyuan of the Tiansheng Group has had his legs and feet abolished, and their group, as our most important partner of the New Bai family, we naturally want to visit!"

Bai Yi said with a wry smile at the moment.

Just heard this!

Lin Fan's mouth twitched, and he couldn't help being covered with black lines: "I interrupted their legs!"

What!

Heard this!

Whether it was Bai Yi or the many high-level Bai family, they were all taken aback.

Especially, when they saw that Lin Fan was carrying a vegetable basket, it was obviously the appearance of a family cooking husband in the clothes just after strolling through the vegetable market.

Wow!

Everyone burst into laughter.

"Hahaha...Lin Fan, you can really be kidding! You obviously just went shopping for groceries, how could it be you?"

"Yeah! Gao Shengyuan himself didn't say who interrupted his hands and feet! Obviously, the murderer is definitely not an ordinary person. Lin Fan, don't make a joke!"

"..."

Many senior leaders of the new Bai clan burst into laughter. .

They know it.

The husband of this president is notoriously trash.

Everyday he only knows about washing and cooking. If he interrupted the hands and feet of thirty or forty people including Gao Shengyuan, they would definitely not believe it even if he killed them.

however!

What surprised many senior executives was.

After hearing Lin Fan's words, the expressions of Bai Yi and Baishan's father and daughter changed suddenly.

They stared at Lin Fan one by one, and said with a trembling voice:

“Lin...Lin Fan, really did you do it?”

Bai Yi’s face was as white as paper, as if the sky had fallen, and his whole body was almost dizzy.

Baishan also had a tingling scalp.

He has seen with his own eyes that his son-in-law has abolished the murderous scene of more than 20 people. At this moment, I naturally believe in the same:

“Xiao Fan, this kind of thing is not a joke? You said, is it you?”

What!

Looking at the appearance of Bai Yi and Bai Shan.

The rest of the senior officials of the New Bai Group were all dumbfounded.

The president and chairman actually believed Lin Fan’s words?

how can that be!

Do they really think that Lin Fan has the ability to interrupt Gao Shengyuan and others’ legs and feet?

Chapter 836

At the moment, all the high-levels want to persuade.

It’s just that their words have not yet been exported.

Lin Fan bit his head and nodded:

“Yes! Although I didn’t interrupt it personally, it really has something to do with me!”

Boom!

In a word, Bai Yi and Baishan’s father and daughter’s complexions were as pale as paper.

That’s it!

Completely finished!

Tiansheng Group is their largest supplier. Once it loses this partner, Xinbai’s has just opened its doors, and it will be as frosty as it is.

See Bai Yi's complexion.

The high-level next to him quickly said:

"President, are you... okay? Maybe Lin Fan is just joking? Don't take it to heart!"

Hear this!

Bai Yi waved his hand, looked at Lin Fan with disappointment and said:

"Lin Fan, you... let me down too much! Do you know what the situation is with our Xin Bai family now? You know because you interrupted Leng Bufan's Leg, how difficult is it for us to find a partner like Tiansheng Group?"

"And now..." That's it!

Bai Yi swallowed a little bit more, her beautiful eyes were red, and her grievance broke out completely:

"Why! Why can't you help, but you keep dragging me back!!!"

Finished!

Bai Yi ran into the office while crying.

Almost everyone can hear the frustrated crying from the office.

Senseless!

At this moment, after seeing this scene, the surrounding high-level officials finally believed a little bit.

Especially, when they thought that it was Lin Fan who broke Gao Shengyuan's leg, everyone's expressions were hard to see the extreme.

"Lin...Lin Fan! How can you do this! Do you know that President Bai has been preparing materials for three days and three nights in order to negotiate cooperation with Tiansheng Group, without closing his eyes! You are like a broom star!"

Yeah, it's over! We're going to open in a few days! Without the material supplier of Tiansheng Group, then our new Baishi will stop and start a business!" Mobile phone terminal:

“...”

One by one, high-level officials kept accusing Lin Fan.

In a blink of an eye, everyone glared at Lin Fan, disappointed and disgusted, and then left in full resentment.

quickly!

Only Baishan and Lin Fan are left here.

Looking at Lin Fan, the corners of Bai Shan’s mouth could not help but show a wry smile.

He just sent a letter, his son-in-law has really changed.

Lin Fan used to be cowardly and kind, but now!

It is simply a demon.

Break someone’s legs at every turn.

Until now, Baishan has even been unable to count how many people’s legs and feet Lin Fan has interrupted.

“Xiao Fan!” Bai Shan said with a serious face looking at Lin Fan.

Heard this.

Lin Fan’s mouth twitched, and then said disappointedly:

“Dad! Do you want to blame me too? You think I’m doing something wrong?”

Chapter 837

Lin Fan did not give a single explanation or refute to Bai Yi and all the accusations made by senior officials.

Because for him, there is no need!

Even if he lost the partner of Tiansheng Group, he still had ten million ways to make the new Baishi rise wildly.

And this has a premise.

It is whether Bai Yi and many high-level officials trust themselves, if they trust him, he will do it, and if they don't trust him, what is the relationship between Xin Baishi and him.

just!

What surprised Lin Fan was.

Bai Shan shook his head, and then said with a serious face:

“Xiao Fan, whether it is me, your mother, or Bai Yi, we are all your family members. We will do everything you do. Trust you unconditionally!”

“Even if you interrupt Gao Shengyuan's legs, I believe you have your own reasons!”

Huh?

Lin Fan was slightly taken aback.

He didn't expect that he caused trouble to the Xin Bai family, but his father-in-law Bai Shan actually believed in himself so much.

This is more than that.

Hakusan pointed white smile office in Iraq, said:

“!! Xiaofan, you do not blame Baiyi Gang was angry mainly because she was too look back Pak Group, and she can not wait to prove himself,”

“Once she After crying, she will definitely understand you, and...support you!”

Hear this!

Lin Fan's heart couldn't help but a trace of warm current flowed through it.

“Okay! Go and coax Bai Yi!”

After saying that, Bai Shan patted Lin Fan on the shoulder and left straight away.

Until everyone walked away.

Lin Fan glanced at Bai Yi's office, then bit his head and walked over.

The office is unlocked.

When Lin Fan pushed open the office door, he saw Bai Yi wiping tears while taking a peek at Lin Fan who came in, and said angrily:

"Why are you still not leaving? Do you want me to scold him? Do you have a meal?"

Although his tone was cold, Lin Fan heard that Bai Yi's words were no longer angry with him.

"Wife!"

Lin Fan stepped forward, grabbing Bai Yi's neck from behind.

But this time, Bai Yi's body was slightly stiff.

Especially, sensing the warmth of Lin Fan's body and the trace of strong ferocious aura, Bai Yi's pretty face with pear blossoms and rain suddenly appeared blush:

"You...what are you doing? This is the office." !"

After saying this.

Bai Yi only felt that his heartbeat was accelerating, and immediately changed the subject:

"Can you tell me now why you interrupted Gao Shengyuan's leg?"

Finished!

Bai Yi stared straight at Lin Fan.

Just now, she was also dizzy with Lin Fan's anger. She didn't remember until now, she didn't even ask the reason, and then blamed Lin Fan.

At the moment, Lin Fan didn't conceal the least, and told Bai Yi about Xun'er and the blind mother-in-law.

Chapter 838

And after listening!

Bai Yi's pretty face was instantly angry from white to red, from red to purple!

Until the end, gritted his teeth with hatred!

Bang!

Her jade hand was slapped on the desk fiercely, her face full of anger:

"How come there is such a beast!"

"One is to buy the courtyard, hesitating to kill human life, and treats human life like an ant! The other is for money and treats relatives as gangsters!"

Damn it! Damn it!"

Bai Yi finished!

Her breasts fell together with anger.

Then he turned his head to look at Lin Fan, a deep apology appeared on the pretty face : "Yes... I'm sorry! Lin Fan, I shouldn't accuse you, you did it right! And even if you let Master Dao kill you I will not object to them either!"

Bai Yi was obviously blown up.

And looking at Bai Yi's angrily appearance, and then at her pretty face, the tears that hadn't even wiped away.

Lin Fan's heart couldn't help but warmed slightly, and then he put Bai Yi in his arms.

"Thank you, wife!"

Lin Fan said softly to Bai Yi's ear.

But when the heat spread all over Bai Yi's ears, Bai Yi's body suddenly slumped.

"You...you let me go, this is the office..."

Bai Yi only felt that every time he was held in his arms by Lin Fan, it seemed as if he had lost his strength and was weak.

And just when she wanted to struggle.

The corner of Lin Fan's mouth curled, and then his lips moved, and he instantly kissed Bai Yi's lips.

Oh oh...

Bai Yi's beautiful eyes were round, her red lips were completely blocked by Lin Fan, she only felt as though she was suffocated for a while, and she couldn't even breathe.

At this moment, Bai Yi was completely confused and infatuated, and her delicate body was completely hung on Lin Fan's body.

Especially, when Lin Fan's tongue pried away his white teeth, and her fragrant tongue, entangled tightly.

boom!

Bai Yi only felt that his whole head was completely blank, almost fainted.

This was her first kiss. She had never thought that she would hand over her first kiss to Lin Fan under this circumstance.

"Woo...Lin Fan..."

Bai Yi whispered softly.

Completely plunged into Lin Fan's siege strategy.

This is more than that.

Bai Yi could feel that Lin Fan's claws were constantly wandering on her body, and every time she wandered, Bai Yi's body became weaker and weaker.

Huh!

When the buttons were untied, Bai Yi shuddered all over Lingling, completely waking up from that kind of disorientation.

"Lin Fan, no...can't be here!"

Bai Yi's pretty face was red.

At this moment, she had completely accepted Lin Fan physically.

But it was the first time for her, she could not accept to hand over herself in the office.

Chapter 839

At this moment, Bai Yi was tempting to the extreme.

Her pretty face was like a ripe apple, radiant red.

...

Time, slowly passing by.

After the news that Gao Shengyuan and others were deposed, the speculation about Grandmaster Lin gradually dissipated.

Especially, with the opening of the new Baishi Group, it is getting closer and closer.

Everyone's attention began to gradually shift to the new Baishi Group.

Almost all people in Jiangshi want to know what news will break out when the new Baishi Group opens.

after all!

Almost everyone is rumoring that Lin Fan abolished Leng Bufan, and even interrupted He Jiaojiao's leg.

In the eyes of everyone, for the two great masters of Leng Aotian and Helanshan, this is absolutely a shameful thing.

It's impossible to give up like this!

quickly!

Today, it has reached the day when the new Baishi Group opened.

The Blue Ocean Building has been re-decorated, with banners hanging above the building.

What has been arranged here is extremely grand and grand.

Bai Yi, Baishan, Lin Fan, and all the new generations of senior executives from the New Bai Group have

already arrived here early.

however!

As time passed, something embarrassing happened to everyone.

Not a single guest, come to congratulate!

Whether it is those groups that have already negotiated cooperation, or companies that are ready to cooperate with New Baishi.

No one was there.

Chapter 840

“President, what should we do now? It seems that our opening this time has been completely messed up!” A senior executive with a dissatisfaction approached Bai Yi and asked.

While talking, his gaze swept towards Lin Fan, and said angrily:

“All this must be because of him! He interrupted Gao Shengyuan’s leg, and it is said that he also abolished Leng Bufan! We Xin Bai clan It has offended such a terrible enemy before it even opened the business. Isn’t this looking for death?”

At this moment, it’s not just this high-level man.

The rest of the senior executives also looked gloomy and said one after another:

“I feel Mr. Zhang is right! President, your husband is really too much! He made such a trouble and put all our efforts this month into practice. The water is flowing!”

“Yes, now our New Baishi Group has just opened, and we have encountered Waterloo, then what will we do in the future? I am afraid that Jiangshi, without a company, dare to cooperate with us!”

“...”

Many high-level executives, The voices of dissatisfaction came one after another.

And hear these words.

Bai Yi’s pretty face is slightly ugly.

She scanned everyone present, and then said in a deep voice:

“Okay! Needless to say, for what Lin Fan did before, after I confirmed the reason, I... agree!”

What!

Bai Yi’s statement made the dissatisfied high-level people around him completely dumbfounded.

One by one looked at each other.

They remember that just a few days ago, the president was furious with Lin Fan about this matter.

Especially that kind of fierce emotion, I can’t wait to draw a clear line with Lin Fan and get a divorce directly.

And now...

this attitude is an earth-shaking change.

Seeing Bai Yi’s resolute appearance, the many high-level people around, no matter how much dissatisfaction they felt, they could only swallow into their stomachs alive.

And see this scene!

Lin Fan smiled slightly:

“Don’t worry, everyone! I can assure you that not only will it be very lively today, but our New Bai Group will have a good start, and this red will surely dominate the city!”

Wow!

Lin Fan’s words are arrogant and arrogant! Mobile phone: It just fell in the ears of all the high-levels, causing everyone to be in an uproar.

One after another, the eyes that looked at Lin Fan were as if they were looking at a madman.

“Oh my God, does this guy know what he’s talking about? It’s almost ten o’clock now, there is no one! He actually said that we will have a good start?”

“Yeah, it’s not ashamed! He even said, this red, Dominate Bajiang City! Isn’t this a joke?”

“Crazy man! This guy brags to find the wrong time, find the wrong place!”

“...”

Many high-level officials talked a lot.

And almost everyone looked at Lin Fan as if they were looking at a madman.

Chapter 841

Not only everyone.

Even Baishan and Baiyi’s father and daughter were speechless for a while.

“Lin Fan, don’t talk anymore!”

Bai Yi only felt a hot spot on his face.

Now, they were already extremely embarrassed, and Lin Fan’s bragging was more like hitting himself in the face, making Bai Yi angry and angry.

just!

Lin Fan seemed unaware, he smiled and said to Bai Yi:

“My wife, don’t worry, I will give you a big gift today!” A big gift?

The corners of Bai Yi’s mouth were full of bitterness.

She wanted to know when her husband would get rid of this bragging habit.

Wait...

husband?

When the word ‘husband’ appeared in Bai Yi’s mind, she was shocked.

She completely, did not expect that she would completely regard Lin Fan as her husband without knowing it.

“Is it after that time from the office?”

Bai Yi thought for a while, only to realize that after that day from the office, she seemed to have accepted Lin Fan completely.

He has completely regarded him as the husband of his life.

just!

When thinking of a few words in the office, Bai Yi's pretty face blushed again.

She couldn't forget how she bit Lin Fan so loudly.

Pouch!

Thinking of this, Bai Yi was completely amused by himself.

And at the moment!

The people around were dumbfounded.

When they saw their glamorous beauty president, they seemed to be indulged in their own fantasy.

The pretty face flushed for a while, and then amused herself again.

This...

"Oh! It's over, our president was drugged by that kid!"

"Yeah! This is completely the performance of a young woman in love! I didn't expect that it would appear on our president!"

"Oh ! I really don't understand, what is the charm of that guy, that fascinated our president like this!"

"..."

At this moment, the many high-level executives around, looking at Lin Fan one by one, were full of jealousy and weirdness.

The look was like looking at cow dung stuck in a flower.

Hoop!

But at this moment!

But I heard footsteps coming from outside the building.

Then I heard the welcoming voice resounding:

“Tiansheng Group Chairman-Gao Zhilong, bring Gao Shengyuan, here!”

What!

After hearing the words Tiansheng Group.

The atmosphere in the hall suddenly became serious.

They knew that within the last few days, the relationship between the New Bai family and the Tiansheng Group had reached a terrible level, especially when Lin Fan abolished Gao Shengyuan, which completely broke the relationship between the two parties.

And now, if the other party comes to the door in person, it must be a bad person.

Chapter 842

Swish!

Everyone in the Xinbai clan looked toward the door with all their gazes.

And just under their gaze, they saw a middle-aged man with a national character face, pushing a wheelchair, followed by a group of men in suits and leather shoes, stepping in.

On the wheelchair, it was Gao Shengyuan.

“Heh! It’s so lively, there isn’t even a ghost!”

Gao Shengyuan, who was in the wheelchair, glanced at the people in the hall just now.

When he confirmed that there was no outsider in the hall except the people of the New Bai Group, the smile on Gao Shengyuan’s face became more and more playful:

“Hahaha! President Bai Yi, Lin Fan, in front of our father and son Come to congratulate you! “Say

!

Chairman Gao Zhilong, pushing his son Gao Shengyuan, has come to the front of everyone.

When I saw the father and son, and a group of senior figures from the Tiansheng Group behind him.

The senior officials of the Xinbai clan were panicking.

Quickly greeted and said:

“! High Dong Thank you for coming, for your son Lin Fan and resentment, but also look high Dong forgive me, after all, business is business relationship and hope it will not affect the cooperation between us!!”

“Yes Ah, Gao Dong, if you and your son are dissatisfied, we can ask Lin Fan to make amends to you!”

“...”

Many senior officials of the New Bai Group are obviously unwilling to offend Gao Zhilong and his son.

Only after hearing their words.

A thick sneer appeared on Gao Zhilong’s face:

“Apologize? Forget it, our father and son can’t afford Mr. Lin’s apologize!”

Gao Zhilong said this, his eyes turned, and he couldn’t help looking at Lin Fan viciously.

In his eyes, there was a strong ferociousness and hatred:

“Mr. Lin, thank you for helping me teach Houzi! Interrupting Houzi’s hands and feet, and abolishing the kindness of the thirty-six members of my Tiansheng Group! We naturally want to Good news!”

What!

Hear Gao Zhilong’s words full of resentment.

All the senior officials of the New Baishi Group turned pale and pale in an instant.

especially!

They saw that Gao Zhilong took a contract from a secretary, and then threw it on the ground:

“This is the termination of the contract between our Tiansheng Group and your Xinbai family!”

“From then on, your Xinbai family, Don’t want to get a single cent of raw materials from us!”

Gao Zhilong said grimly.

And the words came out!

Wow!

All the senior officials of the New Bai Group panicked.

Is it finished?

The cut-off of cooperation with the raw material suppliers of our own group is definitely a head-on blow for New Bai’s.

It’s just more than that.

“That’s right! Today is the day when your New Bai Group opened, and my gift from someone Gao is naturally not so simple!”

Gao Zhilong and Gao Shengyuan and his son looked at Lin Fan and Bai Yi with a sorrowful smile.

Then, Gao Zhilong raised his hand and slapped him fiercely!

Chapter 843

Happiness!

With this applause resounded.

Suddenly, from the door of the building, there were welcoming voices again:

“Zhou Linglan, Chairman of the Linglan Group, here!”

“Chairman Song Jia of Harvest Group, here!”

“...”

Voices rang again after another. thorough.

And after hearing the names of these people who came, the faces of all the senior officials of the New Bai Group were completely pale.

Because of these people, almost all the material suppliers in Jiang City and several nearby cities are included.

In the shocking sight of everyone!

One after another, figures came in from the door, hailing.

Look at these suppliers who look bad.

Whether it is Bai Yi, Baishan, or all the senior leaders of the New Bai family, each of them looks as pale as paper.

“Okay! Everyone can present gifts!”

Gao Zhilong smiled sensibly.

And as his words fell.

Suddenly, a famous supplier stepped up:

“President Baiyi, sorry, our cooperation must be terminated!”

“President Baiyi, starting today, we will stop all supply of materials to New Bai’s!

” .....”

Voices resounded endlessly.

Without exception.

It turned out that all were terminated and cut off cooperation.

In the blink of an eye, when the words of all suppliers fell, Xinbai’s raw material supply channels announced that they had been cut off.

This scene!

Let all the people of the New Bai Group look ugly as if dead gray.

Especially those high-ranking members of the New Bai family, looking at Lin Fan, were full of anger.

Just now, this guy was not ashamed, saying that the group will have a good start.

And now it's better!

No red, there is a black door!

It can almost be announced that the new Baishi is completely finished.

Just now!

Lin Fan didn't seem to see the angry eyes of many high-level executives. His gaze swept across suppliers one after another, and the smile on the corner of his mouth became more and more intense:

"Okay! I, for President Bai Yi, agreed to everything! "If the contract should be terminated, all terminate the contract! If the cooperation is cut off, the cooperation will be cut off forever!"

What!

In a word, everyone in this place was all confused.

accepted?

You know, normally speaking, if the partners such as Tiansheng Group have already signed the contract, if the other party wants to terminate the contract, he must pay a lot of liquidated damages.

But everyone did not expect that Lin Fan had not mentioned the penny penalty at all, and directly agreed to resolve it.

This...

Boom!

All the senior officials of the New Bai Group were almost blown up with anger.

spendthrift.

You know, Lin Fan's words are almost 100 million yuan of liquidated damages that they will get, and they have no life to say. This makes them not angry.

instead!

Gao Zhilong and the others were also slightly dazed.

And when they reacted.

boom!

All burst into laughter.

Chapter 844

“Hahaha...Okay! It’s still fun for Mr. Lin Fan, if that’s the case, then you can sign! By the way, it seems that the liquidated damages we prepared are now saved!”

“Hahaha... Once I saw such a generous person! Lin Fan, you are such a talent, hahaha, the Xinbai clan will definitely be played by you!”

At this moment, Gao Zhilong and Gao Shengyuan and his son looked at Lin Fan as if they were looking at one Like a big idiot, he laughed abnormally.

And see this scene!

Bai Yi’s pretty face was also gloomy, almost dripping with water.

Obviously, she also did not expect that her husband would be so stupid, and the liquidated damages that he could obviously charge, she could only watch as she was in the water. ,

“Wife. Believe me! Sign it!”

Huh?

Hearing Lin Fan’s voice, he was looking at his confident appearance.

Even if Bai Yi did not understand his behavior, he still chose to support it.

“Okay!”

Bai Yi nodded immediately, and then the surrounding waiters picked up the cancellation contracts from the ground and brought them to Bai Yi.

Bai Yi didn’t say a word, sigh sigh, signed his name one after another.

Depressed!

At this moment, the voice in the hall was only the sound of the pen signed by Bai Yi.

And all the high-ranking members of the New Bai Clan were bleeding, and they were even more angry with Lin Fan to a trembling level.

crazy?

They didn't expect that not only Lin Fan was crazy alone, but even President Bai Yi, who was usually extremely calm, was just as crazy as Lin Fan.

It's just that now, it's done, and it's useless to say anything.

When Bai Yi signed all the contracts, all the names took effect.

The welcoming voice from Xiamen Gate came again:

"Leng Bufan, son of Leng Kang, President of Shengshi Group, here!"

"He Jiaojiao, granddaughter of Lanshan Group Chairman Helanshan, here!"

What!

When you hear these two names. Mobile terminal:

Whether it is Bai Yi or all the senior officials of the New Bai Group, their expressions are brushed, and they turn pale.

The fiercest villain finally... came home.

Shengshi Group!

Lanshan Group!

These are the two most powerful chaebol groups in Jiangnan Province.

And Leng Bufan and He Jiaojiao, even in the provincial capital Jiangnan City, are definitely the top second-generation members.

And now!

It is definitely a disaster for the New Bai Group to come together.

All of a sudden.

All the senior officials of the New Bai Group, with their faces gloomy, almost dripping with water, they glanced at Lin Fan's gaze, wishing to eat the troublesome spirit.

Hoop!

And just in the panic of everyone.

A group of figures walked in from the door.

Headed by are two wheelchairs.

On the left side of the wheelchair, there was a young man sitting, his face pale as paper, and his eyes were filled with arrogance and coldness.

On the wheelchair on the right, there is a coquettish woman with a cast on her leg, her pretty face is full of resentment and resentment.

Chapter 845

It's more than that!

Bai Yi and others saw it.

Behind the wheelchairs of Leng Bufan and He Jiaojiao, young men and women followed.

Zhou Nan, Bai Yifan, Shen Jie, Lin Guangyao...

all of them turned out to be people who had hatred with Lin Fan.

Huh!

Bai Yi's pretty face was as white as paper, and her beautiful eyes were filled with worry.

On the contrary, Lin Fan narrowed his eyes slightly, and a smile appeared at the corner of his mouth:

"Interesting, today's enemy, but it's true!"

What!

Listening to Lin Fan's Di Gusheng, and the many senior officials of the New Bai clan next to him, one by

one looked at him like a fool.

Quante is the enemy of this product.

They simply can't imagine how this guy can cause trouble to take over so many enemies.

especially!

At this moment in the hall, there are...three wheelchairs!

Nima!

Does this bastard work for a wheelchair factory?

Why do her enemies like to be wheelchairs so much?

It's not just the high-levels of these new Baishi Groups, they are full of weird faces.

Even after seeing Gao Shengyuan's wheelchair, even Leng Bufan and He Jiaojiao twitched the corners of their mouths.

"Lin Fan! Let's meet again!"

Leng Bufan's eyes fixedly stared at Lin Fan, as if looking at a strange enemy:

He Jiaojiao, who was next to him, also looked at Lin Fan, gritted his teeth with hatred. :

"Boy, I said, you interrupted my leg! I will definitely make you better than dead!"

What!

Hearing He Jiaojiao's sullen words, Bai Yi was dumbfounded.

She remembered that that day He Jiaojiao broke her mother Shen Yumei's leg, and after that, although Lin Fan uttered wild words, he said that He Jiaojiao could not walk out of the hospital today.

In the end, He Jiaojiao was really interrupted.

However, the person who interrupted He Jiaojiao's leg was the genius doctor Lin?

What's the matter with Lin Fan!

Thought of this!

Bai Yi hurriedly said:

“Miss He, are you misunderstanding? The matter of your broken leg seems to be...it has nothing to do with Lin Fan!”

It doesn't matter?

He Jiaojiao was amused by this sentence.

On her pretty face, there was a thick arc, and she looked at Bai Yi as if she was looking at an idiot:

“It doesn't matter! If it weren't for this bastard, how could I break my leg!”

Wow!

After hearing this, Bai Yi's complexion was completely pale.

She didn't link Lin Fan with Lin Fan. At the moment, she just thought that the reason why He Jiaojiao hated Lin Fan was because Lin Fan's crow's mouth was opened.

“What do you...what do you want?”

Bai Yi looked at Leng Bufan and He Jiaojiao and couldn't help but bite the bullet and asked.

how about it?

And heard this.

Leng Bufan and He Jiaojiao said almost in unison:

“What we want is very simple, and that is to let this bastard break his limbs and make him... life is better than death!”
