## Chapter 867

As he watched Jiang Hao slowly rise into mid-air, the corners of Chen Shilong's mouth twitched a little in disbelief as he looked at him.

'This, what's going on, why do I suddenly feel as if he doesn't exist. But obviously he's right in front of my eyes, why is this happening!'

Zhao Tianzhong also stopped the movement of his hands and looked at Jiang Hao with a surprised face, but he quickly reacted.

With Lin Yan in his hand, he said angrily, 'You want to play don't you. It looks like this woman is very important to you, if you don't want her to die a miserable death. It's best to be more obedient to me!'

Jiang Hao looked at Zhao Tianzhong with a fierce smile at the corner of his mouth, and raised his arm slightly, and an invisible force slammed into Zhao Tianzhong like a cannonball!

Out of his instinct to survive, Zhao Tianzhong hurriedly rolled to the side to avoid Jiang Hao's attack.

At the same time, a big crater appeared where he had just stood, and a few drops of cold sweat seeped out from his forehead as he looked at the crater.

Then he turned his head to Jiang Hao and said angrily, 'Are you crazy! Look at who I'm holding in my hand! If you dare to do that again believe it or not I will immediately make you never see her again in your life!'

Old Black was already sitting on the ground, looking at Jiang Hao, who was in mid-air, with a twitching expression.

It was not the first day he had met Jiang Hao, and he had already felt familiar with him after a long time together, but now he looked at Jiang Hao's appearance.

In his heart, he only felt unfamiliar and did not have any hint of familiarity. Even the way Jiang Hao looked at them had become so cold and heartless.

'Jiang Hao! Are you out of your fucking mind! Look clearly at who he's holding, calm down!'

At this moment the expressionless Jiang Hao heard this and glanced down at Old Black indifferently, a trace of doubt flashed in his eyes, as if he had really forgotten what this place was and what kind of person Zhao Tianzhong was holding!

Chen Shilong hurriedly came up to Zhao Tianzhong's side and whispered, 'Something is wrong with the situation, I can't feel him at all in my sense of awareness, not to mention his power!'

After hearing this, Zhao Tianzhong glanced at Chen Shilong, then sized up Jiang Hao closely and spoke hesitantly for a moment, 'This kid looks simply insane now, yet his power is still so terrifying. What should we do?'

Grabbing Lin Yan in his hand, Zhao Tianzhong knew very well that at this moment she was a hot pill, not only could she not threaten Jiang Hao, but she might also attract Jiang Hao to attack him!

Sally was caught in Shen Wennian's hand, and a hint of despair flashed in her eyes as she looked at Jiang Hao.

Section 13's internal files contained many records of martial artists who had gone off the rails in their cultivation, and at this moment, Jiang Hao already looked like he had gone off the rails to Sally!

He had been unable to suppress his demons before, and when he faced Sanniang just knowing that they were Shen Tianyang's men would go berserk!

That bloody scene in the warehouse still gave Sally chills when she thought about it. And at this moment, looking at Jiang Hao's current state, Sally felt even more desperate!

'You're all finished. You're all finished, hahaha, no one here is going to leave today!'

When Shen Wennian heard these words, he slapped Sally twice, then with a furious face, he grabbed Sally's neck and shouted, 'Even if I have to die. I will make you bury me too! Stop him now!'

Sally looked at Jiang Hao with some difficulty in breathing and smiled, her arm was a bit weak as she reached up and pointed at him, but eventually she dropped it.

Old Black saw such a scene and shouted, 'No!'

But Jiang Hao in mid-air seemed to be enraged, and his finger tapped out. A cold ray then penetrated Shen Wennian's eyebrow, and Sally only just fell off his arm!

A third-rank martial artist could not last a single move in front of Jiang Hao at this moment!

Zhao Tianzhong and Chen Shilong were so frightened by this scene that they began to tremble, especially Zhao Tianzhong, who felt a real sense of powerlessness in the face of death at this moment!

There was nothing he could do, nothing he could do to stop it, but to watch himself being swallowed up by death little by little!

With a single bound, Old Black rushed over and picked up Sally, who was lying on the ground. After looking at her unconscious appearance.

After a few moments, Sally opened her eyes with a light cough.

Old Black looked at Sally's somewhat confused look. His face was so excited that he was on the verge of tears!

Seeing this, Chen Shilong hurriedly raised his hand and slowly stepped back while laughing, 'Hey, we don't have to go to this extent, do we. Enough people have died today, it's time to stop, right?'

Hearing Chen Shilong's words Old Black did not open his mouth to answer. But the hatred in his eyes was clearly conveyed to Chen Shilong.

Zhao Tianzhong was also following Chen Shilong at this moment, slowly backing up, with Lin Yan in his hand as a meat shield in front of him, guarding against a sudden attack by Jiang Hao!

While backing up they glanced at Shen Wennian, no matter what, with this mess today, they had finally let Shen Wennian die at the hands of Section 13.

Even though Shen Wennian was killed by Jiang Hao, Shen Tianyang naturally had a way to make Section 13 take the blame after knowing about this!

As Jiang Hao watched the two slowly retreat, he floated along with them, and as he flew, he gathered two clean white True Qi bombs in his hands.

'You like pain, you should feel pain.'

After finishing his sentence, the two True Qi bombs in Jiang Hao's hand flew towards Zhao Tianzhong and Chen Shilong!

Zhao Tianzhong did not want to be buried with Lin Yan, so seeing that he might not be able to dodge them, he simply threw Lin Yan out and then flew to the ground.

But to his surprise, Jiang Hao grabbed Lin Yan in his arms like a ghost and hit Zhao Tianzhong's legs with a real qi bomb in his hand.

Chen Shilong's mouth stiffened as he watched Zhao Tianzhong's legs fade away like snow melting into water!

Watching Jiang Hao carefully place Lin Yan on the ground, he took a step back and spoke, 'No, no, you can't do this to me, you need me!'

Old Black also put down Sally and slowly walked forward towards Chen Shilong, a long knife drawn out of his hand at some point, flashing with a cold aura.

The twenty beast guards around him also slowly surrounded Chen Shilong, and Ning Kun also walked down from the car at this time, holding a somewhat strangely shaped gun in his hand, and was pointing it at Chen Shilong.

Chen Shilong didn't care about these people in front of him, even Old Black didn't care about them.

The biggest threat was only one person, and that was Jiang Hao, who had lost his mind at that moment.

Chen Shilong could clearly feel that Jiang Hao was looking at himself as if he was looking at a piece of meat that was moving, without any pity in his eyes, which made him feel afraid!

‘You can’t do this to me, you need me, you need me to tell you Shen Tianyang, you need me to help you with Hedong! I know a lot of things!’

Chapter 868

Ning Kun laughed sorrowfully before raising the lance in his hand and pointing it at Chen Shilong, a shot was fired and Chen Shilong’s arm flew up.

He laughed at Chen Shilong’s painful appearance and said with a grim smile, ‘This is to avenge Miss Lin!’

Old Black charged up with the long knife in his hand and laid down a sweeping blow. Where the blade went, Chen Shilong’s legs went cold and he couldn’t feel his legs anymore!

Old Black looked at him as he fell to the ground and gritted his teeth and laughed, ‘This is to avenge the lady, we are considered to be cleared.’

After saying this he turned around and went back to the car with Ning Kun carrying Sally who looked a little confused, no matter what was happening here. Sally had to hold on up.

At the moment Chu Jiang was still waiting for her, the new team leader, and Sally didn’t even have time to feel sad.

Jiang Hao looked indifferently at Chen Shilong who was looking at himself with a fearful face. A milky white glow gradually coalesced on his hand on his arm.

‘Pain? Do you like this kind of pain, I will slowly let you experience it!’

As soon as the words left his mouth, Jiang Hao’s hand swung through, and Chen Shilong’s last arm was thus chopped off to the ground, and he finally passed out happily.

Looking at the messy scene, Ning Kun slowly lit himself a cigarette and then went to stand beside Jiang Hao and brought it to his mouth, only to be surprised to find that Jiang Hao had passed out just standing there.

Old Black took a look at Ning Kun and then at Jiang Hao and sighed helplessly: ‘What are you still waiting for, hurry up and call someone to come and clean up the scene. Also put the car in order and hurry back first!’

Ning Kun nodded after hearing this, helped Old Black stand up from the ground, then picked up Sally and went back to the car.

The twenty beast guards also hurriedly began to clean up the scene, collecting the ashes of the twenty beast guards who had died earlier and carrying them into the car, along with the bodies of the men who had just died.

Fortunately, they drove several cars when they came out, otherwise there might not have been enough room for so many!

At the same time when such a big thing happened on the Northern side, Shen Tianyang, who received a tip-off on the Chujiang side, also knew about these things.

Hearing that Chen Shilong and Zhao Tianzhong and Shen Wennian had all died tragically under Jiang Hao, his face couldn't help but turn a little heavy.

Although there was a certain difference in strength between a rank three martial artist and a rank four martial artist, they definitely could not achieve this crushing effect!

Thinking of this, Shen Tianyang stood in front of the window with his hands behind his back and quietly looked outside. In his mind, he couldn't help but think of how strong the Shen Clan Family was back then!

'This day, I'm afraid it's going to change, I didn't think I would still do the stupid thing of letting the tiger back into the mountain, it looks like that little bastard has already climbed up!'

At this moment, Elder Lin of the Lin Family in the Northern Province was also hastily packing his things and was on his way to the Tianzhu Villa.

He still heard about this matter of Lin Yan heading to the airport from his subordinates later, saying that Lin Yan intended to go out for a trip to relax properly and think about himself in the meantime.

At first, Elder Lin did not take this matter to heart. But later on, after hearing about what happened on the airport road, Elder Lin's whole body went silly!

When he called Jiang Hao's phone again. When he called Jiang Hao's phone again, he was told that it was switched off and no one was answering, and only then did he realise that something was wrong!

After hurriedly going out, he found that at this time many people from the Magnificent Family were on their way to the Tianzhu Villa, and even that old man Chen Jingdao was also following on the road.

The Xue family's Xue Chongli's car was also among them. Looking at these people, Elder Lin's heart was even more unpleasant.

When they arrived at the Tianzhu Villa, Ning Kun at the entrance was picking up and dropping off the crowd in a smart suit.

Just after Chen Jingdao and Xue Chongli both went in, Elder Lin walked up and looked at Ning Kun and asked, 'Your old boss. Is he at home at the moment?'

Ning Kun looked at the look on Master Lin's face and thought of Lin Yan missing an arm, his face immediately became a little unnatural and he said, 'Don't worry, our boss is here, but he has to wait a little, you can go in first and sit for a while.'

In this way, Master Lin followed him inside in a daze and found that there were quite a few people gathered here at this time.

When Chen Jingdao saw that Master Lin had arrived, he took the initiative to walk up to him and patted him on the shoulder, 'Old man Lin. You're here too, how's it going? Nothing happened at home, right?'

Hearing these words, Old Master Lin's heart panicked. Looking at Chen Jingdao, he said with some concern, 'I don't know, Yan'er said she was going on a trip today. On her way to the airport, I don't know if she has run into this matter.'

Xue Chongli, who was sitting on the side, was silent for a moment after hearing this, and then came forward to stand beside Elder Lin and said, 'Don't worry, I've seen Yan'er's child, fortune has its own destiny, nothing will happen to her.'

Hearing the two men's reassurances, Elder Lin nodded with a soft sigh and said, 'I hope so, I hope nothing will happen to her.'

Many people knew that what had happened on the airport highway was not only about Sally, but there was even Shen Wennian among them.

Many of the people present basically had some sort of beef with Shen Wennian, with Chen Jingdao being considered the best of the bunch.

Although they were not worried about reprisals from Shen Wennian, these people from small families were worried about being hit by Shen Wennian, which is why they all gathered here at the Tianzhu Villa, hoping that Sally would give them an answer.

Who knew that after coming here Sally would avoid seeing them, not knowing what had happened in the end.

At this moment, Old Black was standing in the corridor, smoking a cigarette anxiously.

Such a scene was completely beyond his control, and Sally was sitting in the room in silence as if she hadn't come back to her senses yet.

Finally after a few moments, Ning Kun walked somewhat urgently into Sally's room and looked at her and said in a deep voice: 'Old Chief, everyone with a little bit of status in the North House has come over, what should we do, why don't you go out and meet them?'

Sally ignored Ning Kun's words and continued to look down at her hands.

At this moment, it was as if Sally could see the blood on her hands, both her own and Lin Yan's. It wasn't that she couldn't hear Ning Kun's words.

It wasn't that she couldn't hear Ning Kun's words, nor was she unaware of the importance of the matter, but at the moment Sally really didn't want to talk to anyone!

Old Black saw that Ning Kun hadn't invited Sally out for half a day, so he walked in somewhat anxiously and looked at Sally sitting on the bed and said in a deep voice: 'Old Chief, it's time for you to wake up, they're not people who can just be sent off.'

After saying this Old Black let out a deep sigh.

'What happened on the airport highway affected not only them, even many of us internally have been affected, thirty beast guards died before and after the North Mansion alone, the headquarters side is also calling to ask what is going on!'
