

Catch Me If You Love Me

Chapter 88

Liam Lu turned around and was about to enter the ward. Hearing Logan Fu's words, he paused before turning around.

He squinted his eyes and looked at Logan Fu for a moment, and suddenly laughed coldly.

"You may not know. Not long ago, your old man detained my woman and blackmailed me. Not only did he take away my 30 million, but he also hurt my leg. I remember that I haven't accounted for this."

As Liam Lu said, following Logan Fu's appearance, he looked at him with a smile.

"Or, we can count it together now, too."

Logan Fu slumped instantly, his face suddenly cold.

"you!"

But only for a moment, Logan Fu gritted his teeth and laughed abruptly.

"Okay. Liam Lu, count you cruel! This time, count me as dumb. But..."

Logan Fu suddenly smiled strangely.

"There is an old saying that no one can escape the causal cycle in this world. How cruel you have put on Zoey Gu today, and how much you will carry on her in the future. I will wait to see. !"

Zoey Gu woke up faintly, it was already the evening of the next day.

One side, I saw Liam Lu sitting on the back of the chair next to the bed, seemingly tired, closing his eyes and resting.

The ward is huge.

After she was in a coma, she and Alina Yin were moved to a larger ward at the same time.

At this moment, Alina Yin was sleeping deeply on another hospital bed not far away.

Hearing the slight movement by the bed, Liam Lu opened his eyes quickly.

“Woke up?”

Seeing that she was staring at him for a moment, she subconsciously leaned in and leaned over, reaching out to touch her forehead.

“Don’t touch me!” She suddenly said hoarsely, with unconcealable hatred in her eyes.

Liam Lu’s hand froze on top of her forehead, her eyes turned blue with a clear red under her eyes.

After looking at her quietly for a long time, he withdrew his hand.

He pulled the medical cart on the side and picked up the upper tray, as if nothing happened, he spoke deeply.

“It’s time to change the dressing on the hand, the wound is infected, will...”

Before he could finish speaking, Zoey Gu suddenly sat up from the bed, bent over and slapped the tray out.

Snapped!

The tray flipped to the ground instantly, and the potion and glass slag scattered all over the floor.

Her chest was undulating violently, and she looked at him with red eyes, biting with extra force.

“Did you take the police officer away?”

“Anna Yun’s affairs, under your intervention, will not be over. Right?”

Liam Lu looked at Zoey Gu quietly, looking at her like an angry little beast with its teeth and claws.

After a long while, he only said a word in a heavy voice.

“Yes.”

Snapped.

Another slap in the head!

“Liam Lu, I really wish that the person who died was you!”

As if very disappointed and hated, Zoey Gu gave him a gritted tooth, opened the quilt and got out of bed.

Within a few steps, a powerful hand suddenly stretched out behind her, grabbing her waist and pulling her back instantly.

She fell into the bed violently.

Before she could react, Liam Lu, who was sitting on the side of the bed, stood up abruptly and pressed her over!
