

Chapter 9

At this moment, Claire suddenly had an unbelievable thought in her heart.

Is the Wade in Doris's mouth just her husband Charlie?

But after another thought, she felt it was too magical to be true.

how could it be!

Charlie is an orphan who grew up in a welfare institution!

However, besides Charlie, who else in this world would treat her so well?

30 million is an extravagant hope, but the other party directly gave 60 million

She couldn't help but ask Doris: "Ms. Doris, may I ask, is your chairman's name Charlie?"

Doris sighed in her heart. The young master had ordered not to reveal his identity, and could only say that his surname was Wade to the outside world. If this was guessed by the young lady, wouldn't she have to go back?

So she hurriedly said: "Ms. Willson don't ask any more. Our chairman is behind Eastcliff's famous door. His identity is highly confidential and I have no right to disclose it."

Claire nodded lightly, and after Doris said the famous Eastcliff family, she suddenly recovered.

Charlie is an orphan, it can't be some Eastcliff famous door, it seems that she really thinks too much

When she came out of Doris's office, Claire was still dizzy.

What she held in her hand was the 60 million cooperation agreement between the Willson family and the Emgrand Group.

All this is just like a dream.

At the gate of the Emgrand Group, Claire saw Charlie's figure and ran up excitedly and said, "Charlie, I actually made it."

Charlie smiled secretly in his heart, your husband is the boss of the Emgrand Group, how could you fail to talk about it?

However, he pretended to be surprised and said: "You can negotiate such a difficult project. Wife, you are really amazing!"

Claire said: "Oh, this is not my great one, this is simply a gift from the Emgrand Group."

"What?" Charlie asked deliberately: "Why do you say that?"

Claire was afraid that she would say something about the chairman of the Emgrand Group, and Charlie would be jealous, so she hurriedly said, "Oh, this is a long story. Let's go to the company now and tell everyone the good news."

Charlie laughed and said: "Okay! This time, that b@stard Harold, has to abide by the betting contract and kneel and kowtow to me!"

Claire nodded, and said: "He usually has a high-level eye and no one is in the eye, so he should be taught a lesson!"

In fact, Claire also has her own temper. She wants that the people like Harold don't look down on her and her husband in every possible way. Now that they have negotiated a cooperation, they really want to restrain them in the future.

More than ten minutes later, the two came to the Willson Group.

In the meeting room, everyone in the Willson family looked strange.

They all know that Claire went to the Emgrand Group early in the morning, but everyone didn't believe that she could handle it, and they were all waiting to see her become a joke.

Unexpectedly, she would come back so soon.

When Claire and Charlie arrived in the meeting room, everyone showed sarcasm.

Harold said unceremoniously: "Oh, Claire, you are back in just half an hour? Did you even fail to enter the door of the Emgrand Group! Hahahaha!"

His sister Wendy also sneered: "Oh, sister Claire, she failed in less than an hour. You also broke the record, right?"

Old Mrs. Willson's expression also turned gloomy. The Emgrand Group project is indeed extremely difficult. Even if Claire fails to reach a conclusion, she should at least be cautious, right? It really made her angry to give up so quickly.

So, the Old Mrs. Willson stared at her and said coldly, "Claire, you disappointed me too much."

Charlie frowned immediately when she heard this.

This group is too disgusting, right? Don't ask about the outcome of the matter, let's make a mockery first regardless of whether it is indiscriminate or not?

Especially Harold, the tortoise b@stard, what the h*ll are you doing? He will kowtow later!

Claire was originally excited, but at this moment, everyone's words were undoubtedly pouring cold water. With anger in her heart, she said: "I'm sorry, I disappointed you all. The Emgrand Group's Doris has already negotiated with me for the Project cooperation!"

"What? You talked about it?"

"Impossible! How is it possible! You can't even see Doris's face!"

Everyone was stunned.

"Claire, do you think we will believe it?"

Harold came back to his senses and immediately slapped the table and said angrily: "Doris of the Emgrand Group is a well-known business elite in the city. How could she meet you? What identity do you have?"

Facing everyone's doubts and accusations, Claire directly took out the contract and handed it to Mrs. Willson: "This is the project contract of the Emgrand Group. Please have a look."

This contract is like a bomb, causing the atmosphere of these people on the scene to burst suddenly!

Harold still didn't believe it, and shouted loudly: "This must be her forged contract! I don't believe that she can handle the Emgrand Group!"

"That's it!" Wendy also added fuel and jealousy to the side: "How can she win the Emgrand Group's contract? This is a big project of 30 million! If she is able to it, I will have negotiated it!"

Claire sneered and said, "Cousin, you are wrong. This contract is not 30 million, but 60 million!"

"Get off!" Wendy grinned and said, "A contract of 60 million? Are you not embarrassed to say it! Are we really fools? You can sign 60 million, and I say I can sign 100 million! "

Harold also said with a cold face: "Claire, you are playing grandma and us as monkeys!"

After he finished speaking, he said to Mrs. Willson: "Grandma! At first this is a big treachery! You can't spare her!"

The Old Mrs. Willson also gritted her teeth angrily. She felt that 90% of the 30 million was worthless. After half an hour, Claire ran back and told her that she signed 60 million

Isn't this treating her as a fool in front of so many people?

Really be the head of the family for nothing?

This kind of unscrupulous offspring, if she can't drive out, how can she stand in the family in the future?

Old Mrs. Willson was anxious, slapped the table, and shouted: "Claire! Go to the personnel department to go through the resignation procedures immediately!"

Claire's expression was stunned. Are these people crazy? She opened the contract and took a look, can they still not believe?

At this moment, someone suddenly yelled: "f*ck! Emgrand Group's official statement is released! The 60 million contract is true!"

Chapter 10

With this roar, everyone was shocked.

Afterwards, everyone hurriedly took out their mobile phones and went to the official account of Emgrand Group!

really!

The official service account of Emgrand Group released a push!

The Emgrand Group's 2 billion hotel project signed the first partner. The group's vice chairman Doris and Aurous Hill Willson's representative Claire signed a 60 million decoration contract!

Seeing this title, everyone is crazy!

Claire actually talked about the project! And the amount doubled!

It has only been more than half an hour!

How could it be so easy? !

This is totally illogical!

Harold was shocked and regretted!

Before today, Claire was incomparable with himself in terms of status and identity.

If he accepted this task yesterday, no matter if he had negotiated it or not, he would not give Claire a chance to show her face!

In the end, he turned down because he was afraid of failure!

It doesn't matter if he refuse it, the key is that Claire actually made it!

This is simply slapped in the face!

Mrs. Willson immediately picked up the contract excitedly, read it carefully, and laughed excitedly: "Okay! Good! Good! Good! Claire, you really made a great contribution!"

After speaking, she asked: "How did you do it?"

Claire said: "Thanks to Ms. Doris, Deputy Doris, she is very optimistic about our Willson family."

In fact, Claire wanted to tell the truth, but after thinking about it carefully, she didn't know who the chairman of the Emgrand Group was, and no one might believe it, she ditched the idea.

Upon hearing this, Harold felt even more uncomfortable and wanted to die!

No wonder Claire can win the contract!

It turns out that Doris of the Emgrand Group is very optimistic about the Willson family!

Wouldn't anyone go?

He really missed a great opportunity!

At this time, Charlie spoke: "Harold, do you remember our gambling appointment?"

Harold's expression was as ugly as if he had eaten sh!t.

How could he not remember the bet, and if he loses, he has to knock three heads in public.

Claire got the contract and made it clear that he had lost

No way!

How can he kowtow to this kind of garbage!

Never possible!

So he immediately gritted his teeth and said, "Charlie, what are you? It's just a rubbish who enters our house and eats leftovers every day. You want me to kneel and kowtow to you?"

Charlie said calmly: "I am indeed a waste, but we swore yesterday, if anyone retreats, death, death, death, grandpa, death to grandma!"

Charlie deliberately said the three words "death to grandma" very hard.

really!

Mrs. Willson's expression immediately became extremely ugly!

She stared at Harold, and asked him in a cold voice, "What? Do you want me to die?"

Harold panicked and blurted out: "Grandma, you can't be fooled by Charlie! He wants to make your grandson's face and your face lost!"

Charlie said indifferently at this time: "Harold, don't fool grandma here, don't forget that you have taken a poisonous oath, if you retreat, your oath will be condemned by God, do you want to curse grandma?"

Harold was horrified, and blurted out: "Grandma, you can't make a joke!"

Old Mrs. Willson said with a cold face: "You know that I believed in Buddhism during my life and swear to heaven, how dare you break your promise?!"

"grandmother"

Harold really panicked, because he could see that grandma was really angry!

The Old Mrs. Willson saw that Harold even violated the vow linked to her life and death for the sake of his own prestige. She slammed the table and shouted angrily: "Are you determined to violate the oath?"

"Grandma!" Harold froze, and immediately made a calculation in his heart.

If he abides by the gambling agreement and kowtows to Charlie to admit his mistake, then he has lost face.

But if he doesn't abide by the gambling agreement and angers his grandma, then he will lose everything he has in the Willson family!

Thinking of this, even though he was 10,000 times unwilling in his heart, he could only grit his teeth and said: "Okay! I am willing to do it!"

Charlie looked at him with a smile, and said nothing, just waiting for him to kneel and kowtow.

Harold felt that his legs were filled with lead and moved to Charlie with difficulty step by step.

He was trembling with hatred and gritted his teeth, but his legs softened and he knelt on the ground.

Plop!

Those in attendance even took out their phones quietly.

Harold lowered his head and said in a trembling voice, "I was wrong!"

After finishing speaking, he leaned down and dropped his head.

Charlie said: "What did you say, I didn't hear clearly, speak louder."

Harold endured the humiliation and kowtow again: "I was wrong!"

Charlie sneered and said: "Oh, it turns out that you were wrong, where did you go wrong?"

Harold's heart for killing Charlie was all there, but there was one last head that didn't knock.

So he just gritted his teeth and said: "I shouldn't doubt Claire's ability to be wrong."

After speaking, he kowtowed again!

Charlie felt very comfortable!

He could not bear this Harold for a long time, and this time he seized the opportunity to let him kneel and kowtow. It feels really cool!

Claire looked at all this in surprise, and felt that her husband was suddenly different from before!

Where the specifics are different, she will not be able to tell for a while.

But, thinking back to the way that her husband had a bet with Harold yesterday, it seems that he had long expected that he would win?

Why does he have such a strong self-confidence?
