

Chapter 901

However, after hearing this, Zhang Tianyi smiled, and said to Ye Tian with a deep face: "Xiaotian, do you know which doctor is the most powerful in the global medical community?"

Huh?

Ye Tian was taken aback for a moment, barely thinking about it, and he said directly:

"Of course I do! The world's number one genius doctor, it is none other than the sacred hand of bones!" "That is the true god of our medical world!"

Ye Tian listened. He has said countless legends about the Bone Sacred Hand. And every one of those rumors made Ye Tian fascinated and admired extremely. Heard this.

Zhang Tianyi nodded involuntarily, and continued:

"Eight Treasures Forging Tendons, Four Extremes Xuanyang, Nine Fragments Guiying Yin, Sixfold Sealing Points!"

"Do you still have an impression of these names?"

Huh?

Ye Tian was taken aback for a moment, he naturally remembered that these names were just mentioned by his master.

It seems that Lin Fan made...Medicated diet?

wrong!

For some reason, after hearing these names for the second time, Ye Tian suddenly found that these words were very familiar, as if he had heard them somewhere.

Especially after he thought of the source of these words.

boom!

Ye Tian's eyes widened in an instant, and his eyes flashed with a thick and unbelievable:

“Master...Master! Could these words come from...The Bone Bible?” The Bone Bible!

The world’s highest medical book.

From the Bone Sacred Hand!

Then Lin Fan is... the Bone Sacred Hand!

boom!

At this moment, Ye Tian was completely dumbfounded.

The Bone Sacred Hand, the god in the heart of the global medical scholar.

And Lin Fan is only in his twenties.

He... how could he be the Bone Saint?

“Master, this... it’s impossible! The age of the great doctor Lin, but the same as the disciple! He, how could he be a sacred hand at such a young age? Did your old man make a mistake?”

Ye Tian only felt his own head. One blank.

But subconsciously, he changed his name to Lin Fan from “Lin” to “Lin’s genius doctor!”

Seeing Ye Tian’s shocked appearance, Zhang Tianyi couldn’t help but smiled bitterly, and sighed:

“Xiaotian, I tell you, in this world, people never speak according to age, but rely on talent and inheritance!”

“Lin This person, sir, is unfathomable! Otherwise, if you think about it carefully, why did you fail so badly just now!”

Huh?

These words of Zhang Tianyi reminded Ye Tian in an instant.

Before, Ye Tian had been immersed in a state of jealousy and resentment, and he didn't think much about why he was defeated.

At this moment, in his mind, he couldn't help but recall the scenes of the previous competition with Lin Fan.

Ten people at a time!

And Lin Fan only needs to glance at these ten people and write out ten prescription sheets in an instant, which are extremely accurate.

And myself, it took several hours and countless energy.

The last tenth picture was a complete failure.

At this moment, Ye Tian became more and more afraid.

Dense cold sweat dripped from his forehead, and he truly understood how terrifying the gap between himself and Lin Fan was!

Chapter 902

Bone Sacred Hand!

Ye Tian had already believed 80% in his heart.

This is more than that.

Zhang Tianyi continued:

“Xiaotian, do you know why I came to Jiangshi?”

Huh?

Ye Tian was startled slightly, and then curiously said:

“Master, didn’t you come to Jiangshi to test the true or false of this genius doctor Lin? More importantly, to prove that you are the No. 1 genius doctor in Jiangnan?”

Ye Tian thought before. , Lin Shenyi rose to fame, which angered his master.

But now it seems that things are not so simple?

“Hahaha... the genius doctor? That’s just a fake name!”

Zhang Tianyi shook his head and laughed, and continued:

“For people my age, how do you feel that the old man cares about those fake names!”

“To tell you the truth, I’ll come to Jiang.” City, because of the news that someone here has developed a resurrection pill! That is the pill of the Bone Sacred Hand, and according to my investigation, the person who developed this resurrection pill is... Lin’s genius doctor!”

Boom!

In a word, Ye Tian trembled all over.

Resurrection Pill!

A magical pill that shocked the world at the time, the Bone Sacred Hand cured countless ass pneumonia patients.

But now that he heard this news, Ye Tian believed in his heart that Lin Fan was the Bone Sacred Hand.

I thought that I would compete with the Bone Sacred Hand to test his medical skills.

Ye Tian only felt a hot pain on his face, as if he had been slapped in the face severely, making him embarrassed to find a place to sew in:

“I... Holy hand competition?”

“I’m such an idiot!”

Ye Tian’s heart was bitter and complicated.

See this scene!

Zhang Tianyi smiled slightly:

“Xiaotian, my master Lin, the genius doctor, will also be your master in the future! Don’t worry, he won’t care about juniors like you!”

Master?

Hearing these two words, Ye Tian was slightly taken aback.

That’s right!

Own master, now he has been worshipped by the genius doctor Lin, then he is Lin Fan’s disciple?

Thinking that he had become an apprentice of the Bone Sacred Hand, the gloom in Ye Tian’s heart was swept away in an instant, replaced by excitement and joy to look at:

“Master, I finally understand your old pains! Don’t worry, I will definitely be in the future. I will respect and obey Master! You and Master will not bother me!”

Ye Tian only felt high-spirited at this moment.

After all, being able to become an apprentice of his idol is nothing short of smoke from his ancestors for him.

See this scene!

Zhang Tianyi also nodded in satisfaction, and now he wants to continue to help those patients see a doctor.

And at this moment.

Ye Tian seemed to have thought of something, he hesitated, and then he said:

“That’s right! Master, there is someone from Jiangnan Bai’s family !” Jiangnan Bai’s family?

One of the four hidden world giants!

“What are they going to do?” Zhang Tianyi asked the Bai family indifferently, as if he didn’t have a cold.

“This time, a direct child from Jiangnan Bai’s family is called Bai Chen! It is said that the reason why he came to Jiang City was to find you, Master! It should be because of the condition of the Bai family’s mother, who came to seek your treatment. Yes!” Ye Tian replied respectfully:

“In addition, this Bai Chen, after three days’ appointment with your old man, he will go to the Bai’s house in Jiang City for a banquet!”

Chapter 903

“Master, are you going?”

Ye Tian said this and couldn’t help but glanced at his master’s face carefully.

He knows that his master has always been arrogant, even if he is the four hidden giants, he doesn’t care at all.

And after listening to Ye Tian's narration.

Zhang Tianyi frowned, and then sighed and said,

“Oh! Bai family mistress, she is not an ordinary person! Although our masters and disciples are not afraid of her, we should not be offended, but we should not offend!”

“Tell Bai Chen, three days later, The old man will go to a banquet!”

...

and at the same time!

When Lin Fan just walked into the house.

Swish!

Three hot gazes suddenly glanced over, and it was Baishan, Bai Yi and Shen Yumei.

A family of three, at this moment, a pair of eyes are staring at Lin Fan, and the eyes are full of scrutiny and questioning.

See this scene.

Lin Fan's mouth twitched, then touched his head, and said with a dry smile:

“Wife, parents! What are you...what are you doing looking at me?”

Lin Fan couldn't help but feel a little guilty under the gaze of the family of three at this moment.

After hearing this, after looking at Lin Fan's stiff expression, Bai Shan suddenly said:

“Xiao Fan , tell us the truth, the medicated food you cook is really worth a million?”

Million!

Hearing this number, the Bai Yi family all had their hearts beaten fiercely.

Three meals a day, one meal of five medicinal meals.

If it is really worth a million, doesn't it mean that their family spends 15 million every day?

What's so special... Even the world's top boss can't be so extravagant.

In an instant, the family of three looked at Lin Fan's gaze, and they became more resentful.

And after hearing this question.

Lin Fan suddenly knew that this must have been said by the old boy Zhang Tianyi, and he couldn't help but smile awkwardly:

“Dad, what are you talking about?”

“You mean this plate of medicated diet is one million yuan? How is this possible, you see, this is all It's just some of the most common medicinal materials!” The most common medicinal materials!

Hearing Lin Fan's explanation, the three members of Bai Yi's family also frowned.

Lin Fan did not lie on this point.

Many of the Chinese medicines used in these medicinal diets were bought by Bai Yi or Baishan out of town, and it didn't cost a lot of money at all.

In fact, if this plate of medicated diet is worth millions, the Baiyi family of three is

still a little unbelievable.

“Xiao Fan, although these medicinal materials are common! But your formula does not seem to be common?” Bai Shan asked Lin Fan, still looking closely at it.

He remembered.

The old man in Mai said before that the exquisite formula is unparalleled in the world, and few people can do it.

Heard this.

Lin Fan couldn't help but shrugged and said with a smile : “Dad, no matter how good my formula is, do you think it can be worth a million?”

“Okay, don't think about it. If it is really worth a million, then I will pay What do you do for washing and cooking at home every day? I've been a boss a long time ago!”

Lin Fan said very naturally.

Hearing this, Bai Shan couldn't help but nodded.

That's right!

If my son-in-law is really the kind of earth-shattering strange person, how can he succumb to his own home and become a little son-in-law!

Thought of this.

Bai Yi's family of three shook their heads one after another, throwing out the idea that Lin Fan is a man of medical skill.

“Okay! Get ready now, we...”

Bai Shan just wanted to say something.

But at this moment.

Bang!

A family of four suddenly heard a cracking sound from outside the door.

Chapter 905

It seemed that these were not two people, but two fierce beasts, which made people fearful.

“Humph!” Seeming to feel the eyes of the Bai Yi family, both Bai Wen and Bai Wu made a cold snort.

A wave of terrifying evil spirit swept away from the two of them.

Suddenly, the temperature in the entire living room dropped suddenly to the freezing point.

“Ok... so fierce!” The Baishan family shuddered together.

They just feel that their hairs are standing upside down.

Even if the family can't see the cultivation base of the two, they can still feel a deep threat of death.

The other party's momentum is definitely not weaker than the old man Kong Sheng that his family has ever met.

Tick!

Tick!

Cold sweats flowed down from the foreheads of a family of three.

At this moment, just from the bodies of these two bodyguards, they could see the horror of such a behemoth Jiangnan Bai's house.

Only a direct young master, Bai Chen, is equipped with two quasi-grand masters who are no weaker than the strength of the old man Kong Sheng.

And see this scene.

Lin Fan frowned involuntarily, and his figure shook immediately. Mobile phone: There is also a horrible aura, which emerges in an instant, diffuses in the hall, and suddenly suppresses the aura of Bai Wen and Baiwu.

“Huh?”

This scene made Bai Wen and Baiwu shocked in an instant.

Obviously, they didn't expect that someone could dissolve their evil spirits here, which made the two of them feel a little weird.

“Uncle Baishan, cousin Bai Yi! This letter is the order of Master Bai Chen!”

Bai Yan said, and took out an envelope from her arms.

When she opened the envelope, not help glanced at the white family in Iraq, the more evil laugh to brighten, this smile, full of sarcasm and ridicule:

“! Next, I will help you obsessed”

“South capitalists have life:

Three days later, Bai Yi, the president of the New Bai Group, took the group's official seal and all the industry contracts under it, to the Bai family in Jiang City for a banquet! The official seal was handed in and the industry belonged to Jiangnan Bai's!

From now on, the new Bai Group , Into the Jiangnan Bai family! Jiangnan Bai family

-Bai Chen! ”

What!

At this moment, when Bai Yan finished the letter of faith in his hand, the atmosphere in the hall was instantly suppressed.

Whether it is the Baishan couple or Bai Yi, the family's complexion is instantly ugly to the extreme.

Three days later, with the official seal and industrial contract, he went to the Bai's house.

New Baishi Group, under the banner of Jiangnan Baishi!

This... This means that the Jiangnan Bai family will annex their Xin Bai family in an open manner.

And it's such a rude, such a brutal way.

This makes the family simply unacceptable.

“Hey...Cousin Bai Yi, I have finished reading, can you hear me clearly? This is the order of the young master Bai Chen, or the meaning of Jiang Nan Bai's family!”

Bai Yan's face was full of smiles at this moment. Like a flower, it's so brilliant:

“What? Cousin Bai Yi, dare to defy Jiangnan Bai's order?”

Chapter 906

boom!

With a word, Bai Yan almost gave Bai Yi a big hat.

All of them knew how terrible the Jiangnan Bai family was.

And defy Jiangnan Bai's?

This is almost the way to die!

Thinking of this, the Bai Yi family's complexion was even more gloomy, almost dripping with water.

"Bai Yan! All this must be done by your Bai family, right?" Bai Yi's pretty face was flushed with anger, and there was a deep anger in his eyes:

"Why do you Bai family do this? ! My Xinbai family and your well do not offend the river, why do you have to drive us to a dead end? "

Chill!

At this moment, Bai Yi's heart was completely cold.

She had done her best for the Bai family before, in exchange for shame and expulsion.

And now!

He founded the New Bai family, and never had the idea of being an enemy of the Bai family, but he never thought that the Bai family took the lead in attacking the new Bai family in Jiangnan, and wanted to annex the new Bai family in Jiangnan.

This is too deceptive.

"Huh! It's our Bai family's work, so what? Whoever allows you to get the support of the Shengshi Group and those Jiangnan chaebols poses a threat to our Bai Group!"

Bai Yan's words were cold and his eyes were clear. With deep jealousy and anger.

She used to be jealous of Bai Yi because Bai Yi is the president of the Bai Group.

And now.

Bai Yi was even more jealous and crazy. She never imagined that after leaving Bai's house, Bai Yi would be so flat, not only creating the new Bai family, but also becoming a Jiangnan business, which made her not jealous and resentful.

But now...

"Hey...it's a pity, even if the Shengshi Group supports you, so what! Jiangnan is the world of the four giants in the hidden world!" Mobile phone terminal:

“The Jiangnan Bai family wants to annex you, even the Shengshi Group has nothing to do! As he said, the smile on Bai Yan’s face became more and more intense: “So, my dear cousin, you must accept your fate! Hahaha...”

Bai Yan smiled wildly and happily.

Just hear her words.

The complexions of Baishan and Shen Yumei were pale.

“No! The new Bai family was created by Bai Yi and Lin Fan, so why give it to the Jiangnan Bai family? I don’t agree!”

“I also don’t agree. Jiangnan Bai family has nothing to do with us and wants to annex us. Xin Bai, dreaming!”

The old couple at the moment looked extremely determined.

To them.

The new Bai clan is like Bai Yi and Lin Fan’s children.

just!

“Huh? You two old things, how dare you be disrespectful to our Jiangnan Bai family?”

After hearing the words of the Baishan couple, the two bodyguards of Bai Wen and Baiwu instantly sank.

“Okay! Very good!”

“In that case, let me teach you two old things a little lesson first, so that you know that Jiangnan Bai clan is your real master!”

Finished!

Swish!

The two of Bai Wen and Baiwu hardly hesitated, their figures flashed in an instant, and they rushed towards Baishan and Shen Yumei.

fast! Fast! fast!

The two quasi-master bodyguards rushed to the front of Baishan and Shen Yumei almost instantaneously, their two big hands suddenly waved, and they slapped them fiercely against the cheeks of Baishan and Shen Yumei.

Chapter 907

call! ! !

The sound of breaking the wind is chilling.

This scene almost exceeded everyone's expectations, and everyone had never expected that the bodyguard of the Jiangnan Bai family would be so rampant.

If you don't agree, just do it!

"Dad! Mom!!!" After Bai Yi reacted, her pretty face changed drastically. She wanted to step forward to help resist, but at the moment she couldn't make it so she could only make a sad scream.

Not only Bai Yi.

Even Bai Yan was taken aback.

But when she reacted, the sarcasm on her pretty face became more and more intense:

"Hahahaha... I am a family of idiots, and dare to offend Jiangnan Bai's family! This is your lesson!"

At this moment, Bai Yan His smile is unusually dazzling.

She seemed to have seen the miserable scene of Baishan and Shen Yumei being slapped by Bai Wen and Baiwu.

"It's over!"

At this moment, Bai Shan and Shen Yumei only felt as if they were being stared at by two fierce beasts.

Especially, when those two terrifying palm winds covered the husband and wife, they entered the ice sink.

The husband and wife can feel the terrifying power in the palms of Bai Wen and Bai Wu.

If they are really hit, they will be shattered because of their cheekbones.

one meter!

Half a meter!

One foot!

Almost in the blink of an eye, Bai Shan and Shen Yumei could only watch, Bai Wen and Baiwu's two slaps almost fell on their own cheeks.

Even the sharp palm wind has already scratched their cheeks.

The corners of the mouths of the husband and wife were bitter and desperate!

Snapped! ! !

Snapped! ! !

Two clear and loud slaps suddenly exploded.

After hearing these two voices, Bai Yi almost fainted in fright.

The smile on Bai Yan's face was even more intense.

but!

Just when she was happiest and excited, she was surprised to find that as the two slaps in the ears resounded, the two figures in black, like kites with broken wires, flew back alive.

Puff!

Falling to the ground.

Quiet...

At this moment, when everyone saw the scene in front of them clearly, they were all stunned.

It was because they saw that the two figures who had been shot back and fell to the ground turned out to be...Bai Wen and Bai Wu!

This!

“Wh...what’s going on?” Bai Shan and Shen Yumei were also stunned.

They did not feel the slightest pain in their cheeks.

Especially when the two opened their eyes, they suddenly saw that the two of Bai Wen and Baiwu had been thrown off and fell to the ground.

Their cheeks were also covered with two bright red palm prints.

Red as blood!

More than everyone!

At the moment, the most daunting ones are Bai Wen and Bai Wu.

They only felt that their face bones were about to be shattered. The pain was abnormal, and the whole face was hot. This made the two of them feel like they were stepped on their tails and exploded in an instant:

“Boy, it was...you beat Us?”

Swish!

The gazes of the two of them all looked at Lin Fan, with deep shock and incredibleness in their eyes.

just now!

Their slap was about to hit the faces of Baishan and Shen Yumei, only to find a black shadow appeared in front of them like lightning.

Especially the two palms of that dark shadow, incredibly fast.

With almost no resistance to them, they were flew back alive.

Chapter 908

“Lin...Lin Fan!”

Bai Yi also saw at this moment that Lin Fan had already appeared in front of his parents without knowing when.

There was a stunned expression in her eyes, and a warm current surged in her heart.

“You want to hit my parents?”

Lin Fan didn't care about the shocking gazes of everyone around him at the moment.

His gaze was firmly locked on Bai Wenbaiwu's body, his gaze cold and awe-inspiring.

boom!

Bai Wen and Baiwu were taken aback when he felt Lin Fan's gaze.

They only felt that this gaze, like the eye of the devil, just fell on themselves, causing them both to have a tingling scalp, and the urge to turn around and run away.

"No... this must be an illusion!"

Bai Wen and Baiwu couldn't help but glance at each other.

They all saw the horror in each other's eyes, and the two of them forcibly calmed down, and then stood up again from the ground.

"Boy, our brother really underestimated you!"

"Unexpectedly, you are still a master!"

Bai Wen and Baiwu looked at Lin Fan again at this moment, revealing a strong ferocity and rage.

Slapped by soy!

This is definitely a great shame for them, the bodyguards of the Jiangnan Bai clan.

If it is passed back to the family, the two will even be punished and expelled by the family!

"Unfortunately, you shouldn't do anything to us! If you hit us, it is equivalent to hit Jiangnan Bai's family. We want you... to die!!!" The words fell!

boom!

Two more terrifying auras burst out from Bai Wen and Baiwu's body in an instant.

The two of them flew like two rushing cannonballs, waving their fists one after another, and slammed towards Lin Fan.

“Dead!!!”

Their voices were extremely cold.

On those two iron fists, they almost contained all their strengths as quasi-grand masters.

Hum!

The breaking wind resounded.

The fist wind howled.

Like two tigers, culling a lamb, showing a brutal and terrifying aura.

“Kill him! Must kill this little beast!” Bai Yan was extremely ecstatic.

In her eyes.

Lin Fan knows a little bit of work, but it was just a sneak attack by Lin Fan under the carelessness of Bai Wen and Wu.

Now that the two bodyguards work together to attack Lin Fan, this kid will undoubtedly die.

It's just that when Bai Yan's idea just emerged.

Bang!

Two clear and loud voices suddenly exploded.

Under everyone's stunned but unbelievable sight.

The two bodyguards of Bai Wen and Baiwu, like being struck by lightning, were once again flew home by chance.

He fell to the ground severely.

Bang! Bang!

The dull sound of falling to the ground, like two heavy hammers, hit everyone's hearts fiercely, causing everyone's hearts to beat fiercely.

They looked at Bai Wen and Baiwu again, only to find that the faces of the two bodyguards had two more slap marks on their faces.

Not only that.

These two slaps seemed to contain extremely terrifying strength.

Even Bai Wen and Baiwu's face were cracked, and a trace of scarlet blood flowed down from their cheeks.

"No...impossible!"

Bai Wen and Baiwu were also dumbfounded.

They held their faces, feeling the sharp pain that their face bones were about to burst, and the two looked at Lin Fan again, as if they had seen a ghost.

Chapter 909

Shocked!

This bloody scene made Bai Yi's family stunned, and Bai Yan was even more so scared that his hairs stood upright.

"Lin...Lin Fan, you, you dare to beat Jiangnan Bai's people! You're done!"

Bai Yan watched with his own eyes, Bai Wen Baiwu was slapped all the way from the living room by Lin Fan, and he slapped him outside the door. His face was broken.

This made her horrified.

Now!

Bai Yan turned his head, facing the white family in Iraq, shrill screaming and said:

"!?! Uncle Bai Yi Lin Fan you look at this waste doing a good thing."

"But you know, Pak south of the people can not be humiliated, even if only The two bodyguards are definitely not something your family can provoke!"

"Lin Fan is dead, your whole family is dead!" In Bai Yan's words, there was a deep feeling.

Obviously, what she feared the most was to hurt herself and Bai's family. She didn't care about the life and death of Lin Fan and Bai Yi's family at all.

“Bai Yi, wait! I’ll report to Master Bai Chen when I go back, saying that your family not only disobeyed the order, but even became an enemy of Jiangnan Bai’s!” “Your family...”

Bai Yan scolded and became excited. .

It’s just that he hasn’t finished speaking yet.

“Noisy!” A sharp voice suddenly resounded in her ears, and then a huge palm slapped Bai Yan’s face fiercely.

Snapped!

This slap in the face, like an iron plate, staggered Bai Yan’s whole body back and forth.

When she steadied her footsteps, she suddenly felt her cheeks swell up at a speed visible to the naked eye.

The burning pain made Bai Yan’s head go blank:

“Lin Fan...you, are you hitting me?”

Bai Yan couldn’t believe it.

After all, in her eyes, although she had repeatedly humiliated Lin Fan, the other party had never done anything to herself.

And now...

“Hit you?”

Lin Fan’s eyes stared at Bai Yan, his eyes flashed with murderous intent:

“If you are not Bai Yi’s cousin, then I will kill you!”

Boom!

Senran words, cold eyes.

As Bai Yan was struck by lightning, deep fear filled her heart.

She could clearly feel Lin Fan’s murderous intent.

He... really dare to kill himself!

“Go back and tell that Bai Chen! Three days later, our family will go to the Bai family in person!”

“However, it is not to surrender and be annexed, but to... annex the Bai family!”

What!

After hearing these words from Lin Fan.

Whether it was Bai Yan or Bai Yi's family, they were all dumbfounded.

Not surrender?

Not being annexed?

But... to annex the Bai family?

This, how is this possible!

Everyone around him felt that Lin Fan was crazy at this moment.

Violating Bai Chen's order is equivalent to offending the Jiangnan Bai family.

After hitting Bai Wen and Bai Wu, he became an enemy with the Jiangnan Bai clan!

In this case, it's fine if you don't worry about Jiangnan Bai's revenge. Lin Fan is so bold and wants to annex the Jiangshi Bai family. This is simply a dream.

“Okay! Lin Fan, you are ruthless!”

Bai Yan was completely amused by Lin Fan's arrogance.

With a disheveled hair, covering her red and swollen cheeks, she glared at Lin Fan's family resentfully:

“Then I will go back and report it! Three days later, we will wait for you at the Bai's house! At that time, it will be up to whoever lives!”
