

Catch Me If You Love Me

Chapter 93

He said humiliating words mercilessly, like a slap in the face, and slapped Zoey Gu hard!

A choking pain came from my heart.

Zoey Gu's eyes were red, and there was a stream of crystal water.

“Liam Lu, do you have to humiliate me like this?”

Liam Lu did not move, but still looked indifferent and indifferent, “I don't leave until I'm humiliated like this, waiting for me to really fu*k you?”

“What pose do you want to use this time? Lovers? Or on the floor?”

“Liam Lu, you are a s*umbag!”

Zoey Gu screamed fiercely with a crying voice, suddenly picked up the pillow on the ground, slammed it at him, turned around and rushed out without looking back—

The pillow hit Liam Lu's sturdy back, bounced vigorously a few times, and then fell to the ground.

At the same time, there was a loud “bang” from the door outside.

she left.

Realizing this fact, Liam Lu raised his head and closed his eyes vigorously.

The next second, his tall figure shook, and his whole body hit the wall heavily, and then slid along the wall to the ground.

Shiyue was right.

Today is the fifteenth, the day when Liam Lu fell ill.

At this time, the blood vessels on his face had already swelled, and under the skin, it was like insects squirming and wandering, and the bruises on his side were violent, which was extremely terrifying.

More than just the face.

After Zoey Gu left, his tight body suddenly relaxed, and the pain in his body that had been magnified thousands of times was released instantly.

The fire burned his body and the heart was biting, but that was all.

Liam Lu leaned his head back against the wall, closed his eyes in pain, and couldn't help but laugh bitterly.

If Zoey Gu saw this scene, he was afraid that he was not only a s*umbag, but also a monster.

Liam Lu was so painful that he did not hear the sound of the door being opened again.

With the sound of footsteps, Zoey Gu walked in again.

Seeing Liam Lu sitting slumped on the ground, his body tight and sweating on his face, his face suddenly changed.

“Liam Lu, what's wrong with you?”

Hearing a familiar voice, Liam Lu on the ground suddenly opened his eyes and turned his head subconsciously.

That half of the ghostly profile face suddenly slammed into Zoey Gu's face.

“what...”

Zoey Gu screamed like a ghost, and slammed back, slumping on the floor.

Her eyes widened, she looked at Liam Lu in disbelief, her lips wriggling for a long time before she asked with difficulty.

“You...what's wrong with your face?”

In such a situation, it is meaningless to want to cover it up again.

Liam Lu stared at Zoey Gu calmly, seeing all her reactions in his eyes, a thick self-deprecating flash in his eyes, and he couldn't help but sneer.

“It's scary, right? I think I'm like a monster now, right?”

Zoey Gu kept shook his head.

Not a monster, but a shock.

She finally understood why Shiyue would remind her again and again that after seeing Liam Lu, don't hurt his self-esteem.

She couldn't even imagine how such an outstanding and dazzling Liam Lu could have such a terrible, unheard of disease? !

The moment he reacted, Zoey hurriedly crawled towards him.

“Liam...”

Before speaking, Liam Lu turned his eyes away and uttered a word coldly.

“roll!”

“Now you see, the one who should stay far away!”
