

## Chapter 951

"Miss Cao, I understand how you feel, but Elder Lu has been poisoned to the bone. I have tried various methods, but still can't do anything. I'm really sorry." Qiao Antai sighed. He valued the young man Chase Lu very much, and even thought of passing on the mantle. No matter how good luck tricks people, they encountered this unsolvable poison.

"No...impossible!"

Concubine Cao Xuan panicked, a little at a loss.

If even the medicine king can't cure it, who can?

"etc!"

At this time, Concubine Cao Xuan seemed to have thought of something and suddenly said:

"Senior Medicine King! I heard that your Medicine King Valley has a magical medicinal material called the Living Dead Flower. When used in conjunction with a secret method, it can bring people back to life. Is there such a thing?!"

"The living dead flower?"

Hearing this, Qiao Antai immediately frowned: "Miss Cao, this thing is an ominous thing and cannot be used."

"Why not? Senior Yao Wang thinks we can't afford it?" Concubine Cao Xuan was a little anxious.

"It's not about money."

Qiao Antai shook her head and explained: "The flower of the living dead is not a good medicine for saving people, but a highly poisonous substance, and the conditions of use are extremely harsh, which is a medical taboo."

"I don't care about good medicine or poison, as long as it can save Lu Chen, Senior Medicine King just speak up, what are the conditions?" Concubine Cao Xuan didn't care at all.

"In Elder Lu's current situation, if you want to use the living dead flower, you must use human life as a guide to transfer all the toxins in your body to another person's body. Only by exchanging life for life can you find a glimmer of life." Qiao Antai sighed.

"Life for life?"

As soon as these words came out, many people's faces changed.

The price of this treatment is too high.

"Exchanging lives for lives is only a basic condition. Not everyone is qualified to exchange lives."

Qiao Antai continued: "In the process of life-changing, the sacrificed person not only has to bear the pain of thousands of ants, but also must be willing, without the slightest resistance or repentance, otherwise, all previous efforts will be wasted.

To put it simply, only those who are close relatives and loved ones, and who must be extremely tenacious in heart, are eligible to be this medicine. "

Hearing this, everyone fell silent, their faces extremely heavy.

They were still thinking about finding a terminally ill patient to change their lives.

Chapter 952

"Goodbye, my love..."

In a daze, Lu Chen vaguely heard a familiar voice.

He wanted to open his eyes, but found that he couldn't.

The body seemed to have fallen into a bottomless abyss, and kept falling, as if there was no end.

Panic and despair are intertwined.

The whole world is dark, with no light at all.

I don't know how long this situation lasted.

One year?

Ten years?

Or a hundred years?

When Lu Chen felt that his spiritual world was about to collapse.

In the distance, a light suddenly appeared.

Like a drowning man, he grabbed the life-saving straw and began to struggle crazily, swimming crazily towards the light source.

Getting closer, getting closer, until completely integrated into the light...

"Hiss!"

Lu Chen, who was on the hospital bed, suddenly opened his eyes, breath rushed into his lungs, and his heart began to beat faster.

The whole person seemed to be reborn.

When I felt it carefully, the poison in my body mysteriously disappeared!

Although the body is a little weak, it is no longer serious.

"Elder Lu, are you finally awake? I thought you couldn't survive this disaster."

A tired voice sounded. Chase Lu looked up and found Medicine King Qiao Antai sitting beside the bed.

His whole body was sweating profusely, his face was pale, he was panting like an ox, and he was clearly exhausted.

"It turned out that it was Senior Medicine King who made the move.

Qiao Antai was able to pull him out of the gate of hell, and I don't know how much he paid.

It's really a case of reinvention.

"Elder Lu, I just used up some energy, it's nothing. The person you should thank most is the one next to you." Qiao Antai sighed softly.

"Beside?"

Lu Chen was a little confused and looked sideways.

I saw a woman with a bloodless face and a beautiful face lying on the hospital bed next to her.

The woman's breathing was inaudible, and her chest almost stopped rising and falling.

The whole person looked like a corpse.

"Concubine Xuan?"

After being slightly stunned, Lu Chen's complexion changed drastically, and he jumped up suddenly, and rushed to Concubine Cao Xuan, feeling his pulse, probing his nose, and listening to his heartbeat.

Weak, too weak.

Whether it's heartbeat, breath, or vitality, they are all frighteningly weak.

Basically no different from a dead person.

Even if he instilled the true energy, it could not arouse the slightest reaction. The internal organs in Concubine Cao Xuan's body had completely lost their activity.

Reaching out and touching it, the originally soft skin had become stiff and inelastic, like ice cubes.

"How could this happen? How could this happen?"

Lu Chen was panicked.

Because he found that he was helpless in the face of Concubine Cao Xuan's bizarre symptoms.

Even though he was familiar with various ancient medical books, he still couldn't find a similar case, let alone a rescue method.

This gave him an ominous premonition, as if the person in front of him had already left him.

The Chapter 953

Concubine Cao Xuan sacrificed her life to make medicine, to endure the pain of thousands of ants biting her bones, to be on the verge of death, and finally to become a living dead.

The whole process was explained clearly.

Because he felt that the people in front of him must know this, and must also understand Concubine Cao Xuan's determination to die.

After listening to Qiao Antai's narration, Lu Chen stood on the spot in a daze.

Standing there in a daze, he didn't come back to his senses for a while.

He didn't expect that Concubine Cao Xuan would make such a big sacrifice for herself, even at the expense of her life.

At this moment, he finally deeply felt the other party's affection.

But how can he bear this heavy love? !

"Elder Lu, this is a letter from Miss Cao, please read it first."

With a complex expression on her face, Qiao Antai carefully handed out a piece of last words.

He has never admired anyone, but Concubine Cao Xuan's performance just now completely convinced him.

Even a master of martial arts cannot bear the pain of thousands of ants biting the bone.

But she was a woman, not only resisting the pain forcefully, but also without a trace of regret or fear.

Tough and determined.

He couldn't imagine how deeply a person had to love in order to achieve this level?

He always believed that the gods could not save Lu Chen's life.

However, he suddenly discovered the woman in front of him.

It turns out that the body of a mortal also has the power to rival that of a god...

Trembling, Lu Chen took the envelope and opened it.

"Every day, your shadow is in my mind. I think about you all the time, and I can't wait to see you soon."

"Seeing you happy makes me happy; seeing you sad makes me sad too."

"Well...this should be what falling in love feels like, right?"

"Speaking of which, I'm actually quite jealous of Li Qingyao, because she met you before me and stole your heart before me, but fortunately she didn't know how to cherish and gave me a chance, hee hee."

"Oh, by the way, I have another question to ask you. Who is more important, Li Qingyao or me? Now, I should give her the upper hand, right?"

"Forget it, why are you jealous of this woman? It's really boring."

"In short, you should live well, and together with my share, live peacefully and happily."

"Don't cry for me, don't feel sad for me, and don't forget me!"

"From now on, I will watch you in the sky and always protect you silently."

"Remember, you must be happy."

"Goodbye, my love."

-----  
"Tick...tick...tick..."

The tears fell down drop by drop and hit the white paper, making a crisp sound and rendering a wet mark.

Looking at the contents of the letter, Lu Chen's hands were shaking and he was already crying.

A man doesn't shed tears easily, but he hasn't reached the point where he is sad.

"Why? Why are you so stupid?"

"You are gone, how can I

#### Chapter 954

Looking at Concubine Cao Xuan's peaceful face, Lu Chen was heartbroken.

He hated, hated himself for hurting her; hated himself for being incompetent and unable to save her.

If time could be turned back, he would rather pay back the lives of the two of them.

"Wait! Change?"

As if he had thought of something, Lu Chen's expression suddenly froze, and he suddenly turned back to look at Qiao Antai: "Senior Medicine King, do you still have the living dead flower in your hand? I want to change my life, I want to save her!"

"Nonsense!"

Qiao Antai frowned and scolded: "Do you think the flower of the living dead is just cabbage? Just say it exists? Besides, Miss Cao is willing to sacrifice her life for you. What you have to do now is to live well, so that you can be worthy of her." pay!"

"I don't want her to die, I want her to live!"

Lu Chen roared with red eyes: "No matter what method I use, no matter what price I pay, I will definitely bring her back to life!"

"Senior Medicine King! You are Taishan Beidou in the medical world, you are well-informed, help me, help me save her! I beg you!"

After saying that, he knelt down on the ground with a "boom".

"You kid——"

Qiao Antai was angry and helpless, but she couldn't move Chen Lu.

After hesitating for a while, he finally compromised: "That's all, I won't hide it from you now. Although Miss Cao is like a dead person, there are still ways to save her."

"any solution?!"

Lu Chen's eyes lit up, and he became excited.

"Come normally

Where is the Witch Gu Cult?

That's the number one evil sect in the world!

There are experts gathered inside, and strong ones emerge in large numbers.

The contemporary leader is a great master of martial arts standing on top of the world!

Not only is his strength unparalleled in the world, but he is also proficient in thaumaturgy. Even the monsters from the Dragon Kingdom do not dare to be easily provoked.

Although Lu Chen is a young master, he is far from qualified to join the Witch Gu Sect.

After all, even Huang Donghai, one of the five great masters in Jiangnan, had no choice but to be hunted down by the Witch Gu Sect.

That is definitely a terrifying forbidden place that makes all warriors fearful!

"Phoenix Gu doesn't work, what about the black flower of the other side?" Lu Chen frowned.

He really didn't want to be an enemy of the Witch Gu Sect unless he had to.

"The black flower of the other side, known as the flower of the underworld, also has the effect of bringing the dead back to life, but it is an ethereal thing."

Qiao Antai shook her head and said: "According to rumors, about fifty years ago, in order to save her husband who was seriously ill, a woman traveled all over the world, went to heaven and earth, went through all kinds of difficulties and dangers, searched all over the world for ancient sites, and finally Found the legendary black Bana flower.

Unfortunately, when this woman brought back the black Higanbana, her husband had already passed away.

Since then, the woman has mysteriously disappeared.

There are rumors that the woman has taken the black flower into the grave and slept with her husband. It has not been seen again so far. "

Hearing this, Lu Chen frowned deeper: "Who is this woman?"

"This female name

## Chapter 955

Fifty years ago, he was just starting out, but Gu Qingmei had already become famous all over the world.

He was lucky enough to meet her once. She was really a wonderful woman with outstanding charm who fascinated all living beings.

"Gu Qingmei? Jade Girl Palace?"

Lu Chen looked surprised, but quickly asked: "Senior Medicine King, do you know what the purpose of this Gu Qingmei is?"

"This is what I call illusory."

Qiao Antai sighed: "Gu Qingmei has the power to reach the sky. Over the past fifty years, countless people have searched for her tomb, but so far, all of them have returned without success, so this black Bana flower is equivalent to no one."

"Just because it can't be found, doesn't mean it doesn't exist."

Lu Chen said with a serious face: "I will try my best to get the black flower of the other side. If not, then I will have to break into the witchcraft sect!"

"Are you crazy? That's a dragon's pond and a tiger's den!" Qiao Antai's expression changed.

"She can sacrifice her life for me, so what if I break into the dragon's lake and tiger's den for her?" Lu Chen's eyes were firm.

"This..." Qiao Antai was speechless for a moment.

"Senior Yao Wang, how long can Concubine Xuan last?" Lu Chen asked suddenly.

"It's hard to say. It's half a month long, or three to five days short. It depends on her own good fortune." Qiao Antai shook her head.

Lu Chen didn't answer, but bent down, kissed Concubine Cao Xuan lightly on the forehead, and said softly: "Concubine Xuan, hold on, wait for me to come back... You said that the copper lock of love is locked for a lifetime. , you want to lock me tightly, you can't break your promise

Hong Qingxia frowned, a little unsure.

"Hmph! You weren't fooled by him, were you?"

Bai Xiu looked unkind.

After struggling for a long time, I found nothing. What a waste of time.

"Master, is our approach wrong?"

Hong Qingxia said thoughtfully: "Since it is a secret, it must be very hidden. It should not be distinguishable with the naked eye."

"Then what should we do?" Bai Xiu asked.

"I saw on TV that it was either soaked in water or burned with fire. Why don't we give it a try?" Hong Qingxia said tentatively.

"Blisters? Fire?"

Upon hearing this, Qiu Yun next to him almost jumped up and scolded: "Hong Qingxia! Are you crazy? How could our sect's most precious treasure be so mishandled? Can you afford to pay compensation if it is damaged?!"

"I just mentioned it casually. If it doesn't work, forget it." Hong Qingxia felt guilty.

"Wait a minute! I think what Qingxia said makes sense. Ordinary methods will definitely not work. Special means must be adopted!" Bai Xiu said suddenly.

"Master? Do you believe what she says?" Qiu Yun was stunned for a moment.

"I can't bear to let go of my child, but I can't trap the wolf. I won't be able to use this scrap of paper anyway, so why not take a risk? Maybe there will be some unexpected surprises!"

Thinking of this, Bai Xiu stopped talking nonsense and directly ordered people to prepare water and fire.

As the saying goes, wealth and honor are found in danger. Whether you can get the treasure and break through to the realm of a master depends entirely on this time!

Chapter 956

Under Bai Xiu's instructions, two copper basins were quickly brought through the door.

One copper basin is filled with water, and the other copper basin is filled with charcoal fire.

"Let's try it first."

Bai Xiu took a deep breath and directly threw the fragments of the Jade Girl Sutra into the water.

Then, several people watched intently, expecting something strange to happen.

After soaking for a while, there was no movement on the remaining scroll.

With some anxiety, Bai Xiu took it out and looked at it carefully, and found that there was no change in the handwriting on the fragment.

"Master, let me tell you, this method is not reliable at all!" Qiu Yun complained softly.

"Give one more try!"

Bai Xi gritted her teeth, picked up the remaining scroll and was about to throw it into the fire.

"Master!"

Qiu Yun quickly stretched out his hand to stop it: "The water can be dried after being soaked, but if it is burned, nothing will be lost. You must think twice!"

"I've memorized the contents of the fragmented scroll fluently, so it's useless to keep this thing!"

Bai Xiu shook off Qiu Yun's hand, and threw the remnants of the Shuyunujing into the charcoal fire.

With a burst of green smoke, the cheats quickly burned.

Finally turned into a pile of black ash.

"Master! There seems to be something inside!"

Hong Qingxia had sharp eyes and quickly discovered the anomaly.

"There is indeed something!"

Bai Xiu took a closer look, her eyes lit up, and she quickly extinguished the charcoal fire.

Then he rummaged through the black ash, and finally found a piece of specially made gold leaf.

After being slightly taken aback, Bai Xiu's face instantly became overjoyed: "Hahaha...that's great, that's great, there's nowhere to find it if you break through the iron shoes, and it's easy to get it. I didn't expect that there would be a The treasure left by the ancestor is really eye-opening!"

Gu Qingmei, the third generation of the Jade Lady Palace.

He is also the best, strongest, and most promising person since he took office.

Fifty years ago, that was an extraordinary woman who was the most magnificent woman in the world!

She is also the most outstanding female Grandmaster in the Dragon Kingdom for a hundred years!

The only one who can compare with it is the legendary Princess Wei.

"Master, it says it's a cemetery, how can it be called a treasure?" Qiu Yun was a little surprised.

"You are too young to know what the tomb of the ancient Qingmei means."

Bai Xiu's interest was high, and she began to explain one by one: "Gu Qingmei is my master's master, that is, my master's ancestor. She is very talented. She has traveled all over the world. With a woman's body, she has trampled almost all men under her feet. He is simply a role model for our generation!

She has won countless treasures in her life and likes to collect them, but she fell in love with a man she shouldn't love. Ever since that man died, she took all the treasures and died with that man.

It's a pity that so far, no one knows where her grave is?

Before his death, Master told me that if we can find the tomb of our master, we will get countless treasures, and then we can expand the Jade Maiden Palace and create new glories! "

By the end, she was blushing and extremely excited.

She knows very well that even with a map to guide the way, it is not easy to dig out the treasure. She must make sufficient preparations to ensure nothing goes wrong.

"Qingxia, you go out first, and I will do some research with your elder sister."

Bai Xiu glanced sideways, and decisively issued the order to evict the guest.

"Um?"

## Chapter 957

Hong Qingxia froze for a moment, then forced a smile and said, "Master, I think I have good eyesight, so I should be able to help you."

"No!"

Bai Xiu frowned, a little displeased: "It's enough to have your elder sister's help, you can go out."

"But....."

Hong Qingxia wanted to say something, but Bai Xiu glared at her: "What? You don't listen to what I say as a teacher?"

"Disciple doesn't dare."

Hong Qingxia immediately lowered her head, bit her lips lightly with her white teeth.

"go out!"

Bai Xiu was a little impatient.

"Disciple resigns."

Hong Qingxia didn't dare to stay for a long time. After saluting, she had no choice but to leave.

It's just that there was a lot of unwillingness and resentment in those eyes.

She didn't expect that after doing so much, she still couldn't gain Master's trust.

From the beginning to the end, she acted like an outsider.

She asked herself that she had worked hard enough and been loyal enough.

Without her, how could Master get the fragments?

Without her, how would Master discover the secrets in the fragments?

She took the lead in finding this treasure.

But what's the result?

Not only did he not get the reward, but he was even guarded by his master, who didn't even have the qualification to look at the map.

She has worked so hard and done so much, what is the reason?

Why doesn't Master trust her?

Why can't she please Master forever?

Why? !Hong Qingxia gritted her teeth and slowly clenched her fists.

A trace of resentment gradually appeared in those eyes.

After walking out of the villa, she took out her mobile phone, dialed a certain number, and whispered: "Lu Chen, I discovered a secret of the Jade Lady Palace. I guarantee it will be useful to you. If you are interested, see you at Jixiang Restaurant at eight o'clock today."

.....

Eight o'clock in the evening, Jixiang Restaurant.

Hong Qingxia sat alone in the private room, looking a little uneasy.

She didn't know if Lu Chen would come, but she had to take a gamble.

After experiencing these things, she suddenly realized that it is better to rely on yourself than to rely on others.

Since the master doesn't trust her, she doesn't need to show her loyalty anymore.

She wants to use everything around her to benefit herself.

"Click!"

At this time, the private room door opened.

With an indifferent face, Lu Chen walked in slowly.

Alone, without any subordinates.

"You came?"

Hong Qingxia's eyes lit up and she stood up immediately.

While I was happy, I was also relieved.

As long as the other party is willing to come, then she still has a chance.

"What exactly is the secret of the Jade Maid Palace?"

Lu Chen's face was expressionless and his eyes were cold.

"Give me the Jade Girl Scripture first, and I'll tell you later."

Hong Qingxia began to negotiate terms.

"Tap!"

Lu Chen didn't talk nonsense, he took out a cheat book and threw it on the table.

He had already guessed the intention of the other party's visit, so he prepared chips in advance.

"It's really refreshing!"

Hong Qingxia looked overjoyed and read it carefully. After confirming that it was correct, she finally said: "Today, my master found a map in the fragments of the Jade Girl Sutra. It recorded the grave of my ancestor Gu Qingmei. Here, There are countless treasures hidden in the cemetery!"

"Gu Qingmei?!"

As soon as these words came out, Lu Chen's body shook, and he lost his composure in an instant.

Chapter 958

"Are you sure it's Gu Qingmei? Did you make a mistake?!"

Lu Chen became excited and grabbed Hong Qingxia's wrist.

The huge force pinched the latter's brows deeply, and his arms went numb.

"I've seen it with my own eyes, and there's no way it's fake."

Hong Qingxia resisted the pain, and replied seriously.

"Where is the cemetery? Tell me quickly!"

Lu Chen was a little anxious.

That look in his eyes seemed to be cannibalistic.

He planned to inquire about Gu Qingmei through the Jade Maiden Palace before, but he didn't expect to get a response so soon.

"You're hurting me!"

Hong Qingxia broke free from the restraints and frowned: "I don't know the specific location of the cemetery. My master deliberately pushed me away when he was studying the map. I only vaguely saw three words - Black Forest!"

"Black Forest?" Lu Chen frowned slightly: "Where is that place?"

"I have checked. The Black Forest is located in the Youzhou area. It is a primitive forest full of swamps and dangers. Because of the dangerous terrain and harsh environment, it is inaccessible and is an undeveloped area." Hong Qingxia explained.

"What I want is not these, what I want is the specific location." Lu Chen said coldly.

To be called a forest, the area must be extremely vast.

Without a map, looking for a hidden cemetery is undoubtedly looking for a needle in a haystack.

"That's all I can hear for the time being."

Hong Qingxia shook her head, and then said: "But don't worry, I will stay

He doesn't care about the treasure at all, he only needs the black Hibiscus flower.

"Okay! Then let's make a deal!"

Hong Qingxia looked overjoyed.

She was still thinking that the other party would bargain, but she didn't expect that he would agree so simply.

"Let me know any news."

Lu Chen said a word, turned around and prepared to leave.

"etc!"

Hong Qingxia grabbed it and said tentatively: "Lu Chen, I was wrong before. I apologize to you. Give me a chance, okay? I hope I can continue to be friends with you."

As he spoke, his eyes turned red, looking pitiful.

"A transaction is a transaction, don't talk about it."

With a cold face, Lu Chen fought for Hong Qingxia's hand and left without looking back.

If it weren't for the other person's value, he wouldn't even bother to see him.

"Why? Why are you all like this?!"

"I have bowed my head, I have admitted my mistake, why don't you give me a chance?!"

"Just wait, one day, I want all of you to surrender at my feet!"

Hong Qingxia gritted her teeth, eyes full of resentment.

After a low roar, she took a deep breath, quickly suppressed her restless emotions, and gradually regained her composure.

Then, she put away the Jade Girl Sutra, straightened her clothes, and walked into another private room.

The person sitting inside is Huang Santong!

"Boss Huang, I have priceless news to tell you, but you must first

## Chapter 959

The tomb of the ancient Qingmei has reappeared, and the location is in the Black Forest of Youzhou.

As soon as this news came out, there was thunder in all directions, and countless warriors poured into the territory of Youzhou, trying to fight their luck.

After all, such an adventure like this is hard to come across in a lifetime.

At this moment, inside a commercial vehicle heading to Youzhou.

Looking at the scenery galloping by outside the window, Lu Chen was a little dazed.

Huang Yinyin sat beside her, chattering nonstop.

"Uncle, Senior Medicine King has told you to pay attention to your health in the past two days, remember to take your medicine on time, and don't use your true energy easily, otherwise it will damage your internal organs."

"In addition, I don't know who leaked the matter about Gu Qingmei. Now many people are rushing for the treasure. We have a lot of competition this time."

"Oh, by the way, there is some bad news. Last night, some experts went to the dungeon of the Wu Meng to rob Huang Fuchun and rescued Huang Fuchun. The Wu Meng sent many people to hunt him down, but he has not been found yet."

Huang Yinyin reported the situation to Lu Chen while watching the news.

After listening, Lu Chen, who was in a daze, finally had a little reaction: "Huangfuchun ran away? Who has the ability to save people from the dungeon of the Wumeng?"

"According to the information sent by Master Zhang, it should be Yingshamen who did it. Wumeng didn't investigate for a while, and was caught off guard." Huang Yinyin explained.

"If Kojiro Miyamoto makes the move, there is indeed a chance, but I didn't expect that Shadow Killer would take a risk for a chess piece." Lu Chen squinted his eyes.

"Little miracle doctor, from the time Huangfu Longteng died

Because of the beautiful scenery and many historical sites, many tourists come here for sightseeing.

Coupled with the attraction of this treasure, the entire resort became lively in just half a day.

Lu Chen and the other three found a resort hotel with a nice environment and checked in directly with their bags.

The hotel is built on the lake, with beautiful mountains and clear waters and pleasant scenery.

Lu Chen stood by the lake and looked around. He could clearly see the huge outline of the black forest.

There, there is what he needs most.

"Stop! What are you doing? Let me go!"

While Lu Chen was admiring the beautiful scenery, a cry for help suddenly came over.

Looking sideways, I saw a few shirtless men molesting a beautiful woman in the woods by the lake.

The woman was wearing thin clothes, her hair was wet, her hands and feet were being held down, and she could not move.

As the body twisted, the fullness of the chest swayed left and right, which was extremely impactful.

"Hehe! She is such a delicate beauty. I haven't met such a beauty in a long time!"

A man with a scar on his face looked up and down at the woman's attractive body, his face full of greed.

"I'm warning you! I'm from the Bixia Sect. If you dare to mess around, my senior brother and sister will never let you go!"

The woman's pretty face flushed and she struggled crazily.

However, the more she twisted, the more she stimulated the beastly desires of those around her.

"Damn it! I can't help it anymore!"

The man with the scar swallowed his saliva, his animalistic instincts aroused, and he pounced directly

Chapter 960

"Slender dog?"

The sudden voice startled the man with the scar.

He suddenly turned his head, and saw a man in plain clothes with a cold face, looking at him quietly.

"Boy! Where did you come from? I warn you not to meddle in your own business!"

The man with the scar had a gloomy face, and his eyes were very unfriendly.

"Help me! Help me!"

The woman struggled and cried, and the last glimmer of hope appeared on her terrified face.

She was almost desperate just now, thinking that she would be defiled today.

I didn't expect that someone would draw their swords to help when they saw injustice.

"I didn't say to meddle in other people's business, you go ahead."

Lu Chen folded his arms and remained unmoved, as if he had nothing to do with him.

"kindness?"

This posture, on the contrary, surprised the man with the scar.

As for the woman who was frivolous, she was completely confused.

Isn't it a hero saving the beauty?

Why is there no reaction at all?

Could it be that this guy came to watch a play?

"Hmph! I thought he was some kind of person, but after working on it for a long time, he turned out to be a coward!"

The scarred man sneered: "Since you don't dare to stand up for her, then get away and don't hinder me from doing things!"

"That's right! Get out of here! Otherwise I'll break your legs!"

Several younger brothers also started shouting fiercely.

"You go about your business and I watch my scenery without interfering with each other. Of course, I just don't know if you, a thin dog like you, can still be tough?"

Lu Chen speaks

Feeling that he had been insulted, the scarred man instantly became angry.

Without saying a word, he directly picked up the long knife on the side and struck Lu Chen suddenly.

He wants to cut this guy in front of him into pieces!

"Qiang!"

Lu Chen waved one hand, grabbed the blade directly, and kicked the scarred man in the crotch while he was stunned.

The scarred man wailed, folded his legs and collapsed to the ground.

His face was blue and purple, and he was foaming at the mouth.

It hurts to look at it.

"Dare to hurt my elder brother? Go to hell!"

When the other people saw him, they were furious and drew their swords at each other.

Lu Chen kicked out a few more times, hitting several people in the crotch, getting rain and dew on them.

Several people wailed and fell down holding their crotches, all of their eggs shattered.

Feces and urine flowed together.

"I told you a few words, but you are still impatient. Is that the case?"

Lu Chen shook his head, turned around and left.

From the beginning to the end, he didn't even look at the woman.

"Brother! Wait!"

At this time, a beautiful woman in ragged clothes chased after her. Because of her huge breasts, she trembled as she ran.

In addition, most of the clothes were torn off, so I had to cover them with my hands to avoid leaking the beauty.

"Is something wrong?"

Lu Chen glanced back, his face calm.

"Brother, thank you for saving me just now. My name is Han Yi. What is your name?" Han Yi said with a grateful face.

If the person in front of her hadn't taken action, she would have been tainted.

"It just happened to be passing by, it's nothing." Lu Chen said calmly.

"No, I'm not hungry." Lu Chen flatly refused.

"Huh?" Han Yi's expression froze.

She thought she was pretty, and few people would reject her. She didn't expect the people in front of her to be so disrespectful.

Chapter 961

But the more she was like this, the more competitive she was aroused.

"Brother, don't be so cold, okay?"

Han Yi puffed up her mouth and looked rather resentful: "Repaying kindness is a traditional virtue in our country. If I don't repay this kindness, I won't be able to sleep at night."

"Just take some sleeping pills and say goodbye."

Lu Chen didn't say much, he left without saying a word.

"Bro!"

Han Yi continued to chase forward, but after running for a few steps, she suddenly sprained her foot and fell to the ground with an "ouch".

The shattered fig leaf on her chest was completely torn, revealing a proud ketone body.

Lu Chen paused slightly, finally took off his coat and threw it far away.

"Thank you, little brother!"

Han Yi's cheeks were flushed, and she quickly wrapped her delicate body with her coat.

Deep in my heart, I couldn't help but feel a little more moved.

"Xiaoyi!"

At this time, a man and a woman suddenly ran over.

The two were dressed luxuriously and had extraordinary manners, obviously not ordinary people.

"Senior Brother! Second Senior Sister!"

Seeing the person coming, Han Yi immediately cheered up and waved quickly.

"Xiaoyi! Where did you go just now? Why didn't you say anything? It made us worry to death!"

The woman in red deliberately put on a straight face, with a look of reproach.

"Xiao Yi, why are you so unkempt and dressed like this, is something wrong?"

The man in black frowned, looking a little strange.

"Sir, I just met

"Little brother, thank you for saving my junior sister."

The woman in red stepped forward, bowed respectfully to Lu Chen, and then said: "My name is Shen Yao, from the Bixia Sect. This is my senior brother, Shen Chong. May I ask my little brother what's your surname?"

"My surname is Lu."

Lu Chen nodded slightly.

The other party's attitude was very polite, so he naturally wouldn't put on airs.

"It turns out to be Brother Lu. Nice to meet you."

Shen Yao smiled slightly: "From Brother Lu's accent, he shouldn't be from Youzhou, right? Could it be that he suddenly came to this remote place because of the Tomb of Gu Qingmei?"

"oh?"

Lu Chen raised his eyebrows slightly, a little surprised: "How did Miss Shen figure it out?"

"I was just guessing too."

Shen Yao smiled: "Many martial arts people came to Youzhou today, and our Bixia Sect has also received relevant news. The people who can appear in this resort are either tourists, or they are here for the tomb of Gu Qingmei."

"I admire Miss Shen for her thoughtfulness." Lu Chen praised politely.

"Brothers Lu, we are all here for the treasure. Since we are destined to meet, why not go together so that we can take care of each other, what do you think?" Shen Yao extended the invitation.

Most of the people who can come here to explore alone are quite capable.

If you recruit them into the team, you can also increase your strength a little bit.

"I'm used to being a loner, I'm afraid I might hold you back." Lu Chen declined politely.

"Brother Lu saved my junior sister's life, and our Bixia sect will naturally have to repay this kindness. As long as

"Okay, then let's meet at the hotel restaurant tonight, and we will discuss important matters then."

After a few simple greetings, the three of Shen Yao said goodbye and left.

Just before leaving, Han Yi took a deep look at Lu Chen with some inexplicable affection.

Chapter 962

It's seven o'clock in the evening.

Lu Chen brought Huang Yinyin and Xiao Hongye to the restaurant of the resort hotel as agreed.

The scale of the restaurant is not small, it can accommodate hundreds of people.

When Lu Chen entered the door, he found several groups of people already bustling inside.

Except for a few tourists, most of them are warriors who came here for fame.

"Brother Lu! Here!"

While looking around, Han Yi suddenly stood up and waved happily.

Lu Chen nodded, and led the two of them closer.

"Brother Lu, you are here, please take a seat."

Shen Yao greeted with a smile, looking very enthusiastic.

Shen Chong on the side originally had his arms folded, and he liked to answer indifferently, with a somewhat condescending taste.

But when she saw Xiao Hongye and Huang Yinyin, her eyes suddenly lit up, and she immediately straightened her collar and put on a pose that she thought was handsome.

"Xiao Hongye and Huang Yinyin, these two are my friends. Miss Shen won't dislike them, right?" Lu Chen made a simple introduction.

"Brother Lu, where are you talking? One more person, one more strength, please take a seat."

Shen Yao smiled slightly and motioned for a few people to sit down.

"Thanks."

Lu Chen nodded slightly, and Shi Shiran sat down.

Glancing around, he found that besides Shen Yao and the other three, there were some unfamiliar faces on the table.

Judging by their clothing, they should all be members of the Bixia sect.

The weakest ones are all acquired, and among ordinary warriors, they are already considered elites.

But to compete with the various sects

Shen Yao began to talk eloquently: "Besides, there are insect repellents, compasses, and special tents. They are all very important and can save lives at critical moments."

After listening, Huang Yinyin was stunned: "Ah? Do you still need these? We don't have anything."

The three of them came in a hurry, so they only brought some belongings.

"How do you look like you're here to hunt for treasure? It's clearly a vacation."

Shen Yao joked with a smile, and said, "But it's okay, I've already prepared it for you, so there won't be a shortage of supplies."

"Really? That's great! Thank you, Sister Shen Yao!" Huang Yinyin immediately smiled.

She is really a caring big sister, she is so thoughtful.

"Actually, these items are nothing. The threat of the Black Forest to us is limited. What we need to fear the most is the competition among the various sects."

Shen Yao's face gradually became serious, and she looked aside: "Did those people on the left see it? They are disciples of the Vajra Sect, famous for their defense, and they are all powerful, claiming to be invulnerable. If we meet them, it will be very difficult for us." trouble."

"Diamond Sect?"

The three of Lu Chen followed the trend and saw a group of muscular men on the left, eating and drinking.

Everyone's skin is bronze, exuding a metallic luster under the light.

"Look at the right side again. That's the Tianhe Sect, a major sect in Yuzhou. Its disciples are good at guerrilla movements and are constantly making strange moves. They often defeat the strong with the weak, making them very difficult to deal with."

"Look at me again

Chapter 963

"Of course, although these people are powerful, we Bixia Sect are not afraid of them."

As Shen Yao was speaking, she suddenly changed the subject: "The ones that really scare us are those top sects and top experts, such as the Xuanwu Sect, the Great Compassion Temple, the Yin Yang Sect, and the Soul Suppressing Sect... oh yes. , there is another person who needs to focus on!"

"Who is it?" Huang Yinyin was a little curious.

"It's the young grandmaster who recently defeated Lord Ziyang and became famous all over the world!" Shen Yao said in a surprising way.

"ah?"

Huang Yinyin was stunned for a moment.

Isn't that my master?

She looked at Lu Chen with a strange expression, but saw the latter shaking his head slightly.

This time, the Black Forest party must act in a low-key manner, otherwise it will be easy to be calculated.

"Miss Shen, have you met this young master?" Xiao Hongye asked with a half-smile.

"Of course I have never seen such a big man, but I have heard many rumors."

Shen Yao said with a look of longing: "It is said that this person has a face like a crown of jade, and is handsome; and he is just, with clear grievances and grievances; the most important thing is that he has already broken through the realm of a master in his twenties. He is a rare genius in the south of the Yangtze River in a hundred years, and he is also the object of obsession for countless female warriors!"

By the end of the sentence, her eyes were already shining.

Strangers are like jade, and young men are like no other.

With the appearance of a son and the physique of a general, which woman doesn't like such a young master?

"Hehe, it seems that Ms. Shen admires this young lady very much.

Huang Yinyin looked her up and down, feeling suspicious.

"Miss Huang, it's not my fault."

Shen Chong raised his head slightly and said proudly: "I am considered the number one figure in the Youzhou martial arts world. You might as well ask around. Who doesn't know me, the little jade-faced flying dragon?"

"That's right! Our senior brother is amazing!" Han Yi looked proud.

"Youzhou's top ten masters, our senior brother ranks third, and now he is an innate master and a recognized martial arts genius!"

"As far as the fighters in this restaurant are concerned, our senior brother can completely fight ten of them with one hand!"

Several Bixia sect disciples praised him one after another.

After a rainbow fart, I was so overjoyed that I was so ecstatic, it was extraordinarily transparent.

In response, Shen Yao just smiled and said nothing.

Although her brother's talent is good, he is still far from being able to compare with the young master.

Of course, she wouldn't be so stupid as to pierce the vanity of the other party.

"Really? It sounds like there's something else."

Huang Yinyin nodded ignorantly.

She is just a fledgling, and she doesn't know much about the affairs of the world.

But hearing that Shen Chong's name is so famous, he is also one of the ten heroes of Youzhou, and he is also a jade-faced little flying dragon, so his strength should be very powerful.

"You two ladies, I'm going to the Black Forest tomorrow. You just have to follow me. With me protecting you, no one dares to act presumptuously!"

Shen Chong patted his chest, feeling very confident.

However, just as he finished speaking, a wine bottle suddenly hit his forehead with a "pop".

Chapter 964

"ah?"

Shen Chong was stunned by the blow, and stood there in a daze, somewhat unresponsive.

Compared with formal clothes, who would have thought that a wine bottle would be thrown at him, and he would be completely unprepared.

He subconsciously reached out and touched his head, his hands were covered in blood.

Without the protective body of true qi, his body is only stronger than ordinary people.

"Who? Who the hell did this?!"

Shen Chong suddenly turned his head and roared again and again.

"Damn it! Who dares to sneak attack our senior brother? Who is so brave?!"

The disciples of the Bixia faction immediately jumped up, their faces full of anger.

"it's me."

At this time, a man in bright sunglasses walked over with two warriors.

That leisurely and calm appearance seemed to ignore everyone at all.

"Boy! Do you know who I am? How dare you sneak attack me?!"

Shen Chong gritted his teeth and looked fierce.

"Oh? Then I want to ask for advice. Who are you?"

The man in sunglasses seemed to be smiling but not smiling, quite playfully.

"Prick up your ears and listen! Lao Tzu is one of the Ten Heroes of Youzhou. He was given the nickname, Jade-faced Little Flying Dragon—Shen Chong!" Shen Chong shouted.

"The Ten Heroes of Youzhou? The jade-faced little flying dragon?"

The man in the sunglasses was startled for a moment, then chuckled, and joked, "Oh...that's such a big name, I'm so scared."

After the words fell, the next two warriors laughed out loud in cooperation.

"Bold!"

The

Shen Chong gritted his teeth and showed a fierce look in his eyes.

In public, being teased like this, if you don't teach the other party a lesson, how can you have any face in the future?

"Duel? Hehe...Do you know who I am? How dare you talk to me like that?" The man in sunglasses sneered.

"I don't care who you are! How dare you attack me? Even Jesus can't save you today, I said so!"

Shen Chong roared angrily and raised his knife to chop.

"I am the son of the head of the Jiuding School——Yan Tao!"

The man in sunglasses suddenly said something.

"Buzz!"

As soon as these words came out, there was only a whisper, and Shen Chong's knife stopped instantly.

Hanging on the head of the man in sunglasses, he didn't dare to let it go.

"Jiuding Sect? Yan Tao?"

Shen Chong's expression changed, and a trace of fear flashed in his eyes.

He is not afraid of the opponent's strength, but his identity.

Yan Tao actually doesn't have much ability. The main reason is that he has a good father - Yan Song.

Yan Song is the head of the Jiuding Sect and the number one martial artist in Youzhou!

Not only is he powerful, but he also has a profound background. He is a veteran of the Martial Alliance.

Even his master has to be afraid of three points.

So after hearing Yan Tao's name, he immediately stopped.

If this knife is cut down, not only will it harm yourself, but the entire Bixia Sect will also suffer!

"What? Aren't you going to duel with me? Come on, come on, if you can, you can chop me. I'll stand still and let you chop me. Let's see if you have the guts?"

Yan Tao took the initiative

"you--"

Shen Chong was so angry that his body trembled, but there was nothing he could do.

"It's a shame that you, a coward like you, still dare to call the Ten Heroes of Youzhou."

Yan Tao stretched out his hand and patted Shen Chong's face lightly.

It's not very harmful, but it's extremely insulting.

Especially under the watchful eyes of everyone, it's like stomping people's faces on the ground.

Shen Chong's eyes were red, he was panting violently, and had the urge to kill his opponent with a single blow.

"elder brother!"

With a soft drink from Shen Yao, she immediately brought Shen Chong back to reality.

She quickly stood up, smiled apologetically, walked up to Yan Tao, and took the initiative to apologize: "Mr. Yan, I'm really sorry. My brother drank some wine just now and was a little impulsive. I hope you don't mind."

"Yo! I didn't expect such a waste to have a beautiful sister like you."

Yan Tao rubbed his chin, and looked at Shen Yao's hot figure with unscrupulous eyes.

"Young Master Yan is joking. We are all from Youzhou. My master and your father have some friendship. How about turning today's matter into a big deal and into a trivial matter?" Shen Yao forced out a smile.

Chapter 965

"Yes, yes, but I have a condition." Yan Tao raised his eyebrows.

"What conditions?" Shen Yao asked with a smile.

"I want you and the other two beauties to accompany me to have a drink. If you are happy to serve me, let's forget about today." Yan Tao smiled wickedly.

It's not easy to see such a top-notch girl.

I didn't expect three to appear at the same time today. It was really an eye-opener.

Naturally, he would not miss such an opportunity.

"this....."

Shen Yao's smile froze.

Having traveled around the world for many years, she naturally understood what the other party meant.

If I drink this drink, I'm afraid it will be difficult to escape.

"What? Don't want to?"

Yan Tao's face turned cold and he said: "I don't like being rejected the most. You'd better think carefully before answering."

"Girl! It's your honor to drink with my young master. Don't be shameless!" A warrior behind threatened.

"Master Yan, if you want to drink, I can accompany you, but forget about the two sisters here, right?"

After hesitating again and again, Shen Yao chose to compromise.

It's just that she doesn't want Huang Yinyin to be involved.

"Huh? Are you teaching me how to do things?"

Yan Tao said with a displeased face: "I said I want three of you, that's three, and I can't do without one. Tonight, you must take good care of me!"

"Hey! Don't bully people too much!"

Huang Yinyin finally couldn't bear it any longer.

Huang Yinyin got angry, picked up a glass of wine, and poured it directly on Yan Tao's face.

"Smelly girl! How dare you hit me? I'm going to fuck you tonight!"

Yan Tao became a little angry and suddenly reached out to grab Huang Yinyin.

As a result, as soon as it stretched halfway, it was firmly grasped by a hand.

"I'll give you three seconds, get out of here right away."

Lu Chen stood in front and spoke coldly.

"Um?"

Yan Tao's face darkened: "Boy! Do you know who you are talking to?"

In the entire Youzhou, no one dared to disobey him.

"I don't care who you are, if you don't get out within three seconds, I'll break your legs."

Lu Chen said with an indifferent expression.

As soon as these words came out, there was an uproar all around.

"Damn it! Who is this person? How dare he challenge Young Master Yan?"

"At first glance, he looks like a stupid young man from out of town. He has no idea how scary the Jiuding Sect is."

"Hmph! You still want to be a hero and save the beauty in front of the Jiuding Sect? You don't even think about your own abilities!"

Everyone pointed and looked at me like they were idiots.

The Jiuding faction is the largest faction in Youzhou, and Yan Song, the leader, is even a half-step master-level powerhouse.

Whoever dares to offend such a big man is undoubtedly seeking his own death.

"three....."

Lu Chen began to count down.

A chill gradually released.

"Brother Lu! Don't mess around, you can't afford to offend this person!"

Seeing that the situation was not good, Shen Yao quickly issued a warning.

If Lu Chen hits Yan Tao, things will be in trouble.

"

Shen Chong frowned and shouted.

"Boy! I warn you to let go immediately, otherwise you will be responsible for the consequences!"

The two Jiuding Sect warriors also began to shout.

"two....."

Lu Chen ignored it and continued to count down.

"Hmph...pretending to be!"

Yan Tao curled his lips with disdain: "Boy, I am the young master of the Jiuding Sect. Do you dare to touch me? I stand still and let you hit me. You try to hit me? If you dare to touch a hair of mine? ,I....."

Before he finished speaking, Lu Chen raised his hand and slapped Yan Tao hard on the face.

"Snapped!"

Only one explosion was heard.

Yan Tao instantly flew several meters away, hit the wall hard, and fell flat on his face.

The audience was shocked.

Chapter 966

Everyone was shocked when they saw Yan Tao being beaten away.

Shocked and inexplicable.

No one expected that Lu Chen would be so bold, and he would do whatever he said without any nonsense.

You know, that is Yan Tao, the young master of the Jiuding Sect!

The son of Yan Song, the number one master in Youzhou!

The well-deserved Demon King!

If you dare to fight such a big shot, will you risk your life? !

"Hey! Are you crazy? Do the young masters of the Jiuding Sect dare to fight?!"

After being stunned for a moment, Shen Chong almost jumped up.

He had just endured all kinds of humiliations.

In the end, Lu Chen was lucky enough to slap Yan Tao directly.

If this slap continues, not only will the other party suffer, but they will also suffer misfortune.

"It's broken! Now we're in trouble!"

Shen Yao's expression changed.

She had already warned him aloud. She thought Lu Chen would have some scruples, but she didn't expect to take action anyway.

Once the Jiuding Sect takes revenge, the consequences will be unimaginable!

"You bold maniac! How dare you attack my young master? I must kill you today!"

After a brief daze, the two Jiuding Sect warriors instantly became furious.

He immediately pulled out his knife and killed Lu Chen.

"let me!"

Huang Yinyin volunteered, picked up the metal bat she carried with her, and went directly to meet him.

She has extraordinary talents and amazing understanding. Coupled with Lu Chen's careful training, her current strength has reached the level of acquired abilities.

Accompanied by the sound of fighting.

After dozens of moves, the two Jiuding Sect warriors were all knocked to the ground by Huang Yinyin.

They rely on flattery to get to the top, and they show off their power by following Yan Tao. They don't have much ability.

Now, when they fought against each other, the prototype immediately appeared.

"Hmph! With this little strength, how dare you shout in front of us? What a shame!"

Huang Yinyin put the metal bat on her shoulder, and imitated Bruce Lee's hand gestures, scratching her nose.

There was a bit of arrogance on her pretty face.

"Are these guys crazy? They don't pay attention to the Jiuding faction at all!"

"A bunch of lifeless things, when Head Yan arrives, you will have a good time!"

The warriors around talked a lot, as if they were looking at some corpses.

In the territory of Youzhou, if you still dare to call Ban Jiuding Sect, isn't this looking for death?

"You...you dare to hit me?"

At this time, Yan Tao got up in a daze, completely dazed.

His face was swollen, his nose was crooked, and when he opened his mouth, his teeth fell out.

Drenched with blood.

"Dog! How dare you hit me? You're dead, you're all dead! I'm going to tear you to pieces!"

After regaining consciousness, Yan Tao roared again and again, out of breath.

"Snapped!"

Lu Chen stepped forward and raised his hand to slap him.

Beating and scolding at the same time.

"This slap hits you stubbornly."

"Snapped!"

"This slap "Snapped!"

"Since your father can't teach you, then I will educate you myself!"

"Crack, crack, crack, crack..."

Lu Chen fired his bow from left to right, mercilessly, slap after slap, hitting Yan Tao's face non-stop.

The beating caused blood to spurt from his mouth and nose, and made him feel dizzy and roll his eyes.

In just a few moments, the entire face was swollen into a pig's head, the jaw was dislocated, and most of the teeth were lost. It looked horrible.

"..."

The people around were already dumbfounded.

All of them were dumbfounded and horrified.

Yan Tao, who has always bullied men and domineering women, had he ever been beaten so severely?

Not to mention hitting, I didn't even dare to touch it.

But the guy in front of me not only beat people, but he also killed them.
