

Catch Me If You Love Me

Chapter 98

Mrs. Lu?

Zoey Gu?

When Liam Lu said this, the media was in an uproar!

Not only the media, but even Zoey Gu raised her head in a daze, looking at him with an incredible expression on his face.

He actually really...

Seeing her stupefied expression, Liam Lu pulled her lips slightly, raised her hand to pinch her chin, and leaned towards her.

“Why? I even crawled over the bed, crying crying to be my wife Lu. Now I give it to you, dare not to ask for it?”

Zoey Gu suffocated fiercely.

She looked at him steadily, opening her mouth to talk, the man suddenly turned his head, his warm lips brushed her ear, and instantly k!ssed her.

Click.

The flash fired instantly and captured the scene clearly.

A few hours later, this photo of Liam Lu k!ssing Zoey Gu in front of the hotel room became the cover of major headlines.

Liam Lu wants to marry Zoey Gu!

As soon as the news came out, it spread all over the streets and alleys of Berven City like wings.

While people were shocked, they were even more embarrassed.

Who is Liam Lu? The second son of the Lu family who is in charge of the economic lifeline of Country H, the heir appointed by the old lady Lu.

Who is Zoey Gu? The infamous Miss Gu’s family is broken.

Liam Lu and Zoey Gu stayed in the hotel room all the time, and then left together after the overwhelming public opinion dissipated.

Sitting in Liam Lu's car, Zoey Gu was still in a daze.

"What's in a daze?"

Liam Lu frowned and glanced at her as he drove, and he said in a deep voice.

"Where do you live now? I'll take you there to pack your bags and move to the garden tonight."

Zoey Gu looked at him blankly for a long time before asking stiffly.

"Liam Lu, you...seriously?"

Liam Lu squinted, glanced at her coldly, and raised his eyebrows unconsciously.

"Do you think I'm joking with you?"

Zoey tightened the straps of his backpack resignedly.

Obviously his favorite person is Anna Yun. Obviously they will get engaged soon, so he keeps saying she is dirty. But when she really achieved her goal, she personally heard him give her the position of Mrs. Lu.

Not only was Zoey Gu unhappy, but inexplicably shocked.

"Why?" she asked without giving up.

Liam Lu pressed his lips tightly, and did not speak for a long time, as if what he thought in his heart was an unrecognizable fact.

"Zoey, what do you want to hear from me? Say I still love you? Or, to make you give up pursuing what Anna Yun did to you to the Gu family?" He suddenly said.

Suddenly, he laughed mockingly again.

"As you said, Mrs. Lu's identity can bring you everything you want. And I want your body to relieve my pain and get pleasure, that's enough."

He spoke slowly, but the words and sentences seemed to be like a knife lingering her heart, cold and painful.

Zoey Gu lowered her head with red eyes, closed her eyes vigorously, and then slowly made a sound.

"I didn't expect my body to be so valuable."

The sharp brake sound suddenly sounded, the wheels made a violent rubbing sound on the ground, and stopped instantly!

Zoey Gu's body rushed forward with great inertia, and fell back into the seat severely.

As soon as he turned his head, he saw Liam Lu squinting and staring at the front.

She subconsciously followed his gaze and looked over...
