

# Chapter: 1005

Depressed!

At this moment, the atmosphere in the entire box was suppressed to the extreme.

Everyone around the guests opened their eyes wide, and couldn't believe what was happening in front of them.

One slap after another, like raindrops, constantly slapped Chang Yuan's face.

Suddenly, Chang Yuan's handsome cheeks fanned from white to red, from red to blue, and from blue to purple.

It was almost beaten into a pig's head and was swollen.

till the end!

Snapped!

Another slap on Chang Yuan's face severely knocked him to the ground.

Only then did Yang Mingpeng stop.

"I... my face!"

Chang Yuan touched his cheeks swollen into a pig's head, and his mouth suddenly screamed like a pig:

"Yang Mingpeng, you have eaten the gall of the bear heart and leopard, it turned out to be a waste. Lin Fan, dare to hit me? " "

Are you afraid I Yang revenge you do? last time, I can make you pay a Galaxy Building, next time I can let you Yang, Manchu Jinmie! "

this moment !

Chang Yuan was going crazy.

In his mind, the last time the Yang family apologized, it was entirely because of himself and the prince.

He even thought that he had enough confidence to step on Yang Mingpeng and the Yang family.

After all, they did not dare to offend the prince.

Especially tonight.

With a word of his own, Yang Mingpeng knelt down and apologized to Bai Yi, which proved this point.

But now he couldn't figure out what was wrong with Yang Mingpeng, and he beat himself directly for the sake of a Lin Fan.

now!

Hearing Chang Yuan's words and looking at his bitter eyes, Yang Mingpeng was exasperated.

It was the first time he saw such a self-righteous idiot.

"Do you think that our Yang family paid for the Galaxy Tower because of you?"

"Do you think that you can kill my Yang family with an ant crawler like you?"

"Hahaha...Idiot!"

Yang Mingpeng looked at Chang Yuan, the whole People leaned forward and closed with laughter, as if in his eyes, Chang Yuan was a big joke.

When I heard his words, I was looking at his frantic smile.

Chang Yuan and everyone were stunned.

What do you mean?

Could it be that the last time the Yang family apologized, wasn't it because he called the prince?

if not!

So just now, how could Yang Mingpeng kowtow to Bai Yi to make amends because of a word of his own?

"Yang Mingpeng, am I an idiot? Or are you an idiot?"

Chang Yuan looked at Yang Mingpeng with a face of disbelief, and screamed: "Your family apologized because I called Prince Tian!"

"I told you You, I can make you pay for the Galaxy Tower with a phone call, and with a phone call, Prince Tian can also make your Yang family irresistible! "

Huh?

Prince Tian?

After Yang Mingpeng heard this, he faintly understood something.

Only then did he know that Chang Yuan had always thought that his Yang family had only made amends because of Prince Tian.

Thinking of this, Yang Mingpeng was even more amused by Chang Yuan's cleverness and self-righteousness.

And at this moment!

Huh!

The door of the box room was pushed open again.

Then everyone saw, hula, a group of young men and women stepping in.

Especially the headed person, tall and majestic, just walked in, frowned and shouted angrily:

"What's the matter? I heard you arguing all the way!"

"This is a banquet, what are you arguing about!" "A word, so that everyone in the box refreshed.

Because this young man is... Prince Tian!
