

Chapter: 1012

“Sorry, I have never been to the United States! I have never seen you, beautiful lady!”

Lin Fan smiled slightly, and immediately denied it.

It was only an accident that he saved this woman back then. He never thought about what would happen when he met the woman in front of him.

“No?”

“So...you are not him!”

The luster in the red-dressed woman’s beautiful eyes gradually dimmed.

A deep bitterness appeared in the corner of her mouth.

It seemed that the person who had been waiting for three years finally met and found out that it was not.

Lost!

And sorrow.

“Okay...Okay! Sorry, I may have recognized the wrong person!” The red-dressed woman shook her head.

Yes, that man in black back then, with a wave of his hand, wiped out a terrifying underground force in the United States.

This kind of character, even if it is in the world, is probably a great hero, how could he be reduced to Jiangnan City, and even become a car watching boy in the parking lot.

Thought of this.

The red-clothed woman’s gaze at Lin Fan now became much more complicated.

However, she hesitated for a moment, and still said:

“Sir, you are like a lifesaver of mine. I haven’t seen him for three years! I miss him!”

she said.

Tick!

Tears unexpectedly slipped from the eyes of the woman in red.

She looked at Lin Fan expectantly, and said in a trembling voice:

“Can I...can I hug you?”

Huh?

When Lin Fan stayed, he never thought that this woman would make such a request.

It’s just that I haven’t waited for him to answer.

But only a scent of fragrant breeze rushed towards her face, and the beauty in red in front of her suddenly rushed into her arms and hugged Lin Fan tightly.

Warm!

Fragrant.

The scent of this woman does not come from perfume, but a body scent.

People can’t help but indulge in it.

Not only that.

She hugged Lin Fan very tightly, very tightly.

As if holding the person who missed me day and night, savoring the lovesickness of the past three years.

Feeling the sadness on the woman in red, Lin Fan twitched the corners of his mouth, but still did not push her away.

he knows.

What this woman really wants to embrace is the self three years ago, the one who once saved her life.

quickly!

A few seconds later, this red-clothed beauty completely reduced her grief.

Jiao Chu also struggled out of Lin Fan’s arms:

“Yes... I’m sorry! Thank you!”

Finished!

The beauty in red wiped the tears from the corner of her eyes. She did not look up at Lin Fan, as if she was afraid that once again, she would recognize the person in front of her as her savior.

“These money, count as your tip!”

Finished.

The red-robed beauty squeezed a wad of money into Lin Fan’s pocket, and then the whole person seemed to be fleeing, and quickly got into the BMW car.

Hum!

The car started, and the beauty in red drove the BMW as if fleeing, and left the parking lot hastily.

Watching the scene of the car leaving.

Lin Fan’s heart is slightly complicated. Mobile phone:

Although he and the beauty in red only met once, but seeing the sadness of the other party’s longing, he was a little sad:

“Perhaps, we will never see each other again! This hug is the last gift!”
