

Chapter: 1013

After Lin Fan finished speaking, he shook his head and stopped thinking about it.

But at this moment.

When Lin Fan's ears moved, his complexion changed instantly, and he quickly turned his head and looked behind him.

Only then did he see that behind him, Bai Yi had already appeared there at some unknown time.

Especially, Bai Yi looked at her beautiful eyes, revealing a deep anger, disappointment and jealousy!

“Old...wife!”

Lin Fan's heart twitched, knowing that Bai Yi must have seen the scene just now.

Just now, he was completely disturbed by the beauty in red.

I didn't check it for a while, and I didn't even find Bai Yi came out.

And now...

“Wife, listen to my explanation, I don't even know the woman just now!”

A wry smile appeared at the corner of Lin Fan's mouth.

Just hearing this, Bai Yi's pretty face became more difficult to look like:

“Don't know?”

“Lin Fan, are you blind to me? The woman just now is very beautiful and hot, definitely in the eyes of your men. The top stunner! If you don't know each other, then how could she, a big beauty, hold you for nothing!”

“Also, she is crying while hugging you. Tell me, you don't know?”

Bai Yi His heart was burning with anger.

She never thought of it.

He hurriedly pushed away the greetings of all the guests, just to come out earlier and not let Lin Fan wait in a hurry.

However, she never dreamed of it.

After I came out, the first thing I saw was Lin Fan being held tightly by a hot red-dressed beauty.

This made Bai Yi's jealousy no longer be able to contain it, and it broke out.

“Wife, you have to believe me, that woman and I, uh... are acquaintances! But only three years ago, we only met once!”

Lin Fan panicked at this moment.

He deliberately wanted to explain everything about himself and the beauty in red, starting from meeting in the United States and saving each other.

However, as soon as he spoke his words, he could no longer speak.

because!

As long as he tells this matter, he will continue to explain how he was in the United States and how he saved this woman.

Even, all his identities will be involved.

“Huh! Know?”

“Lin Fan, you are really good, just now you said you don't know, now you know?”

Bai Yi heard Lin Fan's explanation, and even confirmed that Lin Fan's relationship with that woman is definitely not. Same as usual.

otherwise!

That woman is so glamorous that she would not embrace Lin Fan, and Lin Fan would not hide it like this.

Thought of this.

Bai Yi's face turned pale with anger:

“Okay! I don't want to hear any of your explanations now, you can go to that woman tonight! You don't have to go back!”

Finished!

Bai Yi no longer wanted to look at Lin Fan again, and angrily walked towards the Mercedes next to him.

They rented this car these days!

Bai Yi opened the door and went straight into the car.

Driving the Mercedes-Benz, it swept past like a violent wind, and left the parking lot.

Lin Fan was left alone, standing in the parking lot, messy in the wind.

“My Nima...”

At this moment, Lin Fan really wanted to give himself a slap in the face.

Too careless.

One is that Bai Yi did not appear, and the second is that he missed his words in a hurry.

“What should I do now? I can't go home, I can only walk around first, and wait until Bai Yi calms down.”
