

Chapter: 1014

Lin Fan rubbed his brows with a headache.

After that, he left the parking lot with extreme boredom and wandered on the road.

have to say.

The night scene of Jiangnan is much more prosperous than Jiangshi.

The dense traffic and bright neon make this provincial capital look more like a city that never sleeps, full of temptation and when Lin Fan walked for a quarter of an hour.

He paused, but he stopped in front of a bar.

Rolling Stone Bar.

“Forget it! It’s been a long time since I had a drink!”

Thinking of this, Lin Fan smiled and walked straight into this Rolling Stone bar.

Inside the bar, the atmosphere is noisy and noisy.

The roaring and vibrating heavy metal music seems to stir the nerves of every customer.

The dim light flashes and jumps in every corner of the bar, like a fairy dancing.

And on the dance floor.

A white-collar worker, silent in the nightlife, releases his sweat and tired nerves, and obtains short-term joy.

The smell of alcohol.

Hormonal breath.

Let this rolling stone bar become a sea of revelry for men and women.

However, just when Lin Fan was about to walk towards the bar.

His footsteps paused once again.

Because he saw that there was a fiery red figure sitting at the bar.

“Unexpectedly... it’s her again!”

Lin Fan’s mouth twitched, and he never dreamed that he would meet the hot red-dressed beauty in this rolling stone bar for the second time. especially!

The beauty, sitting at the bar at the moment, bought a bottle of wine, and even borrowed a bartender from the bartender.

She is mixing wine.

After a short moment.

When this beauty in red, pour the wine into the glass.

Suddenly, a glass of red and white cocktails exuding white flames had already been prepared by her.

“White fireworks!”

Seeing this glass of cocktail, Lin Fan couldn’t help but sighed.

The look of the beauty in red became more complicated.

Only he can truly understand why this beauty in red would make such a cup of white fireworks.

at the same time!

At the bar, the beauty in red slowly picked up this glass of cocktail.

Her beautiful eyes stared straight at the red and white of the cocktail, and the pale fireworks, with a trace of remembrance and confusion in her expression.

That was three years ago.

She and her companions went to the United States to join the Interpol to perform an arrest mission.

The subject of that arrest was an underground U.S. leader.

That man was extremely vicious. He kidnapped a woman from China and smuggled to the United States to do some dirty business. There were hundreds of Chinese women killed.

However, in the process of arrest.

But there was an accident.

One of the Interpol had long been bought by the underground leader and became the undercover agent of the other party.

Even more, the news of the arrest was passed on to the underground leader.

During the arrest, they were ambushed.

The police companion who went with her died on the spot, and she was also seriously injured, and was chased down three streets by those underground members.

The woman in red will never forget how desperate she was at that time.

The blood has turned her into a blood man, and the dense wounds make her fall to death on the streets of the United States at any time.

but!

Just when she was surrounded by the dense underground members and into an alley, she couldn’t escape with her wings.

A young man in black just happened to pass by.
