

Chapter: 1016

“Yeah, it’s so boring to drink alone! Let’s accompany you with some of our brothers, don’t worry, you can drink whatever you like, we have it!”

“...”

These young people looked like gangsters.

They looked at the hot figure of the red-dressed beauty, and each of them flashed with green light, as if hungry wolves were staring at the little white rabbits, full of greed.

Just heard this.

The red-dressed beauties didn’t even have the interest to look back at them, and said faintly:

“Please drink me? Do you know what kind of wine I am drinking?”

she said.

The beauty in red poured out a glass of white fireworks from the cocktail shaker again.

Ok?

The gangsters were taken aback for a moment, and they couldn’t help but smile on their faces, and said directly:

“Beauty, aren’t all wines used for drinking? Don’t care so much!”

“Yes, the drinks are not good or bad, and people are fine wines .”

Beautiful! I think you are so beautiful, this drink must be the same as yours, strong enough!”

“...”

Several smirks were extremely evil.

however!

at this time.

A cold color flashed on the face of the red-dressed beauty, and she said coldly: “I don’t even know what wine is this!”

“Go!”

What!

Under this scolding, several gangsters suddenly smiled stiffly. They didn’t expect that the character of this hot girl was so violent, and if they didn’t agree with each other, they let them go.

“Beauty, don’t be angry! Everyone is out to play, fun is the most important thing!”

One of the gangsters headed said, and stretched out his arms, trying to hug the red-dressed beauty.

however!

His arm has not yet touched the beauty in red.

Snapped!

A clear and loud slap slapped his face fiercely, and immediately slapped the bastard with a bewildered look.

“Little...little lady, you, why dare you hit me?”

The headed bastard felt the hotness on his face, and suddenly became angry.

“Ma, it seems that you are toasting and not eating fine wine! Good! I am going to play you to death today!”

the bastard said.

With a wave of his palm, he was about to slap the red-dressed beauty on the cheek.

Phew...

This slap is extremely vicious.

However, just when the beauty in red was about to fight back.

Huh!

She was stunned to discover that the slap raised high by the bastard could no longer fall, but was grabbed by a huge palm.

Ok?

At this moment, not only the beauties in red were stunned, but even the gangsters were all stunned.

They turned their heads and looked at them one by one, only to realize that behind them, a thin young man appeared at some point.

He grabbed the bastard’s palm and said with a smile:

“Brothers, don’t be so impulsive!”

“Beauty, it’s for appreciation, not for venting!”

What!

Hearing this, these gangsters were slightly startled. They didn’t expect that someone would dare to come out to stop them.

Especially, it’s just one person.

“Boy, what kind of green onion are you special, let me go!”

The headed bastard had a fierce look on his face. He immediately took his palm out of Lin Fan’s hand. However, He was surprised to find that Lin Fan’s palm was like a pair of iron tongs.

No matter how hard he tried, he couldn’t shake the slightest.
