And now, when he once again drank the water of life, he seemed to have returned to those blood and fire years.

Bloody, but dark.

“? You do not want to know, you white fireworks,”

Lin Fan turned around, facing the beautiful red smiled the moment he once again picked up the jug, the more brilliant smile up:

“I can teach you!”

Finished .

He put a bottle of wine in front of him, and then, while muttering, poured it into the shaker : “Chivas 13 years, 20ml! Napoleon xo 30ml! Ice cubes...”

The names and proportions of the drinks, Speaking from Lin Fan’s mouth, it passed into the ears of the beautiful lady in red.

The body of the red-dressed beauty was trembling slightly.

have to say!

Whether it was Lin Fan’s passion for drinking the water of life just now, or the tenderness of his cocktails now.

It was like a carving knife, inserted into the heart of the red-dressed beauty, making her heart shocked inexplicably.

She has never seen a man who can achieve this kind of natural conversion of pride and tenderness.

He drank the strongest wine, unstoppable, unstoppable!

He makes cocktails, but it is as soft and delicate as he is mixing life and matching love.

These two completely different attitudes made the heart of the red-dressed beauty tremble slightly.

Boom!

Until the red beauty is still in a trance.

Lin Fan has placed the shaker in front of her.

“Okay! You taste it!”

Huh?

Hearing this, the beauty in red couldn’t help being taken aback while looking at the cocktail shaker.

She only saw that Lin Fan was pairing the wine, but she did not see that he was shaking the shaker to mix the wine.

Could it be that this is adjusted?

how can that be.

The beauty in red had a questioning look on her face, but she still picked up the shaker, then poured a glass into her glass.

Suddenly!

A scene that shocked the beauties in red, and everyone around them, appeared.

I saw that the poured wine was thick and thick, like honey.

This is more than that.

In the viscous, it was red as blood, as if a scarlet flame was burning inside.

When the drink is halfway down!

Suddenly, it was not red.

It’s a tiny white flame.

The flame was not hot at all, but poured into the glass, which suddenly froze the hot temperature of the wine glass.

The traces of white flames exuded a breath of icy heart.

“It’s cold and hot! It’s...it seems!”

The pupils of the red-dressed beauty suddenly tightened, and a hint of ecstasy and shock appeared on her pretty face.

Like!

It’s just that the sticky red, and the shallow white, are already 70% to 80% similar to the white flame in her memory.

And when the red-dressed beauty lifted the wine glass, she could immediately feel that the upper and lower parts of the wine glass were like two heavens of ice and fire.

It’s cold, like I miss you!

Under the scorching heat, like love!

“is this real?”

The beauty in red was in a trance, she was holding this cup of white flame, and there was a kind of return to the way she was three years ago, which made her look extremely complicated.

especially!

Before she put the wine on her lips, she took a taste.

boom!

The beauty of the red dress trembled, and her beautiful eyes were instantly rounded.

The same taste.

She found that her taste buds and every cell of her tongue seemed to be cheering.

The familiar smell filled her body instantly.
