

# Chapter: 1020

Tick!

Tick!

Hot tears fell from the eyes of the red-dressed beauty.

She closed her eyes, shedding tears, and drank the cup of white flame.

Phew...

When the red lips were lightly opened, an opposite scent of hot and cold came out from her mouth.

“You... are you him?” The beauty in red ignored the tears on her face, her beautiful eyes stared at Lin Fan, her eyes filled with expectation and excitement.

Because she was completely convinced.

This glass of wine is absolutely exactly the same as the one I had drunk back then, without the slightest difference.

now!

Not only the beauties in red, but the people around them were also completely stunned.

They simply couldn't imagine what kind of magic power the drink made by this young man could make such an extremely hot hot girl cry with ecstasy and tremble with excitement.

This is simply incredible.

Especially those gangsters, they have been watching with cold eyes, until this moment, these gangsters were completely confused.

This guy is... picking up girls?

Ma's, it was the hot girl they stared at first, this bastard was actually picking up girls in front of them?

This is simply...finding death!

A trace of anger appeared in the eyes of several bullies.

just!

Lin Fan didn't even look at them. He smiled faintly at the beauty in red, and shook his head:

“I don't know who you are talking about!”

“I can only tell you that drinks are not the same, and men are different. the same!”

Are not the same!

This is... denying!

Hearing this, the excited light in the eyes of the red-dressed beauty gradually dimmed.

Yup!

How could it be a person?

Although they are very similar, although they all make this kind of drink, the level of people and people are destined to be different.

That man, now I am afraid that he is the top existence in the United States, how could he be a car watching boy, how could he appear in Jiangnan Bar.

Thought of this!

The red-dressed beauty couldn't help but shook her head and gave a bitter smile, and then said:

“Okay! Although you are not him, but I still want to thank you! Helped me find the taste of the year!”

Finished!

The red-dressed beauty picked up the shaker again, and in her and Lin Fan's cups, there was a white flame respectively:

“Come on! Encounter is fate, when you get drunk, you can leave!”

Finish!

The two picked up the wine glasses, touched them gently, and drank them all in one go.

boom!

This scene fell in the eyes of a few gangsters nearby, and immediately made them extremely angry.

Successfully pick up girls?

Marty, a woman who slapped herself in the face, but didn't get it, how could she let this little white face pick up a ready-made one.

Thought of this.

Several gangsters looked at each other, and a thick sullen color appeared on each of their faces, and then each took out a switchblade from his pocket.

“Go! Kill this bastard!” The headed bastard finished his words.

Wow!

Several celebrities immediately stepped forward and rushed towards Lin Fan.

The switchblade in their hands, with one handle, pointed at Lin Fan and pierced out fiercely.

“Boy, you are so dead!!!” The headed bastard said harshly and brutally.

He can't wait to kill the bastard in front of him.

Wow!

This scene was too sudden.

It wasn't until the many customers around, seeing several bullies rushing up with a bright switchblade in their hands, they were all startled and dodged.

Even the beauty in red was taken aback.
