

# Chapter: 1022

Huhuhu!

This bastard's constant panting, dense sweat has completely soaked his clothes.

He stared at Lin Fan, with a frightened and resentful look:

“Boy, you are cruel! You are waiting for me! I will go to my eldest brother now, and you will wait if you have the seed!”

Finished!

The bastard glared at Lin Fan, and then took a few other people, like bereavement dogs, squeezing the surrounding crowd away, hurriedly toward the entrance of the bar, and fled.

See this scene!

The bartender at the bar was horrified.

He quickly persuaded Lin Fan.

“Young man, let's go! Do you know that you have caused a big disaster! Those guys are the subordinates of Master Xiong!”

Master Xiong!

After hearing the name, there was a slight silence in the entire bar.

Customers around, took a breath.

“My God, that guy turned out to be a few people who bear God? No wonder so arrogant, in the bar, dare knife!”

“Bear Ye but ruthless people, came just one month before southern city, but by virtue of a With a knife, he smashed a street and recruited hundreds of younger brothers!”

“Yes, it is said that Master Xiong is so powerful that he can kill a bear with one punch! It's too violent!”

“It's over,” That kid, I'm afraid I will be beaten to death by Master Xiong this time!”

“...”

The eyes of everyone around him at this moment couldn't help but look at Lin Fan, and there was a deep color of compassion in their eyes.

Especially the bartender.

When Lin Fan made white fireworks, he knew that the young man in front of him was extremely extraordinary.

At this moment, naturally, I don't want this guy to die here.

At the moment, the bartender said anxiously:

“Did you hear that? Everyone here knows that Lord Xiong is great!”

“I heard that Lord Xiong was from Jiang City before, and his brother is still the boss of the underground city of Jiang City! I came to Jiangnan because I offended an unprovoked big man and came from hiding!”

“This person is cruel and tyrannical. If you don't want to die, go quickly!”

What!

People like Mr. Xiong have offended the unprovoked big people and came to Jiangnan to avoid trouble.

Heard this.

Many people around became curious.

They really want to know what kind of character it is that can make a ruthless person like Lord Xiong go out to avoid disaster.

This is simply incredible.

Even the beauty in red, frowning at this moment, looked at Lin Fan and said,

“Are you sure you won't leave?”

She could see that Lin Fan had some tricks.

But still don't believe that Lin Fan can be compared with Lord Xiong, after all, Lord Xiong is now an extremely famous underground leader in Jiangnan.

And what about Lin Fan?

Just a car watching brother, nothing more.

“No need!”

Lin Fan smiled slightly, without the slightest intention to leave.

See this scene.

In desperation, the red-dressed beauty could only say:

“Okay! In that case, I will cover you for a while! Don't worry, with me, the bear master dare not do anything to you!” She said!

She poured out two cups of white fireworks again and drank with Lin Fan.

Cup after cup!

The more they drank, the more they enjoyed themselves.

It's just surprising.

The more Lin Fan drank, the clearer his eyes became.

And the more the red-dressed beauty drank, her beautiful eyes became more blurred, and the wine red on her pretty face became richer.
