And Lord Xiong was also amused by Lin Fan’s words:

“Good boy, it has been many years, no one dares to call me stupid!”

“You are the second person who dares to provoke me in recent years!”

The second?

Hearing the cruel words of Lord Xiong, everyone around was taken aback. They didn’t understand who was the first one.

“The first person to provoke me is our Jiangshi, and even the top boss of China!”

“Although I was interrupted by him at the beginning, I was convinced and even admired! ”

And you, a little bastard who only pleases women, I can kill a litter with one punch!”
