

Chapter: 1026

Finished!

Under the shocking sight of everyone, Lord Xiong suddenly raised his fist.

A trace of cruelty and viciousness appeared on his face:

“So now, you...can die!”

Huh!

When the words fell, Master Xiong’s fist, which was as big as a casserole, hit the back of Lin Fan’s head and slammed away.

violent!

violent!

Just the style of Master Xiong’s fist made the faces of everyone around him change drastically. They only felt that under this fist, they were afraid that a wall would be enough to be blasted down.

And Lin Fan’s thin body, under this punch, will definitely be beaten to death.

“No...”

Sima Yan’er, the beauty in red, saw this scene, her pretty face changed drastically.

Master Xiong shot, too fast!

Especially this was caught off guard.

Sima Yan’er, the beauty in red, wanted to save Lin Fan, but she couldn’t do it at all.

I could only watch, Master Xiong’s punch hit Lin Fan’s head fiercely.

Suddenly, Sima Yan’er, the beauty in red, was so scared that her face was as pale as paper.

And aside.

Those bastards laughed extremely grimly:

“Die! The boss must be able to kill this pretender with a punch!”

“Hahaha...if he only dies, maybe we can still play with that police flower? , Thinking about it, I get excited!”

“Let you pretend to be forced, let you abolish my eldest brother, is he finally going to die now? Haha...”

Several bastards seemed to have seen it at this moment, Lin Fan Xiong gave him a punch. The bloody scene of a skull bursting is general.

Everyone laughed, cruel and vicious.

Three steps!

Two steps!

step!

...

At this moment, the iron fist of Lord Xiong was smashed too quickly.

Almost in the blink of an eye, he had reached the back of Lin Fan’s head.

It’s just astonishing.

Lin Fan seemed unaware.

Until that iron fist blew Lin Fan’s hair almost up.

Huh!

Lin Fan suddenly turned his head, revealing his face under Lord Xiong’s iron fist.

crazy?

See this scene.

Both the beauties in red and the people around them were all stunned.

In their eyes, Lin Fan is absolutely crazy, otherwise, why didn’t he dodge in the slightest? Instead, he exposed his cheeks under Lord Xiong’s iron fist.

Isn’t this looking for death?

Wow...

everyone’s face changed drastically.

It’s just that an unbelievable scene for everyone appeared.

boom!

After seeing Lin Fan’s face, the grinning Lord Bear looked like he had seen a ghost, and the grinning smile on his face instantly solidified.

Instead, there was a deep horror and horror.

Phew... The huge iron fist stopped abruptly when it was about to hit Lin Fan’s face.

An inch!

Master Xiong’s iron fist was only an inch away from Lin Fan’s face gate.

But Lin Fan’s smile remained undiminished, and he didn’t even blink his eyelids.

what!

Seeing this scene, the grinning smiles on the faces of those bastards froze in an instant.

The beauties in red and a famous customer could hardly believe their eyes.

This...what is going on?

Didn’t Lord Xiong want to fight and kill just now, wishing to smash this kid into pieces?

And now!

He could obviously smash Lin Fan’s head with one punch, why did he stop suddenly?

how can that be.

It’s just that the things that made them even more horrified have just begun.

Wow!

The hideous and ugly face of Lord Xiong was instantly as white as paper, with dense cold sweat flowing down.

He seemed to see a devil, staring at Lin Fan, even rubbing his eyes.
