

Chapter: 1030

When Lin Fan thought of Bai Yi, the flustered mood of the whole person instantly calmed down a lot.

quickly!

When Lin Fan walked into the hotel with Sima Yan'er on his back and opened a room, he went straight upstairs.

This is a big bed room.

The layout of the room is still elegant and beautiful.

Lin Fan immediately put Sima Yan'er on the bed and wanted to leave.

however.

Just when Sima Yan'er's body touched the bed, she jumped out of the bed as if instinctively.

“Nest...nest! Not good!”

Lin Fan was taken aback for a moment, and now he wanted to dodge.

However, when he was stunned, he had completely missed the opportunity.

vomit!

Sima Yan'er hugged Lin Fan and vomited out instantly.

Although there was no vomit, just some drinks, the strange smell still made Lin Fan's head full of black lines.

“What should I do...”

Lin Fan was completely dumbfounded.

He saw Sima Yan'er, as well as his clothes and pants, all the drinks that were spit out, after soaking his heart, almost 10,000 grass mud horses rushed past.

“Forget it, take a shower, wash the clothes again, and blow dry!”

“It should be soon!”

Thinking of this, Lin Fan could only take off his clothes one by one.

And when he took off only a pair of underwear.

Can't help but turn to look at Sima Yan'er on the bed.

This woman was completely immersed in the sleepy dreams, especially the wine stains on her body, which made her seem extremely uncomfortable.

In the confusion, her jade hands were constantly unbuttoning her clothes one by one.

Suddenly, she unbuttoned the shirt one by one.

A turbulent snow-white scene appeared in front of Lin Fan.

“It's estimated to be 36 days!”

Lin Fan's heart trembled fiercely.

have to say!

Sima Yan'er is well-developed, and the majestic and straight peaks and ridges make the heart beat rapidly.

Especially, with the snow-white skin with burgundy red, it is even more like a drunk beauty in the painting, all of which exudes the beauty of thrilling temptation.

quickly.

Under Sima Yan'er's haze, the coat and pants had completely faded.

Only one glamorous ketone body wearing underwear is left.

That S-shaped beautiful figure, with strong visual impacts, was shaking Lin Fan's will.

At this moment, Lin Fan could only watch his nose and nose, take a deep breath, and then cover the quilt on Sima Yan'er's delicate body.

“Go take a shower!”

Lin Fan shook his head. He wanted to rinse off the smell of alcohol on his body, and then he held his and Sima Yan'er clothes and walked into the bathroom.

After half an hour.

When Lin Fan finished processing everything, he walked out of the bathroom wrapped in a bath towel.

He was slightly taken aback.

Because he heard a series of painful muffled noises.

“Ah... well, it hurts... it hurts...”

Lin Fan saw that Sima Yan'er on the bed had completely kicked off the quilt.

Her fiery and delicate body almost bowed into a ball of cooked shrimp on the bed.

Yushou held his rabbit tightly, as if suffering great pain.

Not only that.

On her delicate body, her forehead was densely covered with cold sweat, and her pretty face was twisted into a ball in pain.

Ok?

This scene made Lin Fan's pupils shrink.

He hurried to the bed, and then carefully observed.

However, after turning over and observing, his complexion instantly turned ugly:

“Acute gastritis!”
