

# Chapter: 1036

“Yes...this woman!”

Bai Yi's pretty face became paler with every photo she turned over.

Until the end, after reading these few photos, there was no trace of blood on her pretty face, and it was as pale as paper.

She remembered this woman.

Because of her, she was the culprit who caused her quarrel with Lin Fan last night, and she was also holding Lin Fan tightly, as if holding her lover, making Bai Yi's heart more painful.

Tick!

Tick!

Tears slowly dripped down Bai Yi's beautiful eyes.

At this moment, Bai Yi only felt like a dagger, piercing her heart fiercely.

Although she had despised Lin Fan before, after so long, she had long regarded Lin Fan as her husband, especially after the two had experienced suffering and anxiety together.

He is not only his husband, but also his family.

We can live and die together!

But she couldn't even dream of it.

The man she loved the most would actually...

“No!!!”

Bai Yi's tears burst into her eyes, and she threw the phone back to Chang Yuan's body.

Her beautiful eyes were wet and red, full of sadness:

“I don't look, I don't listen, I don't believe it!”

“Lin Fan loves me as if I love him! He will not betray me, never will!”

Finished!

Bai Yi was wiping her tears while going crazy and ran towards the company.

Looking at Bai Yi's sad look, listening to her self-deception.

The corners of Chang Yuan's mouth could not help showing a hint of sinister arc.

He knows that his plan has succeeded! ”

“Hahaha...Lin Fan, wait for it!” When I rely on the big tree of the Shangye family, and when the time comes to unite with the people of the Bai family, even if Tian Hao and others all support you, you will be ruined! ”

Bai Yi is mine, and your life is mine!” ”

Thinking of this!

Chang Yuan immediately left with a cheerful smile.

Inside the company!

President's office.

Bai Yi sat stupidly at the desk, his entire face looked lost and sluggish.

Tick!

Tick! One by one teardrops fell from her eye sockets, and her heart was so painful...

At this moment!

Her pair of eyes stared directly at a photo frame in her hand. In this photo frame , A man and a woman, the one who smiles is happy, talented and beautiful, natural. The male is Lin Fan, and the female is Bai Yi.

This is the only photo of her and Lin Fan.

Before, she had been collecting her own In the safe, she would take out this frame only when there was no one around, silly happy, silly smile.

And now!

Looking at the photo, the two people who laughed unusually sweetly, Her heart was completely broken.

“Uuuuu...”

Bai Yi lay on the table, and her whole body was crying silently, and then became a whispered cry.

Her cry was full of deep sadness and disappointment. :

“Lin Fan, you didn't betray me, right? I know, even if the whole world betrays me, you will stand by my side, right?”

Bai Yi asked herself over and over again.

She seemed to tell herself, this Everything is a misunderstanding, Lin Fan will not be sorry for himself. It's just! In the room, it's quiet and empty, and no one can give her an answer.

Time slowly passed.

Bai Yi was in such a muddle-headed whole morning. Spent in a state. Her beautiful eyes were almost full of redness and swelling. And at noon!
