

Chapter: 1037

Bai Yi glanced lightly, and immediately connected:

“Hey!”

Her voice was a bit hoarse at the moment, wiping tears while listening to the phone.

“Bai Yi, I’m in the Crown Club, today I met a young master of the Ye family! He seems to have a way to help Lin Fan resolve his hatred with the Bai family, and save him from being chased by the Bai family!”

What!

Bai Yi was slightly taken aback when he heard the words in Chang Yuan’s phone.

Although nothing happened recently, Bai Yi has been worried about Lin Fan’s safety.

after all!

Before this guy, not only did he not transfer the new Bai family to the Jiangnan Bai family, but even snatched the Bai family group from the Jiangnan Bai family.

Even the more harmful three groups of white soldiers were wiped out. Bai Chen failed to ask the genius doctor Zhang and returned without success.

This pile, piece by piece, almost became the reason for Jiangnan Bai’s family to kill Lin Fan.

And now!

Master Ye Family!

“Could it be the Ye family of the four hidden world giants?” In Bai Yi’s tone, there was a kind of excitement.

Although today, after seeing the photos, Bai Yi was heartbroken.

But in her heart, she still believed in Lin Fan’s personality.

And now!

She can leave all of this temporarily and first help Lin Fan resolve her life and death crisis.

“That’s right! Bai Yi, although the Ye family and the Bai family are commonly known as the four hidden giants, their power is only stronger or not weaker than the Bai family!”

“Furthermore, this young man, with strong financial resources, can not only help this time. Lin Fan escaped the danger, and even if your new Bai family develops in the future, you will have to cooperate with them!” In Chang Yuan’s voice, there was deep excitement.

And heard this.

Bai Yi thought slightly, then nodded and agreed:

“Okay! Senior, then you send me a position, I will pass now!”

For Bai Yi, cooperation is not important, Lin Fan is the most important.

Thought of this.

Bai Yi hung up the phone, then picked up his shoulder bag, wiped the tears from the corner of his eye, and walked out of the office.

Crown Club.

This is one of the top clubs in Jiangnan City, and it is also the Ye family’s industry.

At the same time!

In the Tianzi box of the Crown Club, two men and two women were sitting.

One of the men is naturally Chang Yuan, and beside him is a young man in his early twenties.

He is the direct descendant of the Ye family, Ye Chen.

As for the two women next to them, they are the oirans of this crown club, with enchanting and exquisite figures.

now!

Chang Yuan squeezed the ass of the woman next to him, and then said to Ye Chen next to him:

“Ye Shao, thank you very much for your hospitality this time! If it is useful to get my place in the future, just speak up!”

Chang The look far away was full of excitement.

Originally, a small person like him was not qualified to make friends with the children of the hidden wealthy Ye family.

But this morning, he accidentally received a call from Ye Shao, asking him to drink.

This makes Chang Yuan not excited, how not ecstatic.

As long as Ye Chen came up with a tall branch, even if Lin Fan was a big man, he would not take it seriously.
