

# Chapter: 1044

Ye Chen's words were extremely evil.

It just fell in Chang Yuan's ears, but it made Chang Yuan's heart a long sigh of relief.

That's right!

This is the Crown Club, Ye Chen's site, even if Lin Fan alone is against the sky, he can't beat so many bodyguards.

Even, maybe with Ye Chen's hand, Lin Fan can be eliminated directly, but this is a big worry.

Thought of this.

The tension on Chang Yuan's face disappeared without a trace, replaced by a thick evil smile.

"Bai Yi, did you hear that? Hahaha...If your husband comes, then he will be dead!"

"I advise you, or follow Ye Shao obediently!"

Chang Yuan still plans to persuade Bai Yi.

However, Bai Yi inside did not respond at all.

This scene made Ye Chen's face flashed a cruel look:

"Chang Yuan, kick the door!"

"Yeah! Ye Shao!" Chang Yuan nodded, and immediately kicked on the door.

It's just that this door is extremely strong, even if Chang Yuan exhausted his strength, it just made the door sway slightly.

Bang!

Bang!

Bang!

Chang Yuan kicked on the door of the room, he and Ye Chen looked like evil and ferocious hungry wolves, ready to break into the door and devour the Bai Yi inside.

At the same time!

Bai Yi sat on the edge of the house door, his back pressed hard against the house door.

Her mind has gradually blurred, a pretty face, flushed like blood, suffering the torment of that medicine.

However, she bit her teeth to keep herself awake:

"Lin Fan! Lin Fan!"

Bai Yi kept calling Lin Fan's name softly.

It seems that at this moment, in the entire world, only this name can that man give her strength.

"Lin Fan, even if I am dead! I am also your woman, just your woman!"

"No one would want to ruin me, I... would rather die!"

Bai Yi's misty eyes revealed a kind of Deep sadness and determination.

She has already planned.

If she couldn't wait for Lin Fan, she would use the eyebrow trimmer in her bag to cut her life and keep her chastity!

...

And at the same time!

On the congested road, cars were constantly beeping, seeming to be constantly urging.

Among them, there is a police car.

There were three policemen sitting on it, two men and one woman.

If Lin Fan was here, he would suddenly find that the police flower in uniform was Sima Yan'er who had spent the night with him.

The tight uniform wrapped Sima Yan'er's perfect hot figure tightly.

Let her look, there is a kind of strange temptation.

However, in her expression, there was a deep confusion.

Looking at the scenery outside the car window with both eyes, I couldn't return to my senses for a long time, as if thinking about something.

And see this scene!

The two male police officers in front shook their heads repeatedly.

"What's the matter with our captain? I have never seen it before. We are the number one policeman in the south of the Yangtze River. We are so unhappy!"

"Yeah, how do I feel that the captain seems to be in love? It's like a broken love again?"

"Cut! Come on! The man our captain abolished can form a strengthened company. Although countless people admire her, who dares to plant this thorny rose!"

"..." The two male policemen talked.

I was extremely puzzled by Sima Yan'er's insufficiency.

But at this moment!

Huh!

A black shadow that looked like a lightning flashed past their police car, and immediately shocked all three people in the car.

"That dark shadow seems to be... that person?"

Sima Yan'er trembled all over.

I couldn't wait, and shouted to the two male policemen:

"Drive! Quick, catch up with the dark figure in front of you! Be sure to catch him!!!"
