

# Chapter: 1049

And now!

One after another, he looked towards the wall.

Only then did they see that it turned out to be a stone that knocked down the eyebrow trimming knife in Bai Yi's hand.

In particular, the strength of this stone was just right, and it didn't even hurt Bai Yi a bit.

After knocking down the eyebrow trimming knife, it seemed to be embedded in the wall like a bullet.

Wow!

This scene not only stunned Bai Yi, but even Ye Chen and Chang Yuan were shocked.

They never thought that someone was so powerful, not only saved Bai Yi, but even shot a stone into the wall.

This hand is so powerful and precise that it has reached an incredible level.

Swish!

At this moment, the three people in the room quickly turned their eyes to look at the door of the box room.

Only then did they see that outside the empty door, a figure appeared unexpectedly at some point.

This is...

“Lin Fan!!!”

After seeing Lin Fan, Bai Yi seemed to be collapsed and completely slumped on the ground.

Tears dripped from her beautiful eyes, but there was a thick happy smile on her face.

he came.

This man, every time like a god, appeared by her side when he was embarrassed, saving her from the fire and water.

And next to it!

The moment Chang Yuan saw Lin Fan, he felt his body trembled fiercely, and a hint of fear and ominous premonition filled his heart in an instant.

Ye Chen heard Lin Fan's name. The pupil shrank in the same way.

In the eyes, there was a strong unbelievable color:

“Impossible! Little...boy, how did you come up? All my bodyguards are outside, how could it not stop you!”

“Tell me, they are all What?” In Ye Chen's voice, there was a sense of horror and astonishment.

Not only that!

It was the look in Lin Fan's eyes that made Chang Yuan and Ye Chen more frightened.

A piece of blood red!

The extremely cold eyes are like a bloodthirsty beast that has reached the edge of rage, with a tingling sensation on the scalp.

especially!

“You...damn it!”

Lin Fan's voice resounded.

This voice seemed to come from hell, with a strong suffocation.

The words fall!

Huh!

Lin Fan's figure suddenly disappeared.

“Ye Shao, get out of the way!”

Chang Yuan's expression changed drastically, and he wanted to dodge frantically to the side.

just. He just moved, but he was shocked to discover that Lin Fan had already appeared in front of him.

Especially, his whip kick suddenly swept out.

It was as if a meteorite crashed down, kicking hard on Chang Yuan's legs.

Click!

Click!

Chang Yuan was horrified to see that his legs, under Lin Fan's whip legs, turned out to be like rotten wood, instantly deformed and broken, his lower limbs were empty, and his whole body was standing unstable with a thump, and he lay on his knees. On the ground.

“Ahhhhhhh!”

“My legs! Lin Fan, you...you kicked my legs! No...” There was a deep look of horror in Chang Yuan's eyes.

His legs were completely broken at this moment, especially the broken bone spurs, which pierced his leg skin and trousers for life, revealing.

The bone spurs are white, with scattered blood and minced meat hanging on them, which makes the scalp numb for a while.

Not only that, the intense pain that seemed like a tide swept through Chang Yuan's nerves in an instant, making his face pale as paper, and the whole person's mouth continued to emit horrible howls like killing pigs.
