

# Chapter: 1054

“Impossible! What the hell did this guy do, how could he become Master Ye Tian’s master!” In Chang Yuan’s eyes, there was a deep sense of horror and incredibleness.

He has heard of it.

Ye Tian followed a genius doctor. Although he didn’t know the name of that genius doctor, Lin Fan was his master. Doesn’t it mean that Lin Fan is the master of that genius doctor?

This is incredible, after all, Lin Fan is only in his early twenties.

It’s just that at this moment, Lin Fan didn’t care about the shock of Ye Chen and Chang Yuan.

With a pair of eyes, he looked at Ye Tian who bowed to the ground coldly, and a trace of chill emerged from the bottom of his eyes:

“You want to stop me?”

Boom!

There were five simple words, but it fell in Ye Tian’s ears, like a thunderstorm, making his body tremble fiercely:

“The disciple dare not!”

Ye Tian’s head was lowered, and his forehead was almost pasted. On the ground, the voice tremblingly said:

“It’s just that the disciple sun wants to know, why the master was so angry with Xiaochen that he even wanted to kill him?”

Ye Tian didn’t know what happened.

But he understood that his master, who never caused trouble, was probably what Ye Chen did.

Heard this.

Lin Fan’s eyes became colder and colder.

“Your brother plots against Bai Yi!”

What!

As soon as this remark came out, Ye Tian was almost shocked.

He knew that his master loved his wife the most. For Bai Yi, let alone Ye Chen, if he blocked him, the other party would kill him every minute.

Even, it is very likely that it will be the shock of their entire Ye Family.

Tick!

Tick!

Dense sweat ran down from Ye Tian’s forehead.

How to do?

As the young master of the dignified Ye Family, Ye Tian was completely panicked at this moment.

After a moment of contemplation, he couldn’t help but sighed and said to Lin Fan:

“Tui Sun understands! It is Xiaochen’s sin that is unforgivable! Please master everything, let it go!”

Boom!

Ye Tian’s words fell in Ye Chen’s ears behind, like a bolt from the blue sky, making him completely panicked.

“Big brother, you...you can’t do this, I’m your younger brother, how can you treat me like this!”

“Also, what kind of thing is this guy, he’s just a dumpling from Jiangshi, but we are Ye family children, you Recognizing him as a master has already lost the face of our Ye family! Now, you actually agree to him to kill me! You...you...”

Ye Chen was extremely angry and accused Ye Tian frantically.

Just heard this.

In Ye Tian’s eyes, a trace of complexity could not help appearing. The look at Ye Chen was filled with deep pity:

“Xiao Chen, don’t blame brother! You do evil on weekdays, bully men and women, I I have reminded you a long time ago to get rid of the bad habits!”

“But you just don’t listen!”

“Now, you are so timid and want to be against our master and Miss Bai! You deserved it!” Mobile phone terminal:

Wow !

Ye Tian’s words made Ye Chen’s body tremble, and his body was cold.

Is it finished?

He couldn’t believe that Lin Fan had such a terrifying power, making Ye Tian, who had always been extremely arrogant, obediently obedient, it was simply unbelievable.

Da da da!

At this moment, when he saw Lin Fan walking towards him step by step.

Ye Chen’s face was even more gray:

“No! Lin Fan, I don’t know what Ecstasy you gave my eldest brother! But you have to think clearly, I am the Ye family, you kill me, it is equivalent to Ye Family is at war!”

“You will die, your wife will die, and even your whole family will be able to see!”
