As if Lin Fan hadn't heard, he had already come to Ye Chen's side.

especially!

Lin Fan's palm gradually stretched towards Ye Chen's head.

"No..."

Ye Chen was completely scared and paralyzed. From his point of view, Lin Fan stretched out the palm of his head like the hand of death, making him desperate and making him tremble:

"Don't kill me, I beg you... ..No!!!"

"Stop it!!!"

Huh?

After seeing the policewoman in the lead, Lin Fan couldn't help narrowing his eyes:

"It's you?"

He was a little surprised. He didn't expect that this woman would actually appear here, especially that kind of appearance. It's for myself.

"Police officer, help me! This person is going to kill me, hurry...help me!"

Ye Chen saw the three policemen appear, instantly ecstatic, and shouted for help.
