"Put down the gun!"

Sima Yan'er's words changed the expressions of the two male policemen.

They hardly dare to detail their ears.

"Captain, this guy killed someone, how can we put the gun down!"

"Yeah, Captain, he is too dangerous, and he is likely to attack us!" The two male police officers were extremely afraid of Lin Fan at this moment.

Fearing that this guy didn't agree with him, he shot at them.

And heard this.

Sima Yan'er shook his head and said complicatedly:

"Let's put down the gun! If he wants to shoot at us, I'm afraid it will be the three of us already dead!"

Wow!

In a word, the two police officers and Chang Yuan and others could hardly believe their ears.

"Take it and come with us!"

Hearing this.

Seeing Sima Yan'er's complicated expression again, Lin Fan did not object, but nodded:

"Okay!"

Without saying a word, he took the handcuffs directly, and then put them on his own hands.
