

Chapter: 1057

“Lin...Lin Fan!”

Chang Yuan’s eyelids jumped wildly and raised his head, only to realize that Lin Fan was staring at him.

In particular, a sharp curve appeared at the corner of his mouth, and his gaze looked like he was looking at a dead person.

“You...what do you want to do?”

Chang Yuan trembled like sifting chaff.

He was afraid that this lunatic would kill himself at this moment.

However, Lin Fan smiled and said faintly:

“Keep your dog’s life first, and then take it when I come back from the guard station!” What!

Back from the guard station?

Hearing this, the corners of Chang Yuan’s mouth instantly showed a thick color of disdain and sarcasm.

come back?

You dream!

If you kill someone in front of this policeman, you will definitely be guilty of death.

Thinking of this, Chang Yuan didn’t refute, instead he was thinking about how to completely resolve Lin Fan’s threat.

However, Lin Fan didn’t care about the reptiles like Chang Yuan at all.

He turned his head to look at Ye Tian and said lightly:

“Bai Yi will wake up in ten minutes! Don’t tell her the truth at that time, let her return to the hospital and wait for me!”

Hearing Lin Fan’s words.

Ye Tian bowed quickly and said:

“Yes, Master!”

Until then.

Lin Fan turned his head, followed Sima Yaner and the others, and left the box.

Seeing Lin Fan and others leave.

A bodyguard next to him hurried forward and said to Ye Tian:

“Master Ye Tian, this guy killed Master Ye Chen, are you really willing? He is antagonizing our Ye family!”

“Also, do you think he can really get out of the guard? But when this policeman killed someone in front of him! “It’s not just this bodyguard. Even the other bodyguards around, and Chang Yuan on the ground. He also glanced at Ye Tian in unison.

They couldn’t figure out why Ye Tian didn’t have the slightest resentment when his younger brother was killed, but he was relieved.

I can’t understand even more.

Lin Fan has become a murderer, why does Ye Tian still treat him so respectfully?

now!

After Ye Tian heard the bodyguard’s words, his eyes couldn’t help but looked at Ye Chen’s body on the ground.

A trace of sorrow and complexity emerged in the eyes:

“What do you know! Ye Chen, this bastard, not only wanted to die by himself, but even just a little bit, buried me and all of us in the Ye family for him!”

Boom!

Ye Tian’s words fell in everyone’s ears, making everyone’s eyes widened, and they couldn’t believe what he heard.

Ye Tian and the Ye Family who almost killed Ye Chen were buried with him?

Could it be that!

Does Lin Fan really have the terror ability to destroy the Ye Family?

But how is this possible.

Not only the bodyguards were unbelievable, but Chang Yuan on the ground shivered. He was relieved just now, and suddenly became a little suffocated and panicked.

If Lin Fan really had such a terrifying ability.

So once he comes out of the guard alive, doesn’t it mean that the next person to die will be himself.

Thought of this!

Chang Yuan only felt his scalp numb.

however!

Ye Tian didn’t care about his thoughts at all. Instead, he told the bodyguard:

“Throw this Chang Yuan out!”

“In addition, you are waiting outside the door, waiting for Miss Bai Yi to wake up, according to my master’s instructions, Escort Miss Bai Yi back to the hospital and wait!”

“And I, now I’m going to report to the Patriarch!”

Report to the Patriarch!

Ye Tian’s expression was a bit complicated. He knew that just the sequelae of this incident might have caused Lin Fan to anger the Ye Family, and he had to resolve all these problems now.
