boom!

This scene immediately shocked Sima Yan'er.

Not only the palm, but Sima Yan'er was shocked to discover at this moment that all the handcuffs and fetters on Lin Fan's body had fallen to the ground without any sound.

This made her couldn't believe her eyes.

"You...you, you!"

Sima Yan'er's pretty face turned pale, her expression full of endless panic.

She had seen with her own eyes how ferocious and crazy this bastard was.

Originally, she thought that when Lin Fan was locked in handcuffs and fetters, she could avenge her last night.

Just now!

"What do you want to do? Quickly let me go, I'm a policeman! You..."

Sima Yan'er's face was pale.

I was afraid that Lin Fan would be disadvantageous to him.

Just hearing this, Lin Fan slowly stood up from the seat. He grabbed Sima Yan'er's jade foot with one hand, and raised her leg almost to the air. The smile on the corner of his mouth became more playful. :

"Huh! You woman, from the morning, you want to be against me!"

"In that case, then I will teach you a lesson!"

What!

Sima Yan'er was taken aback.

And before she could react.

Lin Fan twisted his jade foot again, causing Sima Yan'er's body to suddenly turn uncontrollably.

Then, under pressure, Sima Yan'er staggered before lying on the interrogation table.

"You..."

Sima Yan'er didn't know what Lin Fan was going to do, but with her back facing Lin Fan, she had a strong premonition in her heart.

It was just when Sima Yan'er wanted to continue to criticize Lin Fan.

Snapped!

She only felt a big fiery hand, and slapped her hips fiercely, causing her body to tremble involuntarily.

"You...you dare to hit me?"

A trace of red glow climbed up to Sima Yan'er's pretty face.

At this moment, she was extremely ashamed and angry, but she could not even dream that she was spanked by a prisoner.

especially!

She is normal, but she has not had any physical contact with men, except for Lin Fan last night.

And now!

She was humiliated by this bastard again, which made Sima Yan'er so ashamed that she could not wait to find a place to sew in.

But this is just the beginning!

Happiness!

There was another clear and loud applause, constantly resounding.

Lin Fan's palm fell fiercely on Sima Yan'er's buttocks again and again.

have to say!

Sima Yan'er's delicate body feels very good.

Every time a slap falls, the round and full buttocks will tremble fiercely and make your heart beat faster.

And with the slap falling.

Sima Yan'er only felt his buttocks, hot, like a kind of magical electric current, penetrated into his buttocks, and rushed towards his limbs.

This feeling made Sima Yan'er feel sore.

Even, her heart was rippling, and a shy flush appeared on her face.

"Asshole! Lin Fan, you asshole!"

Sima Yan'er bit her red lips, her pretty face was almost bleeding.

Especially a pair of beautiful eyes, blurred and hazy, with a hint of charming spring.

When people take a look, the heart pounds wildly.

Happiness!

Lin Fan ignored Sima Yan'er and was still spanking Sima Yan'er's ass.

This made Sima Yan'er tremble even more, and she was completely in a trance!
