

Chapter: 1069

At the same time!

At the gate of the guard station, it was densely packed at this moment, and it was full of military vehicles. From a distance, the green and green, like a sea of people, the uniform figure of sergeants, shocked to the extreme.

Dragon and Tiger Legion!

This mere name is a terrifying force that has changed the world.

And now, they have blocked the water surrounded by guards.

A terrifying evil spirit roared in front of the guard station's door.

This is like an army of demons. Just looking at it makes the scalp numb and can almost scare the urine.

especially!

At the forefront of this ten thousand army.

But it was two big guys standing like iron towers.

They just stood there, giving people a terrible aura as if two mountains remained unmoving.

The two of them seem to have one look, they can retreat from all enemies!

They, that is the two gods of the Great War, Dragon Commander and Tiger Commander!

And in the courtyard.

A police officer walked out long ago, and they looked at the terrifying Dragon and Tiger Legion, and their eyes were filled with deep fear and trepidation.

“Oh my god! Dragon, tiger, god of war, how come these two giants come to us and the guard station!”

“Yes, what happened? They actually surrounded our guard station, could it be that we broke into something? A terrible disaster!”

“No! If we really caused a disaster, the Dragon and Tiger Legion would have arrested us all! I see, they are more like waiting for someone?”

Huh?

When I heard someone speculate, the reason why Dragon Tiger and God of War surrounded the door seemed to be waiting for someone.

The bodies of all the police officers trembled fiercely.

That's right!

If they really came to arrest them, these little police officers, like a group of chickens and dogs, would have been suppressed by the terrifying Dragon and Tiger Corps a long time ago.

And now... The Gods of the Two Great Wars and the Ten Thousand Army Corps just surrounded the door, but did not act at all.

This is obviously waiting for someone.

It just made everyone unable to imagine what kind of character he was able to make the Gods of the Two Great Wars and the army of ten thousand people wait so hard.

This is simply incredible.

“It's hard to imagine, who else in China can make the gods of the two wars wait here!”

“Yes! It's terrible! How can such a big man be in our guard station !”

“Look! Captain Wei Fengqiang is here! Now!”

Swish!

Hearing this, one police officer looked towards the building one after another.

They saw that at this moment, Wei Fengqiang seemed to have burned his buttocks, and led a group of police officers from the building to be late.

Their faces were full of panic and anxiety.

In a short while, he ran to the front of the two war gods out of breath.

Hoop!

Headed by Wei Fengqiang, all the police officers bowed to the Dragon and Tiger God of War.

“I am Wei Fengqiang, head of the Jiangnan Security Bureau, and... welcome the Dragon and Tiger God of War to our guards as a guest!”

“I don't know if there is anything I can do for the two adults?” At this moment, Wei Fengqiang's face, With a thick and flattering smile.

Like a pug, he looked expectantly at the Dragon and Tiger God of War. This scene, and his previous arrogance and domineering, were nothing like two people.

And hear this!

The God of Dragon and Tiger only glanced at Wei Fengqiang faintly, as if looking at a tiny ant.

“The two of us are waiting for Lin Zuo!”
