boom!

In a word, Ye Tian's complexion was completely ashamed.

Ye Ming, who was next to him, almost jumped up with excitement.

"Disciple Ye Ming, thank you Patriarch for your accomplishment!"

"Patriarch and elders can rest assured, within half an hour, Wei Fengqiang will definitely send Lin Fan's head to our Ye family!"

This sentence of Ye Ming made Patriarch Ye Wuya nodded in satisfaction, and the rest of the people were even more ecstatic.

"Hahaha... Ye Ming, congratulations! You will be the helm of our Ye family in the future!"

"Yeah, Ye Ming is still awesome, unlike someone who is afraid of a bun!"

"... .." The surrounding Ye Family leaders and children congratulated Ye Ming again and again.

And see this scene.

Ye Ming's heart was extremely ecstatic.

"I bought the head of that Xiaozuo son-in-law for ten million, which allowed me to completely conquer the Ye family. It was a bargain! Hahaha..."

Ye Ming said excitedly in his heart.

But in the face of everyone's congratulations, it was a humble expression.

Puff!

This scene fell in Ye Tian's eyes, and it suddenly made him feel as if he had been drained of all his strength and fell to the ground.

"It's over! Our Ye Family's disaster is imminent!!!"

Ye Tian yelled at everyone like crazy.

And hearing this, the Ye family members around were slightly taken aback.

A catastrophe is imminent?

Cut, what an idiot.

Many Ye Family members looked at Ye Tian as if they were looking at a fool.

And at this moment!

Jingle Bell!

A cell phone ringing rang from Ye Ming's body. He took out his cell phone and took a look, then said to Ye Tian with a sarcasm:

"Hahaha... Did Ye Tian see it? It's from the police station." Yes, I think the Lin Fan you were afraid of has already fallen to the ground!"

Ye Ming's words made everyone around him excited to the extreme.

just!

Everyone saw that when Ye Ming answered the phone.

Huh!

The thick smile on his face froze for an instant, and then his eyes went wide, as if he had heard some terrible news, and the whole person was completely dumbfounded.

"Dead...dead? Are you sure?"

Ye Ming's face was pale as paper.

Especially after getting a certain message from the person on the phone.

Puff!

His legs were weak, and he fell to the ground.

Ok?

Ye Ming's reaction caused Patriarch Ye Wuya and the hearts of all the Ye family members around to chuckle, and hurriedly asked Ye Ming one by one,

"Ye Ming, what happened? Who are you talking about dead?"

"Yeah, Big Brother Ye Ming, is that Lin Fan dead?"

"..." One after another, they stared at Ye Ming's body, their eyes full of anxiety and anxiety.

Just after hearing these words.

Ye Ming looked at the crowd and said in horror:

"I...I just got news that Lin Fan is not dead, but the captain Wei Fengqiang who bought and killed Lin Fan... is dead!"

what!

Ye Ming's words shocked everyone in the main hall.

The person who wanted to kill didn't die.

The person who sent the murderer died.

This faintly made everyone feel something wrong.

At the moment, a trace of ominous premonition emerged in their hearts, and they continued to ask Ye Ming:

"Ye Ming, who is so bold to kill Captain Wei Fengqiang?"

"Yeah! You... don't say yes. That Lin Fan? His son-in-law can't be so bold!"

"..."

At this moment, all the Ye Family members only felt their hearts, thumping and thumping wildly.

And heard this.

Ye Ming's mouth twitched, only feeling his scalp tingling:

"It's not Lin Fan, it's... Dragon Tiger God of War!"
