

# Chapter: 1078

“Dragon...Long Shuai and Hu Shuai are coming, I have missed Ye Wuya, please two adults to forgive me!” At this moment, Ye Wuya only felt his scalp numb, and he hurried to Longhu. In front of the God of War, bowed and saluted.

His waist was bent 90 degrees.

Dense cold sweat ran down from his forehead.

“I don’t know the two adults, is there anything going to come to my Ye’s house?”

When asked this, Ye Wuya only felt his heart beating wildly, almost popping out of his throat.

And behind.

The senior members of the Ye family and their direct descendants also almost burst their scalp, looking at the Dragon Tiger God of War and the sergeants, full of fear and horror.

especially!

For some reason, at this moment, the minds of all Ye family members echoed the roar that Ye Tian had made before.

Ye Family, disaster is imminent!

Is this...really?

For an instant, every Ye family looked at Ye Tian incredulously, with a look of panic to the extreme.

“Ye Wuya!”

Long Shuai’s eyes were sharp, as if in his eyes, even if the Ye family is a hidden worldly wealthy, it is nothing more than an ant:

“You can convict you? You Ye family, can you convict?”

Wow!

Long Shuai’s words were tantamount to a bolt from the blue to all the Ye family members, and completely frightened them.

“Long...Long Shuai, my Ye family has always been abiding by discipline and law. I don’t know what the crime is?” A deep wry smile appeared on the corner of Ye Wuya’s mouth.

However, upon hearing this, the two gods of the Dragon and Tiger wars were exasperated.

“I don’t know what the crime is?”

“Then I ask you, is it a crime that Ye Chen is planning to plot a misconduct against President Bai Yi?”

“Ye Ming bought Wei Fengqiang and wanted to kill Lin Zuo, is it a crime?”

Long Shuai’s words were like a burst of thunder. A Ye family was cold all over.

It just followed.

wrong!

Ye Wuya and all the Ye family were stunned. They seemed to have heard Long Shuai saying... “Lin Zuo”?

Is this a mistake?

Ye Wuya’s face seemed to have seen a ghost, and he asked Long Shuai:

“Long Shuai, Ye Chen is not righteous and wants to plot against President Bai Yi, but he is dead!”

“In addition, I was just now. Did you hear me wrong?”

“You said Ye Ming wanted to kill... Lin Zuo?”

Tick!

Tick!

Dense cold sweat ran down from the foreheads of Ye family members one after another.

They looked at Long Shuai’s gaze, filled with deep horror and disbelief.

China Forest Block!

That is one of the top bosses in China.

Even if they were given a thousand courage to the Ye Family, how could they dare to deal with such a big man.

Even if they moved their fingers, they could crush the Ye Family to death.

Especially Ye Ming among the crowd.

He was completely dumbfounded:

“No...impossible! How could I want to kill Lin Zuo, I just want to kill a little son-in-law from Jiang Shi!”

Ye Ming’s face was as pale as paper.

On the side, Ye Tian also sweated coldly:

“Could it be that in addition to being the Lord of the Blood Prison, Master, or... that person?”

Thinking of this, Ye Tian also felt his scalp tingling.

“Huh!”

Long Shuai snorted coldly at this moment, staring at Ye Wuya and said:

“You heard right, what I just said is that you really want to kill Lin Zuo!”

It is Lin Zuo!

After confirming this, Ye Wuya and all the Ye family members were almost frightened to urinate.

Puff!

Puff!

There were even Ye family members who couldn’t bear such pressure and were so scared that they fell to the ground.

This is more than that.

Hu Shuai glanced at the Ye family coldly, then smiled sensibly:

“Because Lin Zuo, it’s... Mr. Lin Fan!”
