

Chapter: 1080

Tick!

Tick!

Drops of scarlet blood continued to drip from Ye Ming's heart.

His whole body froze completely.

Only a trace of power is fading from his body.

“Lin Fan... Lin Zuo!”

Ye Ming's mouth spit out the last words.

If there is another life to come, he definitely does not want to meet this person again, this person is simply a devil.

Puff!

When Ye Ming's body was planted on the ground.

Ye Wuya let out a long sigh of relief.

He turned his head and said to all the Ye family members:

“Everyone has heard that, this time it was Ye Tian who saved us! In the future, Ye Tian will be the next successor to my Ye family!”

Wow!

Upon hearing this, the surrounding Ye family looked at Ye Tian as if they were looking at a hero.

And feel the awe of everyone.

Ye Tian's expression flushed with excitement.

He knew that from today onwards, he was completely different. Lin Fan was Lin Zuo and his master.

A deep gratitude permeated Ye Tian's heart. He had completely decided that he would follow Lin Fan at all costs and never regret it.

...

And at the same time.

Jiangnan First People's Hospital, in an advanced nursing ward.

The atmosphere is extremely suppressed.

On a wheelchair, Chang Yuan's legs were wrapped in bandages. At this moment, he spit and said to Shen Taigong, Shen Jian and others:

“Shen Taigong, this matter is my fault, I can apologize to Bai Yi! But everything I do is for Bai Yi's good!”

“After all, they are the sons of the Ye family, and Bai Yi became Ye Chen's son. Woman, isn't it a thousand times or ten thousand times better than being Lin Fan's wife!”

“Also, Lin Fan is now a murderer, and has offended the Ye Family even more. He is completely over!”

Chang Yuan's face is bright red. Slap print.

But it was Bai Yi and Baishan father and daughter.

However, he didn't care.

Still defending himself.

And heard this.

Shen Taigong, Shen Jian, and Shen Jie's faces were completely frightened.

Ye family!

Among the four hidden giants in the south of the Yangtze River, when Lin Fan killed the Ye family members, he had forged a death feud with the Ye family.

Now, not only Lin Fan is finished, but they are also completely finished.

“Chang Yuan, do you and he shut up!” Bai Shan roared out angrily.

He looked at Chang Yuan's gaze, wishing to swallow this bastard alive;

“You killed Lin Fan, and you also killed my daughter!”

“You damn it, even if I'm a ghost, I will never let you go!”

Baishan was angry. monstrous.

Bai Yi on the side seemed to have lost his soul.

She didn't know until she woke up that Lin Fan actually killed Ye Chen and was arrested in the guard station.

“Lin Fan! Lin Fan!”

Bai Yi chanted Lin Fan's name desperately, with crystal tears falling from her eye sockets:

“Why are you so stupid! You stupid, if you are sentenced The death penalty, I can only die with you!”

At this moment, Bai Yi completely lost interest in everything.

She only knows that Lin Fansheng will give birth to her.

Lin Fan died, she would die!

Only at this moment.

Taigong Shen on the hospital bed said:

“Baishan, Yumei! Don't be impulsive. The only important thing now is not Chang Yuan's fault, nor Lin Fan, but the anger of the Ye family!”

“So I decided to let you guys The family went to the Ye family...kneel down and apologize!”

“Even if the Ye family is willing, I want your family to give all the property under their name, and even the girl named Bai Yi, to the Ye family together! Until they forgive you!”

boom!

Shen Taigong's words changed the expressions of Bai Yi's family.
