

Chapter: 1081

Apologize to the Ye family on their knees.

Give the property and Bai Yi to the Ye family in exchange for forgiveness!

At this moment, when the Bai Yi family heard Taigong Shen's words, all of them turned pale to the extreme.

They couldn't think that Taigong Shen even gave away his granddaughter for his own sake.

For a moment!

Bai Shan's face was almost flushed with anger. He shouted angrily at Shen Taigong and the others:

"Dad! How can you do this! Lin Fan is now unknown to life and death, you want to give Bai Yi to the Ye family, you are worthy of it. Are we? Are you worthy of Lin Fan?" It's not just Baishan.

Shen Yumei's face was also full of disappointment:

"Dad! I would not agree to give Bai Yi to the Ye family! Never agree!"

The attitude of the Baishan couple was extremely firm.

And see this scene.

The father and son Shen Jian and Shen Jie next to him couldn't help but start to persuade:

"Second sister! Brother-in-law! Why do you think so? That Lin Fan, he is now a murderer and is completely finished, do you still want to make Bai Bai? Is Yi Shou living a widow?"

"Yes, second aunt! That's the Ye family, how many women in the south of the Yangtze River, we dream of joining the rich family! If Bai Yi's cousin enters the Ye family, even as a maid, it will be an extremely glorious thing. Ah!"

In the eyes of Shen Jian and his son.

Even at all costs, there must be no conflict with the Ye family, otherwise, not only will the Bai Yi family be over, but their Shen family will be over.

And at the moment!

Seeing the two sides arguing, their faces were red.

Chang Yuan, who was on the side, couldn't help but said to Bai Yi:

"Bai Yi, even if you think about yourself, don't you think about your uncle, aunt, and Lin Fan?"

Lin Fan!

Bai Yi's body trembled fiercely when he heard Lin Fan's name.

Yes, if you can obtain the Ye Family's forgiveness, then even if Lin Fan is a murderer, there may be a bit of life.

And if the Ye Family retaliated, then Lin Fan would undoubtedly die.

There is no reason to survive.

Thought of this.

On Bai Yi's pretty face, a thick ashes and despair appeared.

How to do!

What should she do.

Seeing Bai Yi's hesitant look, Chang Yuan's heart suddenly became ecstatic, and quickly added fuel and jealousy, and continued:

"Bai Yi, the heir of the Ye family now is Master Ye Ming! He will definitely like you, as long as you win the favor of Master Ye Ming. , Then he can make the Ye Family give up the plan of revenge! He can even use the relationship to exempt Lin Fan from the death penalty! "

Exempt from the death penalty!"

These simple words made Bai Yi's body tremble fiercely.

She didn't want Lin Fan to die.

But she couldn't betray Lin Fan.

The dense teardrops slid down from Bai Yi's beautiful eyes.

Her extremely glamorous face was full of ashes and sorrow.

And Shen Taigong saw this scene.

His wrinkled old face suddenly flashed a stern look, and he sternly shouted:

"Okay! Whether you want it or not, you must do what I said!"

"Your family, immediately go to Yejiamen and kneel outside. ! Your property and Bai Yi are also given to Master Ye Ming, to win Ye Family's forgiveness!"

Taigong Shen's words were filled with an unquestionable tone.

Heard this.

The expressions of Bai Yi's family were ashen, but Chang Yuan was almost happy in his heart.

He knew that he would never get Bai Yi again in his life, but he wanted to retaliate against Lin Fan.

The best way is to send Bai Yi to Ye Ming.

Not only could he retaliate against Lin Fan, but he could even win Ye Ming's trust, killing two birds with one stone.

And now, is it finally going to succeed?

Thinking of this, the smile on Chang Yuan's face was extremely rich.

Just at this moment.

"I, disagree!!!" A cold voice came from outside the door.
