Ok?

After hearing the dense footsteps, everyone in the ward was taken aback.

They can naturally hear from these voices, definitely no less than 20 or 30 people.

really.

Under the doubtful eyes of everyone, one after another in suits and leather shoes appeared in front of the ward.

The leader is a middle-aged man, he is very well maintained, his face is elegant, but he contains supreme majesty.

And when the middle-aged man was recognized.

boom!

Chang Yuan in the ward was taken aback.

“He... he is Ye Wuya, the head of the Ye family!!!”

What!

Chang Yuan’s words caused Shen Taigong and everyone else to shudder in Lingling.

Patriarch of the Ye Family?

This is the most terrifying giant in Jiangnan City, how could it appear here.

This is more than that.

Chang Yuan was almost stunned. He looked behind Ye Wuya with a face pale as paper:

“That one is the president of Ye’s Group, and that one is the director of Ye’s Group...”

One after another !

Chang Yuan, Shen Taigong and others discovered that these people in front of them were all the core figures of the Ye Family.

Even if it is any one of them, stomping, the whole Jiangnan City will be shaken.

especially!

Together, these twenty or thirty people, almost representing all the big brothers of the Ye Family, the hidden giant, came together.

This is simply incredible.

“Ye...what did the Ye family seniors come here for? Could it be that Xingshi asked the crime?”

Shen Taigong’s frightened body trembled on the hospital bed.

And heard his muttering voice.

Chang Yuan suddenly thought of something, ecstatic, and said to Lin Fan arrogantly:

“Hahaha...Lin Fan, have you seen it? Ye family bosses are here, they must come to you Xingshi!”

“You killed Ye Chen, and you won’t die with the Ye Family! You’re done, you’re dead!”

Chang Yuan’s expression was full of pleasure and sarcasm.

When he heard his words, the Baishan family next to him turned pale with fright.

Especially, they saw it in amazement.

Da da da!

After Ye Wuya and others appeared, they walked straight in the direction of themselves and others.

boom!

This scene made Baishan and others look earthy.

“What...what do you want to do? I tell you, no one can touch my son-in-law! Otherwise, even if I fight this old fate today, I won’t let him go!”

Baishan guarded Lin Fan to death. , Looked at Ye Wuya and the others with horror.

However, what made him stunned was that he found that the group of Ye Family leaders headed by Ye Wuya looked at himself and others,

without the slightest chill or murderous intent, but a deep awe and panic.

This...

Baishan, Shen Yumei, and Bai Yi all suspected that they were wrong, after all!

The dignified Ye Family boss, how could he be afraid of himself and others, this is absolutely incredible.

Five meters!

Three meters!

...

Seeing Ye Wuya and others, getting closer and closer to the Bai Yi family, the smile on Chang Yuan’s face grew thicker.

“Die! Lin Fan, you devil, are you finally going to die?”

Chang Yuan’s heart flushed with excitement.

just.

Just after he saw that Ye Wuya and others walked in front of Lin Fan, the next scene made his smile freeze instantly.

Hoop!

Headed by Ye Wuya, all Ye family elders were straight and uniform.

To Lin Fan and Bai Yi’s family, they all bowed together.

A frightened and fearful voice resounded:

“Miss Bai, my Ye family invites you to sin!!!”
