boom!

In a word, it seemed that the miserable destiny pronounced against Chang Yuan, causing his body to tremble fiercely, and he almost fainted with fright.

company bankrupt!

Home is broken!

Life is better than death!

When Chang Yuan thought of these three words, a deep panic instantly filled his heart.

He naturally believed that the Ye family would do what he said, and Chang Yuan seemed to have seen his miserable life in the future.

“Mr. Lin, Miss White Iraq!”

“We apologize for leaves home, then from today, we will be one-half of its industry, donated it to Miss White Iraq, in order to compensate for the loss of Miss White Iraq!”

Said !

Ye Wuya waved his hand, and suddenly a lawyer came over with a contract.

“This is a transfer contract! We will handle everything for you!”

What!

Hearing Ye Wuya’s words, everyone in the room trembled fiercely once again.

One-half of the industry?

You know, this is the Ye family of the four hidden world giants, and their industry is tens of billions!

And if you take out one-half, you are at least a billionaire.

That’s it, given to Bai Yi for no reason, just to apologize?

This is so... absolutely crazy!

The three of Shen Taigong, Shen Jian, and Shen Jie only felt as if they were dreaming.

They couldn’t imagine that in the last second, they wanted to give Bai Yi to the Ye family for forgiveness, but in less than half an hour, the Ye family gave their family’s general property and gave it to Bai Yi.

The difference between this day and place made the three of Shen Taigong completely dumbfounded.

“Shen...Shen Jie, is this true? Your cousin now owns half of the Ye family?”

Shen Taigong clutched his heart, feeling that he was about to have a heart attack.

And heard this.

The corners of Shen Jie’s mouth were full of bitterness and complexity:

“Yes! Grandpa, cousin Bai Yi is now the master of half of the Ye family!” In one sentence, Taigong Shen rolled his eyes, making it harder for the whole person. Controlling his shock, he fainted in fright.

Until a group of Ye Family elders hulled and left.

Quiet!

There was deathly silence in the entire ward.

Everyone looked at the contract in Bai Yi’s hand, as if they had seen a ghost.

“Bai...Bai Yi, is this true?” Bai Shan pinched his thigh.

When he felt the sharp pain in his thigh, his body trembled and he recovered.

And Bai Yi!

She held the stack of contracts in her hand and felt like she had dreamed:

But!

When she reacted, Bai Yi’s eyes stared at Lin Fan, full of shock and questioning:

“Lin...Lin Fan! Tell me the truth, is it all related to you!”

What!

After hearing this, everyone in the room couldn’t help but trembled fiercely.

That’s right!

From start to finish, this incident is too weird.

After Lin Fan was arrested, he was acquitted again!

Ye Ming, the young master of the Ye family, failed to deal with Lin Fan, but was killed instead.

And, on the surface, the Ye Family looked like they were giving Bai Yi an apologize, but everyone saw that whether it was Ye Wuya or other Ye Family bigwigs, it seemed more like they were afraid of Lin Fan?

Even every look in Lin Fan’s eyes would make Ye Wuya and others panic.

When these details are combined.

Swish!

Everyone’s gazes turned towards Lin Fan, and everyone felt their scalp numb, as if they were looking at a monster.
