strike?

Hearing this, Bai Yi's pretty face instantly turned ugly.

This Zheng Hao, but the spokesperson of their new Bai family who signed it at a high price, although his attitude is arrogant, Bai Yi can still tolerate it as long as he takes the film seriously.

But if there is a strike, the impact on Xinbaishi will be too great.

Thought of this.

Bai Yi couldn't help turning her head and glared at Lin Fan:

"I'll settle the account for you later!"

After speaking, she hurriedly followed the assistant and walked towards the hall of the studio.

Seeing this scene, Lin Fan couldn't help but let out a long sigh of relief, and wiped the cold sweat from his forehead.

If Bai Yi keeps asking about the origins of perfume and lipstick, then he is really hard to argue, and now...

"It seems that I have to thank that little fresh meat!"

Lin Fan smiled slightly, now carrying the vegetable basket, following Bai Yi walked towards the shooting hall.

Only when three of them entered the shooting hall.

Bang!

A vase fell fiercely under their feet and instantly shattered into scum.

What followed was an angry roar:

"What kind of junk company are you? Let me shoot a kissing ad, that's fine, but what ugly thing did you find?"

"This ugly female model is worthy of me. Hao Da kissing scene? Call your president over, she will play, and I will shoot! She will not play, I will strike!"

This voice was filled with rage.

Bai Yi and Lin Fan turned their eyes and saw that the entire shooting hall was in chaos.

And in the middle of the hall, Xiao Xianrou Zheng Hao was shouting angrily at the shooting crew.

Not only that.

In Zheng Hao's verbal abuse, the female model who played the role had already wept bitterly and sobbed.

See this scene.

Bai Yi's pretty face was extremely blue, and he asked in a cold voice:

"What's the matter?" In one sentence, all eyes in the shooting hall were swept over.

Especially Zheng Hao, when he saw Bai Yi's pretty face and that enchanting figure, a thick glow suddenly flashed in his eyes.

"Chief... President, this endorsement advertisement is a kissing scene! But Mr. Zheng Hao, he is not satisfied with the female model we are looking for and refuses to shoot!" The assistant hurriedly bit the bullet and replied.

But this sentence made Bai Yi's pretty face more difficult to look.

She could see that the female model was actually very beautiful, and Zheng Hao was completely messing around.

"Yeah! Beauty President, you are finally here!" After seeing Bai Yi, Zheng Hao couldn't help but a thick joking smile appeared on his face and walked over slowly.

His pair of eyes in white Iraq who constantly looked at his face shiny hot, can not hide:

"! White Iraqi president, not me, not Hao Zheng career, but you got the Western model offered ugly,"

said .

Zheng Hao licked his lips, looked at Bai Yi's gaze, and became more greedy: "However, if President Bai Yi can go into battle in person and shoot this kiss scene with me, then I can take no penny!"

"How?" No penny?

Zheng Hao's words changed the complexions of everyone around him, and they realized that this guy was deliberately looking for something, in order to force Bai Yi, and let President Bai Yi and him personally shoot this group of kiss scenes. .

This is simply... shameless.

"Mr. Zheng Hao, please respect yourself!"

Bai Yi's pretty face was extremely gloomy.

Self-respect?

Zheng Hao smiled coldly, as if he had eaten Bai Yi, when he sat next to him, jokingly said:

"Okay! Since President Bai Yi does not agree to kiss me, then I... strike!"

Boom!

At this moment, seeing Zheng Hao's nonchalant expression, everyone in the entire shooting hall looked extremely hard to see.

This endorsement advertisement was about to go online, but no one thought that Zheng Hao, who was so famous, would be so unprofessional.

Especially now.

It's too late to change people temporarily.

How to do?

Everyone's gazes were all looking at Bai Yi. In the eyes of everyone, perhaps only Bai Yi agreed to Zheng Hao's request and went to the battle himself, otherwise the loss would be too great.

Not only everyone, but Bai Yi's complexion was as ugly as dead gray.

And just when she was very tangled.

A lazy voice came over:

"Well, let me change it!"
