quickly!

When the director's "click" sounded.

The endorsement video and poster photos announced the complete shooting.

Almost instantly, whether it was the director or every filming crew below, all applauded fiercely, applause resounded in the shooting hall, and everyone looked at Lin Fan and Bai Yi with admiration and admiration. worship.

"Mr. Bai, your husband and wife's filming is so good. This is the first time that I finished the filming so smoothly!"

"Yes, there hasn't been a ng, it's unbelievable! You husband and wife are too celebrities!

""

The director and staff beside him heard ecstatic and admired voices.

And heard this.

The smile on Bai Yi's mouth was extremely sweet.

She also didn't expect that she and Lin Fan should have such a tacit understanding, even with only one look, the two of them would be able to cooperate seamlessly.

just!

at this time.

Assistant Xiaoxian ran over with a pale face, and said to Bai Yi:

"President Bai, something has happened! I just passed our sample shots to several TV stations, but without exception, they were all rejected.!"

What!

Hearing this, everyone was taken aback.

They couldn't imagine that this kind of change would happen.

"Xiaoxian, haven't we talked with those TV stations? Even the deposit for the advertisement was paid, why would they refuse us?" Bai Yi's pretty face was ugly.

If you don't agree with the TV station, then the endorsement advertisements they shoot will have no value at all.

This.....

"Mr. Bai, the replies from these TV stations are the same! Saying that you and the chairman are not celebrities and have no reputation, so all refused to cooperate with our advertising!"

"Even the cooperation negotiated before is completely invalid!"

Wow!

In a word, everyone in the shooting hall was blown up.

They worked so hard to complete the filming, but they were rejected by the TV station. This is equivalent to their hard work and hard work. All of them were frustrated. This makes them not angry.

Suddenly, the curse in the hall resounded endlessly.

Even Bai Yi's face was pale.

The rejection of the cooperation is equivalent to their new Bai's propaganda, completely scrapped. This is also a serious blow to a new group.

"How could this happen!" Bai Yi was sweating anxiously.

But at this moment.

Lin Fan stared directly at Zheng Hao with a pair of eyes, and said sensibly,

"You did it!"

What!

Hearing this, the scolding in the hall quieted slightly, and his eyes swept

toward Zheng Hao.

question!

doubt!

They faintly couldn't believe that Zheng Hao, a big star, would do such

a nasty thing.

It's just...

"Yes! I did it!"

Xiao Xianrou Zheng Hao didn't hide the slightest at this moment. He looked at Lin Fan and Bai Yi with his eyes, and the jealousy in those eyes burned to the climax:

"Bai Yi, I tell you the truth, since you have invited me Zheng Hao, you must use me!"

"Also, you must shoot the kiss scene with me personally before I am

willing to give up!"

Wow!

Zheng Hao's words are extremely shameless.

He seemed to have eaten Bai Yi and the New Bai Group.

"If you don't make kiss scenes with me one day, your commercials will not be online for one day! If you never make kiss scenes with me, then

never want to go online!"

"How about? You beg me! Hahaha..."

Zheng Hao's face is full of arrogance and madness.

For him, it is obvious that cutting off the New Bai family's propaganda

channels is equivalent to grabbing Bai Yi's lifeline.

He just wanted to blatantly take advantage of Baiyi.

He even kissed and touched his wife in front of Lin Fan, a soil bun, to vent his jealousy.

just.

Just when Zheng Hao laughed most wildly.

A big hand appeared in front of him like lightning, and then...

pop!

After a slap fell, Zheng Hao's face instantly deformed.
