

Chapter: 1100

what!

After this scream resounded, everyone was shocked.

If it was just a repost from the giants in the entertainment industry, they can understand, after all, those bigwigs may be looking at Zhang Yichen's face.

And now!

Jiangnan Government Official WeChat!

Dragon Tiger Corps official micro!

The official WeChat account of the Huaxia Army!

.....

This is China's most powerful platform account. These accounts usually only post some national events and world news. How can it be possible to post and forward personal group photos?

What's this, what happened?

At the moment, everyone's eyelids jumped wildly to check the social platform.

I was shocked to discover that in addition to Jiangnan Official WeChat, Longhu Official WeChat, and China Military Ministry Official WeChat, there were even dozens of other national heavyweight official WeChat accounts, both large and small, and they liked and reposted them.

In particular, almost every dynamic is written.

'Jiangnan government official micro: gods and relatives, blessings!'

'Dragon and Tiger Army official micro-:! Shenxianjuanly, bless'

'Huaxia Jun Department official micro-:! Shenxianjuanly, bless'

.....

senseless.

After seeing that Zhu Fuguan micro-dense, the heat of the moment to see Soaring to the top of the hot search, after all other star dynamics were suppressed and swept the entire net.

Tick!

Tick!

Big beads of sweat slipped down the foreheads of everyone in the hall.

It exploded.

They have never seen such a terrible lineup of blessings, which are all official blessings from China, especially the neatly arranged blessing dynamics, which are more like congratulating Bai Yi and Lin Fan.

It is the first time that China's social media platform has made a breakthrough.

And when this scene fell in Zheng Hao's eyes, his face was instantly as white as paper.

"How can this be! How can all the official accounts of Huaxia help an ordinary person to promote, especially this is an endorsement advertising photo! How can this be so special!"

Zheng Hao's heart was shocking.

This is definitely the scariest scene he has ever seen in his entire life.

All the official micro-blogs together bless an endorsement photo?

This is crazy.

Jingle Bell!

At this moment, Zheng Hao's cell phone rang, and he quickly answered the call.

Just after the call was connected, a scream of fright and anger suddenly came from inside:

"Zheng Hao! I'm not your ancestor, are you so bad? You told me to reject the new Bai family, but now, we are all in China. The official Weibo is all promoting the endorsement photos of the new Bai family! Now I have been dismissed, all because of you!"

Boom!

This curse, like a bolt from the blue, made Zheng Hao completely frightened. Mobile terminal:

This is the leader of a TV station, and also the person who refused to cooperate with New Baishi before.

And now...

dismissal!

Jingle Bell!

After the first call was hung up, Zheng Hao's cell phone was completely blown up.

One phone after another rang, and one after another was frightened and cursed.

These people are almost all of Zheng Hao's contacts.

But now!

Dismissal of dismissal, investigation of prosecution.

There is no good end at all.

Until the last phone call rang, Zheng Hao's face was as white as paper.

Just after he connected, he said directly:

"Old...Boss, are you looking for me?"

This call was the top leader of his entertainment company.

It can be said that a word from the surrounding bigwigs can determine the life and death of Zheng Hao.

silence!

The boss on the other end of the phone has not spoken.

Minute after minute passed.

And just when Zheng Hao was almost waiting to go crazy, the big guy on the other end of the phone finally said:

"Zheng Hao! I already know the stupid thing you did in Xinbai! You idiot, you don't know what you provoke. What a terrible existence!"

"You're done! You will be blocked by Xue Zang forever!" A word made Zheng Hao's eyes black and almost fainted.
