Forever and ever, the snow is blocked!

After hearing these words, Zheng Hao's palm loosened, and the phone instantly fell from his hand and fell to the ground.

But he didn't seem to notice it, his whole person was as if he had lost his soul, his face pale as paper:

"I...I'm finished!"

"How could this be! How could this be!"

A trace of fear and despair appeared on Zheng Hao's. Eyes.

He is a popular little fresh meat, a cash cow in the eyes of the boss.

And now...

"Who on earth are you... You are? Impossible. If you are just ordinary people, how can your photos attract the attention of the country, and even make all major departments and officials madly forward them! This is impossible!"

Zheng Haoyi His eyes were red, staring at Lin Fan and Bai Yi.

It's not just him.

At this moment, all eyes in the entire shooting hall were almost focused on Lin Fan.

Even Bai Yi just felt like she was dreaming.

"Lin Fan, how did he do it?"

Bai Yi turned to look at her husband. She was shocked to find that Lin Fan was not only an external image at this moment, but a mysterious and noble prince, his temperament, his every move. Whenever it moves, it seems like an emperor is coming, giving people a strong and extremely powerful feeling.

However, at this moment, Lin Fan was too lazy to take a look at Zheng Hao.

He turned his head to Bai Yi and said:

"Wife, the thing is done, then I'm leaving too!"

Finished.

Lin Fan immediately walked back to the locker room under the horrified eyes of everyone. Soon, when Lin Fan came out again, he had already changed back to that casual outfit.

In particular, he also carried a vegetable basket full of vegetables and fruits in his hand, which looked like a family cook.

even.

Everyone had the illusion that they could not connect the housewife and man Lin Fan in front of him with the noble prince just now.

It's like two people.

There is no comparability.

Even Bai Yi, if she hadn't seen it with her own eyes, she also didn't believe that Lin Fan would be her own son-in-law husband after putting on a suit.

"Wife, goodbye!"

Lin Fan smiled slightly, waved his hand to Bai Yi, and then left here with a grin.

And when he just left.

boom!

The entire shooting hall was completely exploded.

The shock on the faces of all the staff remained:

"Oh my God, the chairman changed his clothes, it was like a change of person. If I hadn't seen it with my own eyes, I would never believe that they would be alone!"

"Yeah, Putting on the suit, Lin Dong is noble like an emperor, taking off the suit, Lin Dong looks like a passerby! This change is incredible!"

"Lin Dongming is so noble and so temperamental, why does he dress so ordinary?!"

"..." The dense talks, one after another in the shooting hall.

And almost everyone is extremely puzzled by Lin Fan's appearance like a passerby in such ordinary clothes.

Even Bai Yi.

Her pretty face was extremely complicated. Looking at where Lin Fan was leaving, a trace of shame appeared in her eyes:

"Lin Fan, you are for me, so you are willing to be an ordinary person and dress so ordinary?"

Bai Yi is not stupid.

According to Lin Fan's temperament and image just now, he was even qualified to be a national husband, but he chose to be so ordinary and so ordinary.

There can only be one explanation for all this, for his own sake, he will conceal his own brilliance.

Thought of this.
