

Chapter: 1102

Just after noon, Lin Fan took a few packed meals and headed to the Jiangnan First People's Hospital.

Recently, Baishan and Mrs. Shen Yumei have been taking care of Taigong Shen in the hospital.

As for the food delivery, it can only fall to Lin Fan.

Along the way.

Lin Fan heard all passers-by discussing in full swing.

And these passers-by talk about conversation topics, almost all of them are the "fairy couples" on social platforms!

"Hey... I've lived so long, it's really the first time I saw an official Weibo reposting this kind of picture, and even sent blessings!"

"Yes, but I have to say that the man in the photo is too temperamental. , Is he an international model?"

"..."

This kind of talking voices, filled with every corner of the hospital.

It's just that everyone doesn't know.

The protagonist of their heated discussion just passed by them.

"It seems that no one can recognize me!"

Lin Fan smiled slightly.

What he worries the most is to be recognized. Once that happens, he will be endlessly entangled. This is the scene he least wants to see.

quickly.

Lin Fan has come to the door of the advanced nursing ward.

However, before waiting for him to enter, he heard the sound of taunting and taunting inside.

"Hahaha... Three uncles and three aunts, cousin Bai Yi is really amazing. I just ate half of the Ye family's property a few days ago, and now I have found a handsome guy! It's a double harvest of career and love! I just don't know. , My trash cousin knows, will he be pissed to death?"

Huh?

When he heard this voice, Lin Fan was slightly taken aback.

He could naturally hear that this was the voice of Bai Yan, the daughter of the second uncle Baichuan.

Since Jiang City, Lin Fan snatched the Bai Family Group from Bai Chen's hands, he and the Bai Family had reached the point of incompatible with fire and water.

But I didn't expect that Bai Yan would actually appear here.

This is more than that.

Immediately afterwards, inside the ward, the voices of Shen Jian and Shen Jie and his son were also heard.

"Baishan, Yumei, Bai Yi is indeed a bit too much this time! Anyway, she and Lin Fan have not divorced yet! How can you take this kind of photos with other men? Moreover, there is already a lot of trouble now, Lin Fan. How will Fan behave in the future?"

"Yes, although I cannot understand Lin Fan, Shen Jie, this time, it is Bai Yi's fault !" Out of Lin Fan's expectation, Shen Jian and Shen Jie and his son were not like Bai Yan. The same laughed at Lin Fan, but the words were full of sympathy.

And hear these words.

Lin Fan couldn't help but shook his head and let out a laugh, then pushed open the door and walked in.

"Lin...Lin Fan!"

Seeing Lin Fan coming in, Bai Shan and Shen Yumei's expressions instantly became embarrassed.

Obviously, even the couple did not recognize Lin Fan from the photos. They always thought that Bai Yi had taken so many ambiguous photos with an international male model.

"Lin Fan, I'm sorry, I will definitely teach Bai Yi this girl when I go back!" Shen Yumei's expression was ugly.

It's just that I haven't waited for Lin Fan to say anything.

Bai Yan in the room burst into laughter:

"Chuck...Lin Fan, how does it feel to be cuckold? You should know that too? Cousin Bai Yi found a very temperamental little white face. You are a thousand times more handsome! Even many officials are blessing them to be a couple of gods!"

Bai Yan looked at Lin Fan's gaze, filled with hatred and ridicule.

After all, in her eyes, the loss of her Bai family's Bai Family Group was completely caused by a bastard like Lin Fan.

How does this make her not hate.

"Huh! Lin Fan, wait, Bai Yi has become a rich woman now, with such a handsome little white face, you will be kicked every minute!"

"When the time comes, what will I see you do?"

Bai At this moment, Yan's mouth was crooked with a smile, as if he had seen Bai Yi kick Lin Fan off, looking like Lin Fan was heartbroken. just!

What surprised Bai Yan and everyone was that Lin Fan was not at all angry, but shrugged faintly, smiled and said,

"Really?"

"Perhaps the little white face you were talking about is...I!"
