

# Chapter: 1114

died? ? ?

Saito Asuka's big disciple, the terrifying existence that defeated all the warriors with one move, was actually slapped to death by the man in front of him?

A top-level grandmaster died so aggrieved?

Two fingers, stop the master!

Slap, kill the master!

Sasaki Ichiro defeated the White Tiger with only one move; and Lin Fan only used one move to kill Sasaki Ichiro!

It's like slaughtering chickens and dogs!

Then, a wry smile suddenly appeared on Xu Jiang's face. Who would have thought that the existence that they had regarded as an ant just now would actually turn the tide and save the face of the White Tiger Legion and the entire China.

Block the stormy waves with your own strength!

The face of the white tiger on the side also showed a thick complex color, and his heart was mixed.

With such a cold, domineering and reckless posture, he has only seen him in the body of his master Dragon Tiger God of War.

"Why do you want to save me?"

Bai Hu stared at Lin Fan with complicated eyes. He was planning to kill Lin Fan just now, but in a blink of an eye, Lin Fan not only saved him,

but also saved the face of the White Tiger Legion.

Lin Fan put his hands around his chest, glanced at him faintly, and smiled playfully: "Because you are my disciple!"

"You!"

Bai Hu suddenly became angry, and the slight affection he had for Lin Fan just disappeared.

Do you think you can insult him at will if you save him?

Immediately, Bai Hu said in a rage: "Do you know what will happen to insulting a Samsung warrior?"

Even if Lin Fan really saved them, but insulting a Samsung warrior, if it spreads out, Lin Fan will undoubtedly die!

"You don't believe it? You are really my disciple!" Lin Fan said with a serious face.

Everyone has a black line...

This is too much, right?

Although you are a hero, you can't just insult the warrior casually, right? After all, the warlord is the face of the country, and insulting the warlord is tantamount to insulting the country.

White Tiger Direct furious, shouted: "Ok, since you court death, then I give you your Although I am not your opponent, but as long as I report it up the matter, my master dragon Mars will take you pathetic life!"

May currently!

"God of Dragon and Tiger is here!"

God of Dragon and Tiger?

Upon hearing this, everyone was immediately stunned!

Said Cao Cao arrived?

What a coincidence?

And Bai Hu was also taken aback for one, and then suddenly laughed unkindly:

"Boy, I have to say, your luck is really back to the extreme, my master has already come!"

"What about coming? Isn't it necessary to go? I kneel down?" Lin Fan said lightly.

Let Dragon Tiger and God of War kneel down for you?

Is this kid crazy?

"Well, well, I hope you can be so proud in a while!" Bai Hu snorted angrily.

Not long after, a group of people walked quickly from outside, and the two mighty middle-aged walked in strides, exuding a repressive domineering gesture.

Long handsome!

Tiger handsome!

"Meet the Dragon and Tiger God of War!" Bai Hu and the others knelt quickly, with endless respect appearing on their faces.

However, after everyone knelt down, they found that there was still one person standing upright, unmoved!

Lin Fan!

"moron!"

They were immediately angry, and it would be a pity to die if they saw the handsome!

At this time, the two Gods of War, Dragon and Tiger, also looked at Lin Fan.

But it was this look that immediately caused the dragon and tiger war gods to shake their bodies together.

Upon seeing this, Bai Hu immediately added fuel to the fire:

"Master, this person just said badly and asked you to kneel to him. You can't spare him lightly!"

Sure enough, when he heard this, the soldiers behind him were completely furious. !

Just now they noticed Lin Fan, who stands out among the crowd, and saw that the two Gods of War didn't kneel down. How dare they let the Gods of War kneel?

Damn it!

But at this moment, the two Gods of War, Blood Dragon and Blood Tiger, their faces sank, and at the same time they strode towards Lin Fan.

Upon seeing this, everyone present sneered and cast a look at Lin Fan. however!

At this moment, a suffocating scene blatantly caught everyone's eyes!

Puff!

Puff!

In their eyes, the two Gods of War, who looked like the invincible Gods of War, suddenly knelt down in front of Lin Fan:

"Blood Dragon, see my king!"

"Blood Tiger, see my king!"
