At the same time, Bai Yi and Bai Yan have also rushed to the White Tiger Army.

“Cousin, you have to move faster, or your brother-in-law might be shot. Oh no, maybe he’s already dead now.”

Bai Yan irritated Bai Yi with bad intentions, his face could not hide the gloat. Smile.

“Bai Yan, anyway, Lin Fan is your brother-in-law. No matter how you insult him, he will let you off again and again. Now you are gloating with gratitude for revenge. Are you still a human?”

Bai Yi’s hysterical roar, but his footsteps But he couldn’t help speeding up, his eyes were completely wet with tears.

Lin Fan, don’t die!

For me, please don’t die!

I will take you home soon!

Brother-in-law?

Bai Yan smiled contemptuously, just the wine bag and rice bag, also worthy of being her brother-in-law?

And if Lin Fan hadn’t taken care of his business, their family would have ruled the Bai family in Jiangshi. It would be more than deadly for the bastard to ruin their family’s good deeds!

Now, she longed for Lin Fan to die tragically in Baihu’s hands, and then Baihu took away all of Baihu’s property.

Although she couldn’t get anything, Bai Yan was delighted to see them unlucky.

“Wait for Bai Yi, interesting things will happen soon.”

Bai Yan smiled viciously, because she had known for a long time that even if Bai Yi handed over all his assets, Bai Hu would never let Lin Fan go.

Because Lin Fan killed the third group of White, which is tantamount to beating Baihu in the face. Can Baihu let him go?

The reason why Bai Yan was deliberately bringing Bai Yi here was not to save Lin Fan, but to make her look at her man and die in front of her eyes!

This heart is not vicious!

“Stop! Who dares to break into my White Tiger Legion?”

At this time, a one-star warlord happened to be out to buy wine because Lin Fan and the White Tiger Legion turned into a jade silk, but he saw two women.

Seeing the medal on the shoulder of the other party, the two women suddenly realized the identity of the other party and couldn’t help being in awe.

Then, Bai Yan began to gloat again: “Cousin, you are too unlucky. Now there is a star warlord blocking the way. I’m afraid you can’t get in. How can you save your husband?”

“It’s over, Lin Fan must die. Now, haha!”

Bai Yi hurriedly stepped forward, crying: “Hello, I am Bai Yi from the New Bai clan, I’m here to see the White Tiger Warrior, can you please let me in?”

Idiot!

Bai Yan curled her lips contemptuously, thinking that the other party would give in when she confessed her identity?

You are a young new Bai family, can you get into the eyes of others?

just!

In the next instant, an unbelievable scene appeared for Bai Yan.

After hearing Bai Yi’s words, the one-star warlord was almost scared to pee as if he had seen a ghost. He looked like a mouse saw a cat, and he quickly stood up and saluted:

“Hello Madam! Please inside!”

What!

For an instant, the two were stunned.

lady?

what’s the situation?

This is China’s one-star warlord, who is located in Jiangnan Province and can be regarded as a gangster-level existence.

And now, he is so respectful to Bai Yi?

But at this time, Bai Yi was eager to save her husband, and had no time to take care of so much, and quickly walked into the legion.

At this time, Bai Yan felt a very uneasy feeling in her heart for some unknown reason.

Soon, they entered the White Tiger Legion, and then they saw a thin figure, besieged in the center by a group of soldiers, like sheep entering a pack of wolves.

That figure, in the eyes of the second daughter, was so pitiful.

Especially, when they saw Hu Shuai and Long Shuai, Bai Yi and Bai Yan trembled, their legs softened involuntarily!

Dragon Tiger God of War!

Huaxia’s well-known God of War, the master of White Tiger, are they going to be against Lin Fan?

That’s it!

This one is completely over!

At this moment, Bai Yan’s presumptuous laughter sounded again:

“Hahaha, even the Dragon and Tiger God of War has come, cousin, it seems that your husband is a god and it is hard to save!”

And Bai Yi’s face also followed Zhi had a deep despair, especially when she saw the dragon and tiger war god reprimanding Lin Fan with a gloomy look, her eyes went dark and she almost fainted on the spot.

In fact, Dragon Tiger and God of War were reprimanding Bai Hu, but in their view, that was reprimanding Lin Fan.

Bai Yi stumbled and rushed over, and then suddenly knelt down in front of Bai Hu, crying and begging:

” Battle Commander Bai Hu, I am willing to hand over all my assets, please let my husband go!” The voice just fell... the audience , A dead silence!

The entire White Tiger Legion can hear the needle fall, and the atmosphere is extremely suppressed.

Everyone, including Dragon Tiger and God of War, now only feels guilty and scared to death on the spot!

Let Mrs. Lin Zuo hand over the assets?

Is this so crazy?
