crazy!

Baichuan and others thought that Zheng Honglian must be crazy, otherwise how could a Xiaoxin, the chairman of the Bai family, become the first heir of the Bai family?

In terms of ability and background, Bai Chen and Bai Hu both dumped her on Nine Streets. Why did she surpass them and become the first successor?

As everyone knows, although Bai Yi's ability and background are not good, she has a husband who has hands and eyes open to the sky!

In an instant, everyone immediately looked at Bai Yi with extremely horrified eyes!

The first heir to the Bai family, the future successor of the Jiangnan Bai family!

"Impossible, when did this happen, why I never heard of it?"

Shirakawa was almost scared to pee, Bai Yi? The future leaders of the four hidden world giants in Jiangnan?

Letting a person who split the family succeed, this is unprecedented in the Bai family!

Don't say it's him, even Bai Yi is dumbfounded, isn't she dreaming? Let her be the heir of the Bai family?

So from now on, won't she become one of the four hegemony that dominate Jiangnan? This directly scared Bai Yi into a fool!

"The decision we made today, do you have any opinion?"

Zheng Honglian glanced at Shirakawa coldly, and sneered in her heart. This idiot has not yet realized how terrible the existence she has offended.

"Baihu, I would like to do my best to assist Miss Bai Yi!"

"Bai Chen, I would like to do my best to assist Miss Bai Yi!"

Boom!

When Bai Hu and Bai Chen expressed their views, the audience was completely boiling!

"It's over!

Second Uncle, we're over!" Bai Yifan suddenly limp to the ground, his face as gray as death.

Shirakawa also seemed to be drained of all his strength, his face pale and completely despair.

Originally, he still kept a trace of fantasy, hoping that the two young masters could refute, but he did not expect that the young master, who had always been aloof, would be willing to surrender and assist Bai Yi?

Both Shirakawa and Bai Yifan had deep wry smiles on their faces.

They just feel that this world is crazy!

All this makes them feel so bizarre and incredible!

However, at this time, Bai Yan stumbled and rushed out, crying to her father:

"Dad, you should bow your heads and admit your mistakes to Lin Fan! You can't play with him!"

Lin Fan?

Why mention this waste?

The father and son shuddered, and then they looked at Lin Fan as if thinking of something.

When they saw the eyes of Bai Hu and others, although they looked at Bai Yi, the focus remained on Lin Fan.

understood!

It turned out that all of this was caused by Lin Fan!

At this time, Shirakawa and others were struck by lightning one by one, and they were dumbfounded on the spot.

They couldn't understand, what qualifications does this waste son-in-law have to make Dragon Tiger War God and Bai Family Patriarch bow down?

Then, Shirakawa and Bai Yifan, who's face, could not help emerge out of a deep sense of bitterness, then towards Lin Fan plop, plop down guifu:

"Lin Fan, I beg you let us, we admitted the mistake!"

Regret Up.

At first they thought about suppressing Lin Fan's family, looking at them unlucky, but now they can pinch them to death with their fingers.

And all this turned out to be because of Lin Fan!

"Huh! Insult the future Patriarch, Bai Chuan and Bai Yifan, you two are so bold!" Zheng Honglian suddenly scolded, and then announced:

"From now on, the two of you are expelled from the Bai family, expelled from China, and will never return. If you violate it, you will be killed!"

What!

Upon hearing this, the eyes of Shirakawa, Bai Yifan and others were extremely frightened, and a touch of regret and pain appeared on their faces.

Drive them out of the Bai family from Huaxia, and they will become the bereaved dogs from now on.

Originally ridiculed Lin Fan and his wife that they had become a pauper with nothing, but in a blink of an eye they lost everything?

They are really over!
