

Chapter: 1131

Upon hearing this, Situ Yan'er suddenly sat on the ground, hiding her face and crying, her heart twisted like a knife.

It was her, she was the one who harmed Lin Fan!

If he hadn't been looking for Lin Fan as a shield, he wouldn't have offended Huangfuxuan, and he wouldn't have been calculated by Huangfuxuan at this time and would have lost his life.

For a moment!

Everyone cast mocking glances at Lin Fan, as if in their eyes, Lin Fan was a dying person.

Because of him, it broke the sky!

"Okay, then do as you said!"

Perkins agreed instantly, with a smile on his face.

accepted!

In other words, Lin Fan is dead!

Huangfuxuan was immediately complacent. Not only did he eradicate his rivals, he also wiped out the Bai family. He killed two birds with one stone. He was really a genius.

At this time, everyone's expressions became more and more interesting, and they all secretly thought:

This time, the Bai family will be in bad luck!

"Your name is Huangfuxuan, right? Very good, I remember you!"

At this time, Platinums stared directly at Huangfuxuan, and the smile on his face looked stiff and hypocritical. Feeling cold.

"Thank you, sir."

Huangfuxuan was very excited, but he was very puzzled, how did he feel that chills appeared on his back?

It's like being caught by a poisonous snake!

"However, let's talk about everything after the auction is over."

Platinums confessed, and then announced the official start of the auction.

Upon seeing this, Huang Fuxuan was obviously disappointed, because he couldn't wait to see Lin Fan unlucky.

At this time, he gloomily looked at Lin Fan:

"Boy, enjoy the last hour of your life. When the auction is over, your life will not be saved!"

"Not necessarily." Lin Fan smiled calmly, staring at everything.

"It's really a brain-dead, still dare to be arrogant now?"

Huangfuxuan shook his head, and he was unable to complain about Lin Fan's pretending behavior.

He immediately ordered Ye Shihao: "Ye Shihao, keep an eye on the dog and the dog, don't let them run away. After the auction is over, let the blood master take care of it ." Ye Shihao gave Lin Fan a complicated look, but didn't say a word.

Not far away, Situ Yan'er wanted to come over to find Lin Fan, but was abruptly arrested by Situ Hongrui.

Situ Hongrui sneered coldly. In his opinion, Lin Fan was already a dead person. At this time, he should draw a clear line with him so as not to be dragged down by this waste.

Lin Fan looked at Bai Yi, who fell on the ground, and suddenly smiled bitterly:

"My wife, the auction has started, let's go in."

"Lin Fan, why are you doing this?"

Bai Yi stared sharply at Lin Fan. , Already crying, she really couldn't figure out why Lin Fan wanted to die.

Lin Fan didn't know how to explain, so he could only sighed and said:

"Wife, you just believe me again, we will be fine, maybe there will be surprises in a while."

"Surprise? What surprises?"

Bai Yi Dai's eyebrows frowned. For some reason, seeing Lin Fan's indifferent appearance made her heart less nervous.

It seems that every time Lin Fan laughs like this, the problem can be solved.

"You'll know in a little while."

Lin Fan sold a pass and hurriedly came up to help Bai Yi.

Bai Yi suddenly snorted: "If you dare to lie to me, you will kneel on the washboard when you go back at night!"

Lin Fan: "...". The two also entered the auction venue, and in an instant everyone cast contempt. With mocking eyes.

These two things that do not live or die, dare to participate in the auction when they die?

Really have a brain!

At this time, in their opinion, these two idiots should take the lead in preparing for their own affairs!

But Lin Fan was arrogant, grabbing Bai Yi, who was panicked, and strode into it.

And then, the emcee's words made the audience completely boil over!

"The first lot is the rare treasure, the heart of aquamarine!"

Swish!
