

Chapter: 1138

Perkins sent Lin Fan and his wife out of the door, but Bai Yi quickly knelt on the ground when they walked out of the door.

This scene stunned Lin Fan and Perkins in an instant.

But seeing Bai Yi's pretty face pale, Chu Chu pleaded with pity:

“Blood Lord, my husband is not the King of Blood Prison at all. He caused such a terrible disaster to buy the heart of Hailan to please me. Please, Lord Blood. Forgive me, we are willing to return Sealan Heart and make compensation, please don't hurt my husband!”

Upon hearing this, Lin Fan suddenly smiled bitterly, but a touch of warmth appeared in his heart.

“This...”

and Perkins was dumbfounded on the spot, unexpectedly the queen didn't even know the king's identity.

Lin Fan handed him a look, Platinumston reacted and said with a smile on his face: “Madam is serious, in fact, I knew that your husband is not the king of the blood prison. I just cooperated with him in acting. That's it.”

Already known?

Bai Yi was stunned. The Blood Lord had known that Lin Fan was a fake, but he was not angry. He even acted in a play with him. What's the matter?

Lin Fan hurriedly explained:

“My wife, in fact, the Dragon and Tiger God of War had known Lord Blood Lord early in the morning. Otherwise, as our identity, I would not have the right to enter the Blood Turtle.”

“And Lord Blood Lord saw that we were humiliated.

Because we are friends of the Dragon and Tiger God of War, we cooperated with me to act in such a play.” Bai Yi suddenly realized that as Lin Fan, he was able to get the ticket for Xue Tu Rong. It turned out to be because of the Dragon and Tiger God of War. Explained in advance.

“Then this sea-blue heart...”

Bai Yi said hesitantly, and slowly handed out the sea-blue heart. Since it's an acting, then this generous gift can't be taken from others.

Perkins naturally did not dare to answer, and said with a smile:

“This sea blue heart will be given to Madam, all as friends.”

“No way, no, this is too expensive, I can't take it!”

Bai Yi was shocked. This is tens of billions of jewels. Lu, how dare she want it?

The corners of Perkins's mouth twitch, precious? Your husband doesn't know how many trillions worth of it is. What is a mere tens of billions of jewels?

Immediately, Perkins's face sank, pretending to be angry:

“If you don't accept this gift, you despise me. Could it be that Mrs. Lin doesn't want to make me a friend?”

“Of course not.” Bai Yi almost cried anxiously. , To be able to associate with the blood master, that is the blessing she has cultivated in her eight lifetimes, how dare she look down on it?

“Wife, this is what people want, you can accept it, anyway, 10 billion is only a fraction of the blood master.” Lin Fan persuaded with a smile.

“Don't talk nonsense!”

Bai Yi was annoyed that Lin Fan didn't shut the door, but could only helplessly accept the gift: “Then...then I will accept it brazenly.”

“That's right!”

Perkins was overjoyed. Outside, greeted a luxury car and escorted Lin Fan and his wife back to their residence.

.....

In the middle of the night, the Huangfu family and the Sima family held an emergency meeting!

Huangfuxuan, who had a pale face, was pushed out from the wheelchair, his eyes full of resentment.

Like a vicious snake!

Huangfu's family also had a gloomy expression, with cold killing intent in their eyes.

And sitting high above the chief is the Patriarch of the Huangfu Family and the Sima Family.

Huangfuzheng!

Sima Longming!

Seeing that the successor became a waste, Huangfu hated and mad, and asked in a deep voice:

“You said, it was the waste son-in-law of the Bai family who caused Huangfuxuan to be interrupted by the blood master?”

“Yes!”

Sima Hongrui took a step forward, and a ray of hatred was wiped in his eyes:

“That crap pretends to be the blood of the prison. Wang, deceived the Blood Lord, and even caused the Blood Lord to break Huangfuxuan's leg! ”

Pretending to be the King of the Blood Prison?

The audience was shocked!

The two families breathed in air-conditioning, and there was a deep panic in their eyes!
