"The Bai family is too unlucky, pretending to be the king of the blood prison, this is a heinous crime, even if it is China, it is impossible to come forward to rescue them, the Bai family will die!"

"What is the name of Lin Fan, this? It doesn't matter if the bastard finds his own death. It angers the blood prison madness and puts the whole Jiangnan in danger. This kind of person is almost dead!"

At this time, they were very disturbed, because they all returned to Lin Fan's command and belonged to a grasshopper on a rope.

"The outside world is crazy, he is a fake, do you believe it?"

Ye Wuya asked extremely nervously. If Lin Fan is really a fake, but they will be with Lin Fan, they will definitely attract the thunder of the blood prison mad god. what!

"Didn't you already have the answer?"

Zheng Honglian replied with a wry smile, the outside world has completely spread, and the Huangfu family have also sought confirmation from the blood prison mad gods.

So, can there be fakes?

"Then what shall we do?" Ye Wuya was as anxious as an ant on a hot pot, and a sharp look suddenly appeared in his eyes: "Or, catch him and hand him over to the mad god of blood prison? This can be regarded as a crime. Presumably Lord Mad God will not embarrass us too much!" At this time, Ye Wuya was already driven mad by fear, because he knew that he could not compete with the Mad God of Blood Prison at all, and there was only a dead end to the resistance!

And yes, all the doors are dead!

Only at this moment, Zheng Honglian saw Baihu and Bai Chen, and shook her head solemnly!

That monstrous and fierce might!

That majestic evil spirit!

It's definitely not a counterfeit!

That man... is definitely the deity of the Dark Emperor!

"No!"

So, Zheng Honglian shook her head and said firmly:

"Although the whole world says he is a fake, I am willing to trust my own intuition!"

"You want to bet?"

Ye Wuya looked in disbelief. Zheng Honglian, is this woman crazy?

If the gambling loses, then the Bai family will disappear!

Judging from the current situation, Zheng Honglian's chance of losing bet is almost 90%!

Zheng Honglian smiled without saying a word, unwilling to explain. then!

Ye Wuya took a deep look at Zheng Honglian, as if finally made up his mind, gritted his teeth and said:

"Okay! Since you want to bet, then I will spare this old life and accompany you on the bet!"

Zheng Honglian With a slight smile, he turned his head, his face was suddenly murdered!

This woman returned to her previous iron-bloodedness and fierceness, and said coldly:

"It is claimed to the outside that if you want to hurt Lin Fan, you will step on the bodies of Ye and Bai first!"
