

Chapter: 1142

Hearing the strong voices of Bai and Ye, the whole Jiangnan was in an uproar!

The two families of Bai and Ye are actually going to offend the bloody prison mad god for a counterfeit?

They are crazy!

As soon as this news came out, the whole Jiangnan was completely exploded!

Questions, ridicules, and insults are constantly resounding!

“Patriarch Ye, there are currently fifteen companies that have announced the termination of cooperation with our family!”

Paradise, the bank will allow us to settle all loans within three days, otherwise we will have to sue us!” Zheng Honglian and Ye Wuya looked at each other. A deep wry smile appeared on his face.

Sure enough, as soon as the news came out, all the partners betrayed them in an instant, and even turned to Huangfu’s and Sima’s!

Just because they dare not offend the bloody mad god!

Zheng Honglian and Ye Wuya can understand this. After all, the bloody mad god is so famous that he once defeated the four war gods of China by himself. Such a terrible existence can easily smooth out one party’s power, like a scourge!

For him, the whole Jiangnan is just a small place, and it can be completely crushed in an instant.

The two Patriarchs waved their hands tiredly:

“I see, you go down.”

Within a few hours, the two of them received similar news, no less than 20.

Even the senior members of the family chose to betray them.

Today’s Bai family and Ye family can be said to be veritable betrayal.

Just when they were desperate, a man came to them, bowed to them, and said:

“Patriarch Bai, Patriarch Ye, because of the recent series of turbulence in Jiangnan, all the senior leaders in Jiangnan decided to hold a meeting at the Huarong Center at 7 o’clock tomorrow evening. I hope you can participate!” Upon hearing this, the wry smiles on the faces of the two Patriarchs grew. Strong, what should come is finally here, have the Huangfu family decided to bring all the big brothers in the south of the Yangtze River to force the palace together against them?

“I know, tomorrow night we will be there on time!”

Zheng Honglian replied coldly, knowing she couldn’t hide.

After the other party left, Ye Wuya couldn’t help but ask, “What kind of shit meeting do you really plan to attend tomorrow?”

“Is it a blessing or a curse, it is a curse that cannot be avoided. Whether Mr. Lin is genuine or fake, it will be visible tomorrow. It’s clear.”

Zheng Honglian smiled bitterly, and said: “It’s also clear whether our Bai and Ye families are heaven or hell!”

... the next day!

The news that the blood prison mad god arrived in Jiangnan was like a blockbuster, and it completely exploded throughout Jiangnan!

All Jiangnan flights are grounded!

No one is allowed to be within one kilometer of the airport. Violators will be killed without pardon!

The whole province is terrified!

Many people dare not even go out the door!

All are like seeing a scourge!

And everyone knows that today is the end of Lin Fan and the Bai family!

And seeing the news, Bai Shan and Shen Yumei were already scared to pee, grabbing Lin Fan’s hand and begging:

“Lin Fan, let’s run away! That bloody prison mad God, we can’t afford to offend it!”

“Yes! Xiao Fan, I heard that he is a murderous demon. If you offend him like that, he will never let you go.”

Bai Yi on the side was also ashamed, and she knew that the matter would not end so easily.

Lin Fan is posing as the king of the dark world. How could his followers forgive him lightly?

No, the number one fierce blood prison mad god under the dark emperor’s command personally set foot on the land of the south of the Yangtze River to find Lin Fan to settle accounts.

Those characters, as long as they stomped their feet, the whole Jiangnan would completely collapse, how could they resist?

“Lin Fan, let’s run away! Go to a place where no one knows us, stay anonymous and spend the rest of your life steadily.” At this time, Bai Yi knew that they could only escape. The farther away the better, she even planned to give up. Everything about myself, go to a place where no one knows them with Lin Fan and start from the beginning.

Even if she was impoverished for a lifetime, she would admit it!

just!

“Escape? Can you escape?”

A voice full of sarcasm came from outside the door, and then a group of mysterious black-clothed powerhouses appeared in the field like phantoms.

The person in the lead turned out to be Sima Hongrui!

At this time, a thick grin appeared on his face:

“Lin Fan, I’m here to take you to hell!”
