

Chapter: 1144

This abrupt voice made everyone present in the room startled, and a thick astonishment appeared on their faces.

Immediately afterwards, when Lin Fan's posture appeared in the field, their astonishment turned into a thick sneer and resentment.

Especially Huangfuxuan's expression was completely distorted at this time, his eyes gushing with endless anger, as if he couldn't wait to thwart Lin Fan's bones and ashes!

Extremely violent!

"Little bastard, you still care about others when you die. Do you think that you can keep the two of them?"

Huangfu smiled sadly, but there was also a cold killing intent in his eyes. .

"Yes, I can keep the two of them!"

Lin Fan carelessly, ignoring everyone's suspicion or hateful gazes, sitting beside Zheng Honglian and Ye Wuya with a grin.

Show your attitude!

Seeing this, everyone was dumbfounded. Is this guy crazy?

Obviously he was dead, and he dared to speak up, even saying that he wanted to protect the Ye Family and the Bai Family?

If it weren't for you, would these two families be angered by the bloody mad god?

Everyone showed contempt, this broom star didn't even have the slightest self-knowledge?

A mere trash, but wanting to block the mad god of blood prison, is simply whimsical!

”

Just rely on you as a waste son-in-law?" Huangfuzheng said with an old face, with a disdainful smile:

"Why, do you really think of yourself as the king of the blood prison?"

Hahaha!

Everyone suddenly laughed presumptuously and found it extremely ridiculous.

"The King of Blood Prison? Just this waste? Is he worthy?"

"Don't compare this waste with the Dark Emperor. That is the biggest insult to the Dark Emperor!"

"This rubbish is not worthy to even carry shoes to the Dark Emperor. If he is the Dark Emperor, I will judge myself on the spot!"

A sneer, full of disdain and contempt, sounded one after another in the scene.

They all agreed that Lin Fan could never be the dark emperor!

At this time, Huang Fuxuan was holding a dog leash in his hand, and the dog food end was tied to Ye Shihao, who was covered in blood!

He grinned and patted Ye Shihao's head: "Believe that he is the dark emperor, then this dog will end!"

Ye Shihao's face was gloomy, and he didn't say anything in shame.

This scene caused Lin Fan's face to sink, and then he sneered and said:

"How do you know that I am not the dark emperor?"

Jing!

The laughter came to an abrupt end!

A thick anger appeared on everyone's face!

It's already this time, does this guy dare to pretend to be the Dark Emperor?

Damn it!

"Shut up!"

Sima Longming suddenly roared angrily: "What kind of thing are you, a trash raised by a woman, and worthy of comparing yourself to the dark emperor?"

"If you dare to insult the emperor, I will kill you now!"

"I see. You won't shed tears if you don't see the coffin!" Huangfuzheng also snorted coldly:

"When Lord Mad God arrives, all of you will have a dead end!"

Everyone laughed sarcastically, and the Ye Family and the Bai Family actually took everything. It's so stupid to bet on such a cowhide king!

Now that they saw Lin Fan with their own eyes, these big men knew how unbearable the other party was.

"Grandpa, why do you talk so much nonsense with him?"

Huangfuxuan's face was savage, and a thick wickedness appeared in his eyes:

"Anyway, Madame Madame has a long time to come. Let's make fun of this fake woman!"

He wants to insult Bai Yi severely in front of everyone!

Let Lin Fan wear countless green hats!

Upon hearing this, Bai Yi suddenly grabbed Lin Fan's hand nervously, his face instantly pale!

But Lin Fan's eyes were also bursting with cold light at this time!

"Hahaha, okay! My dear grandson, as you wish!" Huangfuzheng laughed, his face with a hint of insidiousness:

"Come on! Get that woman over here! Get that woman over! Give it to my grandson, have fun. !"
