

Chapter: 1145

Catch Bai Yi!

After hearing these words, whether it was the Bai Family or the Ye Family masters, their expressions changed drastically.

Especially in the anger of everyone.

A strong man from the famous Huangfu and Sima family flew out and rushed towards Bai Yi.

Huhuhu!

Five people!

ten people!

Twenty people!

...

These people seem to be violent tigers attacking the sheep, giving people a terrifying aura of horror.

“Hey...little girl! Come here, and accompany our young master!”

“Hahaha...I really don't know what the heir of the Bai family is like!”

“...” A series of foul language, from the strong of the two clans From the mouth of each person, there was a greedy and lustful glow in everyone's eyes.

They can't wait to catch Bai Yi and ravage him severely.

Not only that!

The gazes of these two powerhouses couldn't help but swept towards Lin Fan.

In their eyes, it seemed that as long as Lin Fan changed slightly, then Lin Fan must be the first one to abolish it.

This scene made Bai Yi's pretty face as white as paper.

Her jade hand grabbed Lin Fan, her pretty face flashed with deep despair:

“Lin...Lin Fan!”

Fear!

Bai Yi only felt that she was finished at this moment. She looked at Lin Fan with such dismay and worry.

However, what surprised Bai Yi and everyone was that Lin Fan didn't step forward to stop the two clans.

Instead, he smiled and patted Bai Yi's jade hand, and said,

“My wife, don't worry!”

What?

Heard this.

Not only Bai Yi was stunned, but everyone around him was also dumbfounded.

People want to arrest your wife!

As a husband, not only did you not hinder you at all, but you said,

“Don't worry about it?”

This...

wow!

For an instant, everyone in the entire hall was in a complete uproar.

All the gazes looking at Lin Fan were filled with deep contempt and disdain.

“Hahaha... trash! Have you seen it? This guy is obviously a timid trash! His wife is about to be arrested, and he is still fine! What a rubbish!”

Huangfuxuan smiled wildly, his voice said. In the middle, there is a deep disdain for Lin Fan.

More than him!

Even Sima Hongrui, as well as all the people of the Sima and Huangfu clan around him, looked at Lin Fan, full of ridicule and sarcasm.

coward!

Rubbish!

In the eyes of the two clans, the cowardice and trash of Lin Fan, a counterfeit, showed vividly.

Even the faces of Bai Jia Zheng Honglian, Ye Jia Ye Wuya and others showed deep disappointment and regret.

It seems that he is really not the king of the blood prison?

Otherwise, how can you tolerate these ants and insult your wife without responding?

Thought of this. Mobile phone:

Zheng Honglian and Ye Wuya looked at each other, and the corners of their mouths were full of wry smiles.

call.....

At the same time!

More than twenty powerful people from the Huangfu and Sima tribes have rushed to Lin Fan and Bai Yi.

The distance between the two sides is getting closer and closer.

Ten meters!

Five meters!

Three meters!

Almost in the blink of an eye, the powerful two clans of that black pressure would drown Bai Yi in it.

That's it!

It's completely over.

Everyone in the Bai family and Ye family looked at Bai Yi at this moment, with deep pity and sympathy.

They never thought of it.

Lin Fan will be so cowardly and incompetent, seeing his wife being taken away and humiliated, but still bears no responsibility.

“Little girl! Come here! Hahaha...”

With a sound of grinning resounding.

The strongest Huangfu family closest to Bai Yi stretched out his big hand and grabbed Bai Yi's chest.

There was lust in his eyes.

As if wishing to grab Bai Yi and knead it fiercely.

however!

At this moment, a cold and biting voice suddenly entered his ears.

“Kill!!!” A faint word.

But falling in the ears of this Huangfu powerhouse made his movements slightly stagnant.

Only then did he discover that the word'kill' had come from Lin Fan's mouth.

In particular, Lin Fan's gaze was almost like the eye of the devil's death, so cold and sullen, that the strong man couldn't help trembling after just one glance.

However, this is just the beginning.

Huh!

A stream of light suddenly flashed from outside the hall.

Then this strong man only felt a slight coolness in his neck, and then in his astonished gaze, his head actually fell slowly from the top of his neck.
